Burglars Active in 18 Area Crimes

**Jewels, Cash, Furs
Among Lost Taken in
One House Break-In**

Theft of several hundred dollars worth of furs and jewelry in a house burglary marked a series of break-ins occurring in the area since Monday, according to reports to Quad-City authorities.

Jewels, money, furs and a portable television set were among items stolen in a burglary at the home of Morris Helman, 2630 Cleveland blvd., after 5:30 p.m. Monday, he reported at 8:15 p.m. The value of the lost was undetermined. The house was ransacked. A small pry bar was used to force the door from the open garage to the family room.

Virginia Moore, 3025 Willow avenue, reported at 12:35 p.m. Wednesday that a burglar stole \$20 in Kennedy half dollars from the rear bedroom of her home at about midnight. Entry was gained by breaking the window to the bedroom, which was ransacked. She said her son, 15, was asleep in another bedroom at the time, and heard a disturbance.

House Burglary

Burglars broke into the home of John Crimmons, 1432 Sixth street, Madison, during the day Tuesday, and stole several appliances, cigarettes and food and candy. Madison police reported.

Officers said the intruder entered through an open back door and took a radio, an electric toaster, an electric percolator and an electric razor, three cartons of cigarettes and miscellaneous food and candy.

A burglar who broke into Stone's Auto lot on Market street and Madison avenue stole tools from a drawer. Venice police reported at 11:30 a.m. Monday. The burglar was discovered by police who noticed a window broken in the building. Officers said the intruder apparently left by the front door.

Church Burglary

The pastor's study was ransacked in a burglary of the First United Presbyterian Church, 2160 Delmar avenue, it was reported Monday by Rev. David Maxton, pastor. Nothing was missing. The glass in a second story rear door was broken to gain entry.

A metal box containing \$214 was stolen from a safe in a burglary at Bob's Flower shop, 2604 Madison avenue, it was reported Monday by Robert L. Walters, operator.

The combination of the safe was knocked off and the door was forced open. Files and records in the safe were not touched. Entry to the shop was gained.

School Board Elections Saturday

HARRY MADLINGER

Harry Madlinger, 73, Widely-Known Barber, Expires

Harry Madlinger, 73, of 2703 Elm street, Apt. B, a well-known Granite City barber, was pronounced dead upon arrival at 2:10 p.m. yesterday at St. Elizabeth Hospital, where he was taken by ambulance from home.

He had been in ill health for several years. A resident of the local community the last 50 years, Mr. Madlinger was born in St. Louis. He had owned and operated barber shops on Niedringhaus avenue and at other downtown locations for more than 25 years. He was a veteran of World War one and a well-known fisherman. He retired last year.

Mr. Madlinger was a member of Sacred Heart Catholic Church, Elk's Lodge BPOE 1063, World War I Veterans, Barracks 34, American Legion Post 113, Veterans of Foreign Wars Post 1300, and the Barbers Union, Granite City local.

He is survived by his wife, Mrs. Nora Madlinger, two sisters, Mrs. William (Clara) Helson and Mrs. John (Helen) Koch, both of St. Louis; a brother-in-law, William W. Lewis, of Rock, Mo.; and a sister-in-law, Mrs. Earl (Lillian) Lewis of Granite City. A brother, Carl Madlinger, and a sister, Mrs. Hilda Fuchs preceded him in death.

Funeral arrangements are being made by the funeral home of John Crimmons, 1432 Sixth street, Madison, during the day Tuesday, and stole several appliances, cigarettes and food and candy. Madison police reported.

City Candidate Data Given on Pages 38-39

Photographs and biographical information of candidates in the election Tuesday in municipal balloting at Madison, Venice and Pontoon Beach are published in this section of the Press-Record on Pages 38 and 39.

Madison voters will ballot in the polling places, Venice voters in four and Pontoon Beach at one. Locations of the polling places also are listed on these pages.

Area Birthrate, Deaths Up for 1st Quarter of '69

The Quad-City area's birthrate this year continues ahead of the 1968 statistics, although there was a decline in March.

City Clerk Homer "Cal" Pendleton, who compiled the statistics for the entire area, reported this week the figures for March are 87 births, 37 deaths and one stillbirth, compared to February totals of 94 births, 32 deaths and one stillbirth.

The development is being carried out by the Bulk Service Corp. of Riverdale, Ill., under a lease signed with the Tri-City Regional Port District in January. The firm also has terminals at Maplewood, Minn., Des Moines, and at Riverdale.

The bulk loading and unloading equipment will provide for minimum fuel in barge-rail truck operations. About 80% of the bulk products—fertilizers, grain and dry chemicals—will be moved by rail.

Presently, work crews are spreading and packing dirt fill on the east side of the vital levee at the harbor site, Carl A. Ranft, port manager for the Tri-City Regional Port District, said arrangements are being made for a rail spur as well as a roadway and barge loading and unloading facilities.

**Incumbents Opposed
in GC, Madison; Only
Two on Venice Ballot**

(Candidate data on page 10)

Quad-City area voters will go to the polls Saturday to elect two candidates to three-year terms on the three local boards of education. Polls will be open from noon to 7 p.m.

There will be opposition on the ballot in both the Granite City and Madison district elections, while two candidates in Venice are unopposed. Biographies of the candidates, along with answers to questions asked by the Press-Record, appear elsewhere in this issue.

Three candidates are seeking two posts on the Granite City board. They are incumbents A. L. "Pete" Metcalf, 2718 Cayuga street, and L. Monroe Worthen, 2845 North Michae, and Mary E. Church, 2145 Roberts avenue.

In Madison, incumbents William G. Schreiber, 1915 Harris street, and William Vavra, 1807 Fifth street, are opposed by Sherrell L. Byrd sr., 546 Meredith street, Venice, and Thomas E. Watson, 822 Reynolds street. Watson also is a candidate for city clerk in Madison's city election next Tuesday.

Unopposed in Venice are Mr. and Mrs. Donald Edwards, 2210 Missouri avenue, was admitted at St. Elizabeth Hospital at 2:15 p.m. Tuesday, with a deep laceration of the right leg. The boy reported he had fallen while swimming and playing in a mud hole near a construction site.

The boy's father said a large area was gouged from the leg, causing damage to tendons, and that therapy will be needed to restore use of the toes. It is not known what type of object caused the injury.

A sixth grade pupil at Washington grade school, Mark was near the construction site behind A. O. Smith Corp. with an older brother, Don, 14, a neighborhood friend and a cousin. The "Edwards" boys had been warned by their parents repeatedly to stay away from the excavations, the father said.

After the accident, the four boys walked to the nearest house where the occupant, the father said, the three companions then helped the injured boy to a second dwelling where the householder took the boy to hospital by car. The man who is hospitalized did not identify himself, Edwards noted.

Hits Utility Pole

A car driven by Susan Warren, 2231 Alexander street, was damaged at 10 p.m. yesterday when it struck a telephone pole in the 400 block of McCambridge avenue. She told officers that as she rounded the curve, the gas pedal stuck, causing her to lose control of the car. The auto was damaged in the left rear.

Members of the June 1919 class are: E. Veihl, valedictorian; William Holst, president and salutatorian; Robert K. Schaefer, secretary; Luella Detterling, treasurer; Margaret Coleman, Thelma Weissenborn, Ruth Lawin, Genevieve Turley, George Sligh, Frances Kell, Thelma McCullough, Buel Cotter, Della Hecht, Glynn Dodge, Flora Laager, Viola Luckert, Edna Ruyie, Bessie DeBow, Phyllis Nicodemus, Eugene Eisenbath, Henrietta Finke, Mae Reiley, Helen Gerfling, Maude Mueller.

Those who have passed are: Edward Moschel, Oliver Winkler, Wanda McEllan, Elmer Miller, Russell Moore, Fred Rueb, Leila Taylors, Marie Lehman and Goldie Steingberg.

Member of the January 1919 class Veihl would like to get in touch with are:

Thomas Marshall, president; Mildred Champion, vice-president; Bessie Dodge, secretary and salutatorian; Ruby Compton, treasurer; Raymond Bliehoff; Orville Brummer, James Dillie, Lucy Holmes, Mary Myers, Webster Wilcox and Harriet McReynolds.

Other members of this class who have since died are: Walter Winters, valedictorian; Minnie Champion and Conrad Luaders.

"We can locate enough living members of both classes," Veihl said. "I believe we can arrange a very enjoyable reunion, possibly around the time—and in conjunction with—the graduation program for the June 1969 class."

**Boy, 12, Cuts Leg
Severely Tuesday
While Swimming**

A young Granite City boy was hospitalized Tuesday with a severely lacerated leg, incurred while swimming in a construction mud hole. He probably faces a lengthy series of therapy treatments after the deep wound heals sufficiently, according to his father.

Mark Edwards, 12, son of Mr. and Mrs. Donald Edwards, 2210 Missouri avenue, was admitted at St. Elizabeth Hospital at 2:15 p.m. Tuesday, with a deep laceration of the right leg. The boy reported he had fallen while swimming and playing in a mud hole near a construction site.

Rain Saturates Excavations; Causes Problems for Autos

A drenching rain during Tuesday night's electrical storm caused further saturation of the ground in Granite City's sewer excavation areas, causing a water main to break and a collapse of streets in a few areas where motorists were trapped.

The gauge at the Chain of Rocks Canal locks measured a fall of 28 inches.

A 15-foot geyser of water shot into the air from a break in a main at 2145 East 24th street at 5:30 a.m. Wednesday, and a repair crew from the East St. Louis & Interurban Water Co. was dispatched to the scene immediately.

There was no disruption of water service, though the pressure was reduced for a short time.

21 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Clinton Carrico, 719 Twenty-seventh place; Mildred Harris, 2832 Washington avenue; Lonnie E. Smith, 907 Third street; Venice; Jeannette Ballard, 1963 East 24th street; Ronald McCurtrey, 2457 Illinois avenue; Wilma Harris, 2131 Edison avenue.

Contract for New Arlington Hgts. Road is Awarded

Contract for construction of the new Arlington Heights road in Nameoki township has been awarded to MacIair Asphalt Co. of East St. Louis, on a low bid of \$62,692, Charles Hanks, Nameoki township highway commissioner, notified.

Nameoki township board in regular meeting Tuesday night.

Hanks said the project will be financed with Nameoki township motor fuel tax funds which have accumulated with the state highway department to accomplish the improvement.

The contract was awarded Tuesday afternoon by the county highway department which will handle the construction work. The MacIair bid was the lowest of two offers. The other was submitted by A. H. Sebold Co., totaling \$63,035. The contract is subject to approval of the county board of supervisors in its meeting April 16.

20-Foot Paving

The new road will consist of 20-foot, two-lane paving with 12-foot shoulders. It will extend for one mile from the entrance to Arlington Heights golf course. Hanks said.

Only routine business was conducted during the township meeting at which none of the newly elected township officials appeared. The incumbent township board will conduct its next meeting on April 15 before turning over most of the township board posts to the new officials.

Harty Briggs, supervisor, did not attend Tuesday's session. He was attending a meeting of the Illinois County Officials' Association in Springfield.

Town Auditor Herbert Polley questioned Township Attorney Nick Vasiloff on the legal status of the Nameoki township annexation by Granite City.

Polley also questioned Vasiloff as to the feasibility of a suit against the city of Granite City and the East Side Levee and Sanitary district for condemnation of the Nameoki water sewer with Nameoki ditch, a move which Polley said threatens flooding conditions in Nameoki areas.

Vasiloff said that suit could be filed only in instances where the city has occurred such suits would have to be filed by the persons who were damaged, if and when flood waters cause such damage.

The board approved routine bills and adjourned to the April 15 date.

"It's the Principle"
"The \$30 is petty," he continued, "but there is the principle of the comptroller oversteering his powers. I don't believe he had the authority, especially since the city has an ordinance permitting a council member to be absent because of work. I had that checked out, and I was told the city law was correct. I am not a member on the matter," Nomm added.

The alderman added that the council met in at least 20 extra sessions during the fiscal year for which there was no added pay.

When asked about the deduction of aldermanic pay for Nomm, Comptroller Stevens told the Press-Record he based the action on state law which says—"All aldermen may be allowed two absences in each year for which compensation may be paid at the rate set by ordinance. The corporate authority may provide by ordinance that an alderman may miss more than two meetings per year and still receive payment at the set rate if he is ill in the nature of illness of the alderman or his family."

The city has an interpretation dated Dec. 26, 1968, from the Illinois State Board of Municipal League, Stevens added, that the "or other like cause" should only refer to illness in the nature of illness of the alderman or his family."

The IML alderman opinion further states, "It follows that a city may not lawfully provide by ordinance that an alderman's absence for the payment of alderman for meetings which are not illness (beyond the statutory number provided for) because of an alderman working an eve."

Seek Whereabouts of '19 HS Class Members

The year was 1919. It was late spring, with summer just around the corner.

The war to "make the world safe for democracy" had ended barely six months before. The war were still being drawn by horses, as were many other commercial vehicles, and the airplane was a novelty to most townspeople.

Boys wore short pants and long stockings, and girls' dresses were a far cry from today's mini-skirts.

It was in such a setting that 34 exuberant teenagers, after a series of appropriate graduation exercises, said "farewell" to Granite City High school from the stage of what is Central grade school today.

Now, 50 years later, two members of the June 1919 class—E. E. Veihl of Granite City and William Holst of Philadelphia—are trying to reunite. And they also want to include the 14-member January 1919 class.

Alderman Seeks to Abolish GC Office

**Wants Comptroller
Post Eliminated with
City Clerk Taking Over**

In a surprise move Monday night, Alderman Nomm submitted an ordinance, prepared without general council knowledge, for the abolishment of the \$10,176-a-year job of city comptroller.

His effort for immediate approval of the ordinance failed to receive a sufficient vote of the Granite City council, but it was placed on first reading, and will be resubmitted for adoption at the next session on April 21.

When questioned, Nomm said he had the ordinance prepared by Township Atty. William Schooley. The alderman stressed the abolishment of the office of comptroller and transfer of the duties to the city clerk and Stevens was running for the office of city clerk and was defeated by incumbent City Clerk Homer "Cal" Pendleton by a vote of 7006 to 4515.

Stevens was named comptroller by Mayor Partney with unanimous council approval upon the death of Comptroller John Doobier about 3½ years ago.

First Reading
The proposed ordinance brought forth considerable debate and failed on suspension of rules by a 10-to-6 vote, later Nomm's first reading by a vote of 13-to-3.

Following the council session, Stevens, alderman, said that Nomm had introduced the ordinance because he had been locked \$50 for being absent for a third council session in the fiscal year on March 24.

Nomm, who had left the meeting, was reached by the Press-Record yesterday and denied the report.

"The deduction of the \$30 had nothing to do with it, as I said during the council session, it's an economy move, and the council had better take steps to save economy with economy breaks. I have other plans for economy measures that I'll be introducing."

"It's the Principle"
"The \$30 is petty," he continued, "but there is the principle of the comptroller oversteering his powers. I don't believe he had the authority, especially since the city has an ordinance permitting a council member to be absent because of work. I had that checked out, and I was told the city law was correct. I am not a member on the matter," Nomm added.

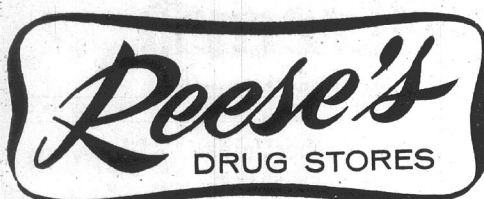

The alderman added that the council met in at least 20 extra sessions during the fiscal year for which there was no added pay.

A reception honoring National Amvets Commander Joseph V. Ferrino of Winthrop, Mass., will be hosted by Amvets Post 51 of Granite City at 6:30 p.m. Thursday, April 24, it was announced today by Post Commander Joseph Wickham.

Ferrino, a prominent Boston attorney, will arrive in the Quad-Cities several hours prior to the reception and has been invited to tour the Granite City Army Depot with his entourage of national, regional and state Amvets officials. The group will be escorted by Depot military personnel and Commander Wickham.

The mayors of the four local communities together with other area dignitaries and several distinguished visitors will attend the evening reception at the post home, 5100 Lakeview drive.

Included among the guests expected are Russell Dunham of Alton, world war II Congressional Medal of Honor winner; National Amvets bugler Andy Sgroi of St. Louis; Rev. Fr. Edward Filipiak, National Sad Sack chaplain; Rabbi Alvin D. Rubin of Temple Israel, National Am-

The national commander served with both the U. S. Maritime Service and the U. S. Navy during world war II. He attended Boston English high school and received his AB degree from the University of Alabama, majoring in government and history. Later, he was awarded his LLB degree from Boston University.

Roca Members to Attend DeMolay Installation

The invitation was extended by Randy Fowler, new DeMolay senior counselor, in an effort according to Evans, "to eliminate any past misunderstandings between the clubs and to promote brotherhood between the clubs."

The celebration will follow the debut of Parsons and Rogers members Harry Diak and Mark Rigsby in the Masquers presentation of "A Funny Thing Happened on the Way to the Forum" that evening at the Webster school auditorium in Collinsville.

The rear of an auto driven by Philip G. Kraft, Springfield, slowed to make a left turn from Fehling road onto State street, was struck from behind by a car driven by Gary W. York, 3345 Palm street, at 4:30 p.m. Tuesday.

Autos driven by Bernice V. McFalls, 3024 Buxton avenue, and Barbara M. Wood, Rural Route Two, collided at 2:35 p.m. Tuesday at 22nd street and Washington avenue. Both were damaged.

and the thank of Commander for outstanding service to the community and the nation.

He has long been personally involved in veterans' and community affairs. Ferrino served as a member of the Executive Board of the Boston Council of the Boy Scouts of America. He has served as chairman of the Annual Pilgrim Awards Dinner for several years, as moderator of the annual Veterans' Convention, and as chairman of the Red Cross and Salvation Army fund raising drives.

Other community interests include participation in the Red Cross, the Executive Committee of the Chamber of Commerce and the Kiwanis Club. He has served as military aide to Governor Furcolo, as well as having served on the Evaluation Committee of the Boston Public Library.

Ferrino is expected to discuss issues of concern to national veterans' organizations at a press conference, slated for 2 p.m. April 24 at Post 51.

Sunday meetings will be held at 7 p.m. for the duration of the warm weather season, rather than in the afternoon.

It was reported by Ralph Thompson, treasurer, that the club netted \$225 from a recent car wax.

A discussion was held on suggestion by Brad Cross to invite two former dog addicts to speak at a future meeting. The two spoke recently at the First United Presbyterian Church which Cross attends.

"Ten Little Indians" will be the title of the senior class play to be presented next Wednesday evening at 8 p.m. under the direction of Richard King.

Slowing to make a right turn, an auto driven by Morris Smith jr., St. Louis, was struck in the rear by a car driven by Roger P. Love, 2721 Myrtle avenue, at 7:15 p.m. Tuesday on 1500 Johnson road.

Leslie Pohn of Bethalto, a past president of the Madison County Historical Society, past district governor of Rotary, and a member of the Bethalto Rotary Club, was the featured speaker at the weekly luncheon meeting Tuesday at the YMCA of the Granite City Rotary Club.

His topic was on the history of Madison County and early Illinois. He said that when Madison county first was formed in 1812 the boundaries reached from the Mississippi River to

Residents from Wisconsin still travel to Madison county to verify land records as well as personal records. At this time taxes were assessed at \$1 per acre and the first tavern license was issued in 1814.

Illinois was admitted to the union in 1818 and the first capitol was built in Kaskaskia and later in 1820 was moved to Vandalia. The capitol there burned and was rebuilt. Then in 1837, the capitol was moved

to Springfield where two capital buildings have been built. Land was selling for \$1500 per acre about this time, later for \$1000 an acre and at the present much of the acreage is going for as high as \$5000 per acre.

Coal mines were of great importance to the area with 37 in and around Bethalto where none exist now.

Some of the first industry in this area were Standard Oil Refinery in 1906 and later Shell Oil built a refinery in 1920.

During the business session, John Polson, chairman of the Rotary Club's Modern Living Show, announced there are now 45 booths sold for the show to take place May 23-25 at Wilson Park Ice Rink.

A board meeting is planned for Wednesday, April 16, at 7:30 p.m. at the Illinois Power Co. and the Interact club will sponsor a car wash on Saturday at the Mobile Service Station, 20th street and Madison avenue.

Traffic Crashes Injure 6 Persons, Including Cyclist

Richard Tarr, 14, of 1739 Olive street, suffered minor injuries when he rode his bicycle from 21st street into the alley between Edison and Delmar avenues and struck the front of an auto driven by Leo C. Sprinkle Jr., Rural Route One, on Monday.

A 1963 van ran off the roadway and became wedged at an angle between a tree and utility pole on the 4000 block of Lake drive about 8:30 a.m. yesterday.

The driver, Louis Green, 61, of Rural Route One, was assisted out of the vehicle by Ponton Beach police officers who said the right side of the truck was damaged and the door had to be pried open to release the man.

Green told police the accident occurred when he lost control of the vehicle. He sustained cuts and swelling above the right eye.

Passenger Injured
An auto driven by Robert Kirkpatrick, St. Louis, crashed through barricades on Madison avenue at 23rd street and continued to 24th street where he drove over a mound of dirt and adjacent to an excavation where a water main is being relocated at 4 a.m. Wednesday.

Complaining of pains after the mishap was a passenger, Martha Boyer, 28, of St. Louis. Kirkpatrick, who said he had struck a pole earlier at an unknown location, was charged with reckless or careless driving.

Walter R. Fix, 34, of 428 Margiana Fix, 32, both of 428 Margiana drive, complained of pains after the auto was being driven was struck from behind by a car driven by Ella May

WO David Bourbon Arrives in Vietnam

Warrant Officer David A. Bourbon, a helicopter pilot and son of Mr. and Mrs. Arthur C. Bourbon, 2455 Waterman avenue, notified his parents by radio this week that he had arrived safely in Vietnam and is at Phan Thiet near Saigon.

Bourbon, who enlisted June 26, 1967, received his wing at Hunter base in Georgia and is now training at Gray AAF in Killeen, Tex., where he is assistant operations officer and assistant training officer. He left the U. S. for Vietnam on March 24.

His address is WO David A. Bourbon, W315901, B 7717th Air Cav, APO San Francisco, Calif., 96322.

Enlists in Marine Corps

Michael Southwick, son of Mr. and Mrs. Fred Southwick, 3009 Myrtle avenue, has enlisted in the Marine Corps and is to report for active duty Aug. 6. He is to receive eight weeks recruit training at San Diego and four weeks advanced infantry training at Camp Pendleton, Calif.

Southwick, who enlisted at the local recruiting station in the city hall, will return home on a 20-day leave upon completion of his training and then will receive orders for technical training or for a post or station for "on the job training" for one of more than 400 specialties available to Marines.

Reinhardt, 2805 Iowa street, at 8:45 a.m. Tuesday on State street at Niedringhaus avenue. Fix was observing a stop sign. Irene Bryant, 40, of St. Louis, was injured when her auto struck the left rear of a car driven by Darrell Harbison, 3032 Nameoki drive, at 4 p.m. Wednesday at West Ponton road and Route 203.

Walter R. Fix, 34, of 428 Margiana Fix, 32, both of 428 Margiana drive, complained of pains after the auto was being driven was struck from behind by a car driven by Ella May

Dogs Big County Problem; May Seek Change in Law

Dogs—approximately 80,000 of them—are creating a monumental problem in efforts to license or tax them under existing state laws, resulting in a move by Madison county officials to obtain statutory amendments that would help solve the difficulty, Assistant State's Atty. Marshall H. Smith, announced today.

Smith said that under present laws, town assessors are required to count all dogs in their townships and to collect a license fee. If the fee is not collected, it is to be attached to the personal property tax bill by the county clerk. Such money collected first must be used to pay damage to livestock caused by dogs. If not used by March 31 each year, the money goes to the county rabies control fund.

Smith said the law is virtually unenforceable since it provides only a \$5 to \$10 fine. He said that the amount of money collected for the year ending last Nov. 30, amounted to \$1897. "It is apparent, there aren't many dogs being counted considering that real estimates place the dog population at one dog for every three people, or 80,000 dogs in Madison county at present.

Further complications result, Smith said, from the fact that assessors, when they do count dogs, do not specify whether a dog population in an incorporated city or village, or in unincorporated areas, which leads to a "mild dispute" with the city and damages over how much of the money is due them.

Law Has Limitation
Another law allows counties to license dogs in unincorporated areas, Smith said, but it limits such action to counties having a population of more than 250,000.

"If the county board could get this population limit reduced to 200,000, we could leave the cities on their own with the dog problem and the county could handle the dog problem in the unincorporated areas which would make more sense to the dog owners and the different governmental units," Smith said.

For that reason, the Rabies Control committee of the county board will recommend that

steps be taken to reduce the population limit and to ask each municipality to release any claim they may have on the law to defend itself against its Arab neighbors unless there is intervention by major powers, Madison Rotarians are in the incorporated areas.

"If this plan is approved by the county board the assessors would be asked to count dogs only in the unincorporated areas and we could go on from there . . . and get our minds on bigger things than dogs," Smith added.

MORE ABOUT Burglars

gained by forcing the rear door.

Burglars broke into the National School of Music after making unsuccessful attempts to pry open the front door and a rear window, but nothing was stolen, according to police following a report at noon Wednesday. A rear door was pried open.

Burglars Take Cigarettes
Burglars broke into the Market Basket grocery at 2000 Edwardsville road about 12:30 a.m. today, but apparently took only a few cartons of cigarettes, Madison police reported. Authorities said they went to the store when a burglar alarm sounded and found the front window broken out by a piece of concrete which was found inside the store.

An unsuccessful attempt was made to break into the P. N. Hirsch store, 1328 Nineteenth street, it was reported at 4 p.m. Wednesday. Several pry marks were found on a rear door by a delivery man.

Donna Lorenz, 2817 East 24th street, reported at 8:40 a.m. Wednesday that her beige Buick Wildcat, containing credit cards and about \$7 in cash was stolen from the front seat of her auto. She was not sure of the location or the time of the theft.

Two Youths Caught
Disorderly conduct charges were filed against two youths who police said were caught attempting to steal a wheel and tire from a 1954 auto parked on the used car lot of Tri-City Auto Sales, 1800 Cleveland blvd., at 12:35 a.m. Tuesday.

They are Clarence A. Reichling, 18, of Leavenworth, Kans., and Carl D. Shumate, 17, of St. Louis, who were apprehended by Jay Simmons of East St. Louis, operator of the agency. Reichling also was charged with having no valid registration for his auto.

The two pleaded guilty to the charges. Each was fined \$100 plus \$10 costs on the conduct charges and Reichling was fined an additional \$10 plus \$5 cost on the vehicle registration charge. They were taken to the Madison county jail at Edwardsville in lieu of payment.

Two Wheels, Tires Stolen
Two wheels and tires, along with lugs, were stolen from a 1968 auto owned by Donald E. Westelman, 4062 Sara street, while it was parked in his carport, he reported Monday. The hubcaps were left behind.

Two Batteries Stolen
"Batteries from two new autos by Mathews Chevrolet, stored on a lot at 16th street and Cleveland blvd., were stolen during the weekend, it was reported at 1:30 p.m. Monday.

Margaret Gerbie, 1931 Edwardsville road, reported at 8:40 a.m. Tuesday that a dark 1963 two-door auto was stolen from her home during the night.

Marvin Post, 2232 Nameoki road, reported at 7 a.m. Wednesday that during the night someone cut the wire on a dog pen at his home and removed a red go-cart with a motor on it.

Two Batteries Stolen
Twelve-volt batteries were stolen from a 1968 auto owned by Ruth Houser, 29 Bermuda lane, and from a 1967 auto owned by Mary Earle, 2637 Edison avenue, while the cars were parked on the lot at Tri-Mor Bowl, it was reported at 9:40 p.m. Wednesday.

Ward Borrer, job superintendent for the S. M. Wilson Co. at the St. Elizabeth Hospital construction project, reported at 8:35 a.m. today that a two-cylinder gasoline welder valued at \$325 was stolen during the night.

It had two wheels with rubber tires, was red in color and weighed about 400 pounds. It was believed that a 4x10-foot sheet of plywood found at the scene was used to roll the machine onto a truck.

Reports Strongarming
Earl Sidney Davis, 1908 Fifth street, Madison, reported to police at 12:55 a.m. Tuesday that he was strongarmed and robbed of \$152 by three men, one of whom clubbed him and knocked him down with the butt of a pistol.

Davis told police he was walking in the alley in the 1500 block between The Third and Fourth streets when a car pulled up

Risk for Israel Seen in Big Four Talks, Club Told

Israel is strong enough to confront the threat of its Arab neighbors unless there is intervention by major powers, Madison Rotarians are told yesterday by Burton C. Bernard, Granite City attorney, who spent a week in Israel in January.

While talks between the U. S., Great Britain, France and Russia are some promise, they also involve much risk because Arab countries may seek to retrieve their June 1967 war losses without making actual peace with Israel, Bernard said.

He stressed that recognition of Israel and direct talks could lead to full peace, since Israel is prepared to make many concessions on territory, population and other matters, but he warned that terrorism and drop the goal of killing Israeli residents and destroying their nation.

4000-Year History
Bernard traced the 4000-year history of the Jewish people to the Holy Land, contrasting it with the fact that many of the Arab countries which oppose it were not created until after world war I.

Stands taken by Great Britain, the League of Nations and the United Nations give Israel clear title to its land, much of which was purchased from Turks and Arabs, he said.

It was primarily desert, and had little intrinsic value until Israel developed it with irrigation and hard work, it was noted.

Direct recordings made by Israel show that not only Nasser of Egypt but Hussein of Jordan, the latter regarded by many as a "moderate," appealed to their soldiers prior to the six-day war to "kill the Israel people and 'drive them into the sea,' Bernard said, adding that he has heard the recordings.

Democracy Vs Dictatorship
He compared the democratic processes followed in Israel with dictatorship and widespread deprivation and ignorance in many of the Arab countries despite the wealth obtained by Arab leaders from huge deposits of oil.

Noting that six million Jews were slaughtered by Hitler in world war II merely because they were Jews, Bernard said Israel's fight against its Arab neighbors was a fight for the defense of its homeland; their determination enables them to fight harder than invaders despite large amounts of armament provided to Arabs by Russia, which has gained a major foothold in the Middle East.

He was introduced by Leo Schermer, program chairman. President-elect Richard Nixon presided. Frank Fijan led singing, accompanied by Mrs. Valerie Stevens, and Fred Schmidt presented humorous thoughts.

Venice Board Renames Officers

Officials of the Venice Park district were re-elected during a reorganization meeting night in the Venice Park District Community Hall. The reorganization was scheduled following the April 1 park district election in which incumbent board members were re-elected without opposition.

The board re-elected William Ohlendorf as board president and John Mitchell, vice-president. Mitchell, a long-time board member, Mrs. Ola Mae Dandridge, was re-elected April 1.

The board also renamed Marion Groshong as park superintendent. Leroy Kutz as secretary, Margaret Fichte as treasurer and Harry Hartman as park district attorney.

The Venice board membership includes Ohlendorf, Mitchell, Mrs. Dandridge, Pete Ponce, Clifford Caudy and only routine business was conducted in last night's meeting.

At Edwards on Leave Prior to Alaska Duty

Airman First Class Robert E. Edwards Jr., is spending a 30-day leave with his parents, Mr. and Mrs. Robert E. Edwards sr., 3169 Carlson avenue. As a member of an Air Force crash crew, he will be assigned May 5 to an airbase in Fairbanks, Alaska.

A/2 Edwards, 20, was graduated in 1966 from Granite City high school and attended Southern Illinois University. A southwestern campus before enlisting in the service 26 months ago.

Memorial Fountain Turn-On Tomorrow

Arrival of spring-like weather will be officially noted by the Granite City park district tomorrow when the water and lighting system of Memorial Park fountain, opposite St. Elizabeth Hospital, will start operating for the seventh year.

Final overhaul of the illuminated fountain, including replacement of damaged and worn-out equipment and screens, was taking place today, according to Harold Brown, park superintendent, who said the cascading water landmark was placed in operation for the first time in September 1962.

barricade was removed when the excavation was filled and made passable at the end of the day.

Detour Sign Ignored
During the night, the rain caused the excavation to sink. An IPC crew was called out early this morning and replaced the detour sign, but the utility said motorists apparently ignored the sign in driving into the ditch.

In another storm-caused incident, a bolt of lightning struck the home of George Smith, 1705 Garfield avenue, at 2:25 a.m.

The fire department was called, and after investigating at the scene for about 15 minutes, firemen determined that there was no damage to the building or the contents.

Cougar Nine Awaits 2 Tilts Saturday at Greenville College

The SIU-SW baseball squad is slated for a total of three games this week, including a single contest at Lebanon yesterday against McKendree College and a Saturday double-header at Greenville College.

Last weekend Coach Roy E. Thompson of Granite City and Don Poes of Edwardsville, Mo., with the University of Missouri at St. Louis. The game will be played Wednesday, April 30.

The mound staff has jelled to two right-handers, B r u c e Thompson of Granite City and Don Poes of Edwardsville, Mo., with the University of Missouri at St. Louis. The game will be played Wednesday, April 30.

In reserve, if relief pitching is required, are Rick Wilber, Kirkwood, Don Rains, Granite City, and Maurice Sanders, Edwardsville. All three are right-handers.

Coach Bob Smith of Greenville has seven lettersmen back from a Panther team which had a 198 record of 19-4. His team opened its season with a 12-4 victory over McKendree.

The Greenville letter winners are: Pitchers—Bill McCall (8-4), Roy Johnson (4-1) and Scott Krause (6-3); infielders—Dave Truelson, Phil Banning and Steve Randolph; outfielders—Mike Randall and Keith Knight.

SIU-SW's infield lineup has stabilized with Gary Collins of East Alton at first base, Mike Scroggins of Roxana at third, John Belk of Fairview high at shortstop and Alan Weber of Edwardsville at second. Bob Reichert of Belleville is catcher and team captain.

In the outfield, only Granite City's Carl Benson is a sure starter. Three other outfielders, Alton's Dan Weaver, Collinsville's Jerry Pilcher and Valmeyer's Ron Rohlfing, are in a battle to gain the two remaining starter berths.

A freshman from McBride high, Jack Forstall, who lives in Jennings, has been battling Weber for duty at second base.

Cahokia Ace Blanks MHS Nine, 3-0

Madison was seemingly caught with its bats down Tuesday when it faced the Cahokia ace right-hander, Rodney Thomson. He earned a two-hit, 3-0 shutout in the contest at Cahokia.

It was Madison thrower Doug DeBoester's first game. He did well, striking out seven and allowing five hits with two walks, but was not backed adequately.

Cahokia scored one run in the sixth, while only one Trojan reached third base. Harold James and Dale Clinton got the Madison hits in the fifth and sixth innings.

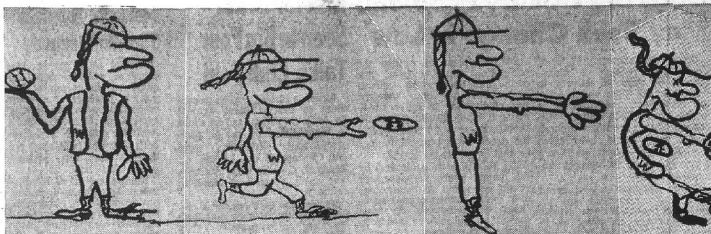

Today, the Trojans in their second Midwestern Conference game will play host to Bethalto at 4 p.m.

Tessary Averaging 74 for Golf Squad At SIU, Carbondale

After sweeping past Washington U. of St. Louis and Southeast Missouri in a triangular, Southern Illinois University's Carbondale golfers will attempt to make Missouri their fifth victim in seven matches at St. Louis' Crystal Lake Country club Saturday.

Harvey Ott of La Crosse, Wis., has been the Salukis' top shooter with a 73.0 average after three match rounds and has compiled a 5-1 record. Terry Tessary of Granite City is the next best medal player with a 74.3 average and a 3-3 record.

Mike Beckman of O'Fallon, Terry Rohlfing of Sparta and Steve Heckel of Carverville have racked up impressive records. Beckman and Rohlfing are 5-1 while Heckel is 4-1-1.

Following the dual duel with Missouri, SIU will host St. Louis and Murray State in a triangular at the Crab Orchard Country club April 18.

Fast-Pitch Softball Practice Saturday

The GC Steel Credit Union fast-pitch softball team will meet this Saturday at 4 p.m. at the Wilson Park softball diamond. Last Saturday's meeting was prevented by inclement weather.

Anyone interested in playing should attend or call Bob Patrick at 931-3699.

Ford, Tyus, Chandler Pace Trojan Trackmen

Once again Madison has excelled in track events and fallen short in field events. The result was that MHS placed second in a triangular meet at Triad Tuesday.

Scores were: Triad, 72; Madison, 54; and Highland, 32. The Trojan conquerors were: 120-yard high hurdles, Van Ford 1st (17.1); 2-mile, Alonzo Watts 2nd (11:35); 100 dash, Ed Chandler 1st (11.1); George Tyus 2nd; 800 run, Fred Franklin 2nd (2:14.1); Oscar Hampton 3rd.

Two-mile relay, Madison 1st (3:38.1); 440 dash, Tex Holmes 3rd; Dennis Hampton 4th; 190 low hurdles, Ford 1st (22.4); Dwayne Shaw 3rd; mile run, Oscar Hampton 3rd (6:31); Fred Ford 4th; 220 dash, George Tyus 1st (24.1); Chandler 3rd.

Mile relay, Triad 1st (Madison dropped the baton); shot put, Orvil Chapman 4th; discus, John Harper 4th (102-3); pole vault, Jim Stout tied for 3rd; long jump, Larry Mosby 3rd (18.7); Tex Holmes 4th (35.2); high jump, Van Ford, 3rd.

Nameeki-Pontoon Baseball Tryouts Saturday Morning

Nameeki-Pontoon Little League baseball tryouts will be held Saturday at 9:30 a.m. at the Nameeki grade school ball diamonds. All boys are required to bring their birth certificates.

Minor and Major League tryouts will be held on Diamond No. 1 for boys 8-12 years of age. They must be eight before Aug. 1, 1969, and not 13 before Aug. 15.

Senior League tryouts are to be held on Diamond No. 2 for boys 13-15.

All boys in the Nameeki-Pontoon area are invited to try out.

The leagues are in need of managers — one major, two minor and one senior manager. Interested parents may phone League President John Slay at 877-1008 or Vice-President Bill Van Scoyk at 931-0430.

Softball Program for 7th-9th Grade Girls

Granite City Park Supt. Harold Brown today asked that junior high school girls in the seventh, eighth and ninth grades this semester call him at the park district office if they wish to enter a new softball program this summer.

"The games will be played during the day, and we have set a \$20 entry fee for teams," Supt. Brown reported. "Each team is to have a roster of 20 players."

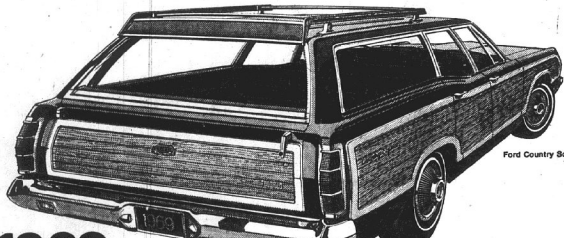

Sophomore Diamond Warriors Win 12-4

GCHS baseball sophomores prevailed 12-4 at Edwardsville Tuesday, chalking up nine unearned runs after the host team broke it wide open in the fifth inning, aided by enemy errors.

Trojan Tennis Team Takes 6-0 Trouncing
The very same Madison high school tennis squad took a sound beating from Roxana 6-0, in a road meet Wednesday.

However, Coach Roger Benson way said, "The boys showed marked improvement."

Inter-City Bats Will Begin Booming Sunday

Opening day for the 1969 season of the Southwestern Inter-City Baseball League will be this Sunday, with the six entries staging three games at 2:30 p.m.

Prior to the initial games, the league has called a meeting for 8 p.m. tomorrow at a Granite City Steel Co. office at 20th street and Madison avenue. Sunday's schedule sends Maryville to Mercer at Wilson Park Diamond No. 1, Granite City Steel Credit Union to Motor Motors at Collinsville, and East Alton to Pochontas.

Mercer Has Big Bats
The Mercer player-manager, Adrean Rains Jr., reports that his team will be strong at bat, with some defensive problems. The defensive weakness hopefully will be offset by the pitching of Adrean's two brothers, Don Rains and Jim Rains.

When Don Rains pitched for GCHS, he tallied a 26-6 record. Right now, he is starting in strong fashion for SIU-SW.

Jim Rains is now pitching for the Peru State University in Nebraska.

Until the Rains brothers return from college, Greg Wasylak will be pitching for Mercer. The team is essentially the same as last year. With an interchangeable infield consisting of Paul Kacera, Harold Tankersley, Dave Sparks, Larry Corey,

John Corey and Adrean Rains. Outfielders are Bob Ketter, Charles "Jo-Jo" Johannigmeier, Roy Logan and Steve Schardan.

Steelmen's Defense Better
Last year, Granite City Steel Credit Union was scored upon 100 times, with only 55 of those runs being earned. Team Manager Ralph Richter plans on a 100% improvement in defensive ball handling.

Aided by the opportunity to start this season with most of the players who finished with the team last season, his plans are believed to have foundation.

The tentative batting order leads off with Bob Lowey, a quick centerfielder who took a spring training in Florida, trying out for the Cincinnati Reds. Second at bat is Catcher Eddie Canada, a former Cretan Union player who is joining the team again after a period in the service.

The rest of the lineup is: Leftfielder, Revell Taylor, First Baseman Benny Smith, Shortstop Larry Dillard, Third Baseman Charles Stephens, Second Baseman Greg Wornick and either Steve Steff or Danny Repp in rightfield.

The pitching of No. 1 starter Steve Lengyel is strong and can be effective if the team's fielding holds up.

Lengyel will start this Sunday against Molitor.

Political Billboards May Lead to Arrests

A political billboard listing the names of incumbent Madison city officials seeking reelection which appears on a building at 13th street and Madison avenue will lead to prosecution of the owner of the building and the owner of the sign if it remains in place on Tuesday, the day of election, according to Marshall Smith, assistant state's attorney in charge of civil affairs.

The building is designated as a polling place and the sign would be in violation of election laws, being within 50 feet of a polling place, Smith said.

New Honor for Henley
Raymond L. Henley of Granite City, district agent of the Connecticut Mutual Life Insurance Co., has been certified as a member of the Million Dollar Round Table of the National Association of Life Underwriters for 1969, it was announced this week.

Granite City PRESS-RECORD

Thurs., Apr. 10, 1969 Page 7

Airman Loren Ebling Aboard Aircraft Carrier
Airman Apprentice Loren E. Ebling, USN, husband of the former Miss Rebecca S. Adams and son of Mr. and Mrs. Lawrence E. Ebling, 312 Old Alton road, all of Granite City, is serving aboard the attack aircraft carrier USS Franklin D. Roosevelt, currently undergoing overhaul at the Norfolk Naval Shipyard.

Estimated at a cost of \$44,000,000 this is the largest single overhaul ever to be undertaken at the Norfolk shipyard. The Franklin D. Roosevelt has been long known as the "Mediterranean Carrier" as 12 years of the 25 years of active naval service has been in the Mediterranean sea. The 17th deployment in August 1967, set a record that no other carrier can match.

Three Radar Arrests
Speeding tickets were issued to Jack P. Solberger, 3267 Westchester drive, Betty J. Melton, Hartford, and Paul L. Fuller, 49 Kaseberg Park, as traffic division police operated a radar unit on various Granite City streets.

Child Bitten by Cat
Deborah Langston, five, of 519 Jefferson street, Venice, was bitten about the shoulder and face by a cat Tuesday, Venice police reported. The cat was placed in the Venice pound for observation.

Boyles, Becker Spark League Baseball Win

Jeff Boyles, supported by a solid Warrior defense, pitched his second three-hitter, giving GCHS a 5-1 win Tuesday at Belleville West.

It was a Southwestern Conference game. The Warriors earlier played 1-1 ties in league games with Wood River and Alton.

Granite City in the top of the first inning grabbed two unearned runs.

During the second inning, Boyles gave away his only two walks of the game. They were followed by a hit, giving Belleville West its only run.

In the third, James Becker homered off GCHS, scoring two. Mike McGovern drove in the final run of the game when he singled in the seventh inning.

Grigsby Captures 2 Division of Track Triangular Meet

The Grigsby junior high track team was the overall victor in its three-way meet at West of Alton yesterday.

In the seventh grade division, it was Grigsby 77, west of Alton 57. In the eighth grade division, scores were Grigsby 92, Edwardsville 52, West of Alton 44 and Lewis and Clark of Wood division, Edwardsville totaled 72½, West of Alton 45 and Grigsby 45½.

Grigsby competitors winning more than one event were: seventh grade, Dwight Lewis, 120 yards over five hurdles 1st, and 120 over 10 hurdles 1st; Fred Trokey, shotput 1st, discus 1st. Eighth grade, Willie Arnold,

MORE ABOUT Alderman

ning shift at his place of employment." In presenting the ordinance Monday night, Nomm said Clerk Pendleton was agreeable to the additions to his duties. The clerk told the Press-Record it would be necessary for the separate offices in the city hall to be maintained for the financial department since he did not have adequate space in his offices. He said he did not know what size staff would be needed.

As the ordinance was submitted for final adoption Monday night, Nomm said Clerk Pendleton was agreeable to the additions to his duties. The clerk told the Press-Record it would be necessary for the separate offices in the city hall to be maintained for the financial department since he did not have adequate space in his offices. He said he did not know what size staff would be needed.

"Now's the Time"

Nomm replied with an emphatic "No." He added, "We're going to have to cut expenses to pay bills, and now's the time to start." His motion for suspension of rules was seconded by Alderman Johnson.

Fry asked who had prepared the ordinance, and Nomm answered that he had gone to Township Attorney Schooley to have it written.

Fry continued, "Any ordinance should go to the city at-

torney. There are many questions to be answered, and we should have an opinion from the city attorney."

Joining the debate, Moerlein commented he would support the ordinance for first reading but wanted time to look into the matter.

Whitmer spoke out again, saying that ordinance had not been handled in the usual manner. "I want to know the full story and if any pettiness is involved, give us time to look into it."

Nomm answered, "These are the words of the mayor in his campaign, and that's why I brought it up."

Mayor's Views

Mayor Partney said he would go along with the proposal provided a qualified man was in the job, such as a certified public accountant. Nomm pointed out that the late comptroller Doobler had not been a CPA.

Continuing, Nomm said only two more council sessions remain in the current fiscal year and that at the next meeting on April 21, action on the ordinance could be deferred to April 28, and the mayor could veto the council action. "Then this would become a dead issue."

His appeal for final action, failed to move Moerlein, who said there could be complications. "There are things here I don't understand."

Nomm called for the vote, pointing out that on final passage the action could be de-

ferred, paving the way for a show down vote at the April 21 meeting. Johnson added that the city could have a smoother operation with Clerk Pendleton working on finances with City Treasurer E. R. "Pat" Rich.

The vote on suspension of rules was 10-to-6. Voting for suspension were Aldermen Bartosik, Boyd, Poulos, Green, Bassarich, Nomm, Farmlay, Robertson, Dawes and Johnson. Opposed were Dallas, Moerlein, Whitmer, Rutledge, Fry and Jarrett.

On the first reading, the vote was 13-to-3, with "no" votes by Rutledge, Fry and Jarrett.

Debate Continues

Even after the roll call votes, the debate on the proposed ordinance continued.

Mayor Partney remarked that if individual aldermen started to bring in their own ordinances and resolutions there would be no need for a city attorney.

Fry presented a motion for Nomm's proposal to be reviewed by the city attorney for a legal interpretation.

Nomm then criticized the operation of the comptroller's office, saying the city had spent thousands of dollars to secure a bookkeeping machine and was not using it to an advantage. He added that there was little coordination between the office of comptroller and treasurer and recalled a promise that if the machine was purchased, office staffs could

be reduced by at least two persons.

"Now we have two sets of books and a lot of book passing," the alderman added.

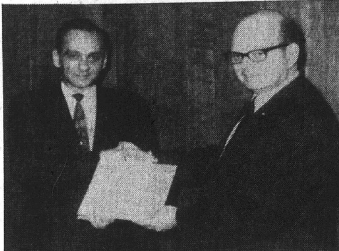

Fry pointed out the council had voted to establish two sets of books on recommendation of the auditor and that extra people were needed to maintain them. "That's what the auditor wanted, and he told us that two sets of books are required under state law. They are needed for a system of check and balance."

Alderman Rutledge, who was chairman of the Finance committee at the time the bookkeeping machine was purchased with only use by the accounting department in mind.

"It was later," he pointed out, "that we learned it was necessary for the city to have two sets of books, and now we don't know if the machine is doing the job."

"We have a good machine, but it still remains to be determined if it can do the expanded job now required since the treasurer also is keeping a set of books."

Solenberger Honored By Red Cross Chapter

John D. Solenberger, United Fund executive secretary who is leaving here this spring to accept a U position in Quincy, was honored by the board of directors of the Tri-City chapter, American Red Cross, at its monthly meeting Tuesday afternoon at the Trust & Savings Bank conference room.

Solenberger was praised for his active service as a Red Cross director. He was awarded a certificate of appreciation by Bernard T. Pinney, chapter chairman.

Resignations of two other board members, Ted Berger and Charles Ragan, also were noted. Mrs. Ruby Overbeck, Red Cross executive secretary, reported 222 services to military families in March.

Activities in March, which was national Red Cross month, American Red Cross, at its monthly meeting Tuesday afternoon at the Trust & Savings Bank conference room.

Mike Jesse, former local water safety chairman who had left to accept Red Cross employment in Texas, was reappointed as water safety chairman here for the 1969-70 year.

Parked Car Damaged

A parked car owned by Robert L. Grieve, 1008 Washington street, was damaged extensively while it was parked on a lot at 321 Madison avenue between 7:30 and 8:25 p.m. yesterday, according to a report to Madison police. Police said the driver of the car that struck Grieve's auto left the scene. Damage along the entire right side of Grieve's car will exceed \$150, police reported.

Levee District Wants Fees Owed It by East St. Louis

Efforts to collect unpaid sewer rental fees owed the East Side Levee and Sanitary District by the city of East St. Louis for sewage disposal by the levee district's Landowne treatment plant were initiated by levee district trustees in a meeting yesterday.

The board's action discussed that East St. Louis owes the district about \$15,000 in rental fees which the city has collected from about 2200 sewer users on an interceptor line that hooks into the levee district sewer in the Landowne area, none of which has been paid to the levee district during the two years its sewage treatment plant has been in operation.

On a suggestion by William "Mike" Ebersold, levee board members approved a motion to notify David Johnston, who serves as a consulting engineer to both the city of East St. Louis and the levee district, to appear before the board in its next meeting April 23 with a report on the city's intention of paying the fees.

Ebersold said he also had heard "rumors" that the city of East St. Louis plans to build its own sewer line and detach from the levee district facilities. He told the board that Johnston should be asked to explain the city's plans concerning future use of the levee district sewer, as well as its plans for paying the customer fees the city has been collecting.

The city of East St. Louis, it was said, has been collecting \$1 per month from sewer users hooked to the city's line which intercepts the main line of the levee district treatment plant.

Collectors have been made since the treatment plant began operations two years ago.

Sources at the levee district's pollution abatement office which handles collections of rental fees from all areas served by the treatment plant, including Madison and Venice, said payment of fees by the city to the levee district has been delayed pending an agreement between the two agencies over the amount to be paid on each dollar collected by the city.

In a recent meeting with levee district officials, Johnston said that the city "has in mind payment of around 90 cents" on the dollar, with the other seven cents applied to cost of billing and collection which has been done by the city.

The board yesterday also instructed Ben F. Day, manager of the pollution abatement office, to begin investment of collected sewer rentals set aside for bond payments in time certificates. Day invested \$30,000 of such funds in the Bank of St. Louis immediately after yesterday's levee board meeting. The funds will draw 5½% interest until they are needed for payment of bond principal and interest.

Board members also agreed to a plan for acceptance of the Monsanto pumping station, originally built by the U. S. Army Corps of Engineers, after repairs and improvements are made at the plant by the Army Engineers. A r m y engineers proposed turning over the station to the levee district several months ago, but levee board members balked on grounds the district had no money to install heat, water and other facilities. The board now has been notified the engineers will make the improvements and then turn over the station.

Claims totaling \$32,177 for the month of March and payrolls of \$24,824 for the last half of March and \$20,068 for the half of April also were approved by the board. Chief Clerk Ben Campbell said the two-week April payroll was higher because of overtime pumping operations due to frequent rains.

School Districts Elect Board Members Saturday

Three Seek 2 School Posts in Granite City

Voters of Granite City School District 9 will elect two school board members in balloting Saturday. Polling places will open at noon and close at 7 p.m.

Three candidates are seeking two board posts on this year's election. Those terms are expiring, Arthur E. Metcalf and Monroe Worthen, are seeking re-election. They are opposed by Mrs. Mary E. Church of 2145 Roberts street.

Board members are elected to three-year terms.

MONROE WORTHEN

L. Monroe Worthen, 35, is seeking his fourth three-year term as a member of the Granite City board of education. During his nine-year tenure on the board, he has served as board president for three years and as school district treasurer for the same period of time.

He is a Certified Public Accountant employed by the Ralph F. Curry accounting firm, St. Louis. He and his wife, Toby, and their two children, Cory, 11, and Beth, eight, reside at 2845 Fortune drive.

The incumbent board member attended Granite City grade schools and was graduated from Granite City high school and St. Louis University, where he earned a Bachelor of Science degree in Finance.

Worthen is a member of St. Peter United Church of Christ and the Granite City Jaycees. He said he wants to constantly try to improve business procedures in the school district, continue investment policies regarding idle funds and stresses careful planning of future new schools to reduce transportation costs among other improvements. He also advocates continuing experimental programs in the academic area, updating curriculum by investigating new methods, evaluating results after a fair trial period and retaining those suitable for our school system. He also believes in closely observing national trends in education, including teaching methods, and at all times recommends keeping an open mind in these areas—not retaining the same programs without change if newer ones prove more beneficial.

His answers to questions follow:

1. "In general yes—providing we could overcome certain operational problems, providing such a plan without loss of school aid. Certain problems would have to be worked out so that operating costs would not increase disproportionately in year-around operation, including renovation of buildings for this purpose."
2. "The biggest improvement I could hope for is an increase in facilities. Those we have are not adequate or properly located in some particular areas. If the physical size of the district and its present growth continues, we must be careful in planning future school buildings to reduce transportation costs. The initial outlay of new construction is tremendous, but saving in transportation is a never-ending cost. Therefore, new buildings should be located such a way to reduce this expenditure and to be more functionally oriented, rather than aesthetically oriented. We need to give the taxpayers the most for their money, meeting the educational needs and see that none is wasted on frills. This year the district will expend between \$225,000 and \$250,000 in bus transportation and this is a recurring cost each year."
3. "I would also hope to constantly strive to improve business procedures, bidding and pricing, to obtain the best quality goods, and to continue the policy of investment of idle funds."
4. "Yes—where feasible. Past experience indicates that it is the best method, as there are wide variances of quality and specifications in some items."
5. "Reimbursement of actual expenses is more realistic."
6. "Whenever possible and feasible. To pay-as-you-go is

advantageous to the district in tax savings, in terms of the interest you do not have to pay."

"I believe they should be paid on a basis commensurate with their duties and this should not be a problem. The present salaries are adequate."

"Final responsibility rests by law with the school board and elected officials. However, the board has to rely on information provided by the administrative staffs and others in making final decisions."

MARY E. CHURCH

Mrs. Mary E. Church, 45, of 2145 Roberts street, is seeking election in Saturday's school board balloting to one of two posts open on the board of Granite City School District 9. She is one of three candidates in the race.

Mrs. Church is a native of Illinois, Mo., and has lived in the Granite City area for 15 years. She is employed as a case worker at the board of the Namekiki township office.

She attended elementary and high schools in Illinois, Mo., and is a member of the Methodist Church.

She is a member of New Hope Chapter, OES, the Illinois Welfare Association and the Social Concerns Council of Granite City on which she presently is serving on two committees, the Family and Children unit and the Health Concern unit.

Mrs. Church has been active for many years in Girl Scout activities, has been a den mother and coach in Cub Scout activities for the past four years and is secretary for Cub Pack 96.

She has been active in school activities of both Missouri and Illinois for the past 20 years, serving as delegate to the St. Louis school board from the North St. Louis area for two years prior to moving to this area.

She is a charter member of the PTA at Cottage and Grigsby junior high schools, has been a member of the PTA unit at Namekiki, Central and Maryville schools and now is a member of the Grigsby PTA, holding all chairmanships of the PTA group.

Mrs. Church now is serving her fourth year as a delegate of the PTA to the Illinois Congress of Parents and Teachers.

She is married and the mother of five children. She has a daughter now teaching in the Granite City school system, a son in her senior college year who will become a teacher, a son in junior high school and a son and daughter in elementary school.

Her objective in seeking election to the school board is a hope for accomplishment of many improvements which she said she feels are needed in the Granite City school system.

"I believe a member of the school board should have children in school, and I believe it is time that a woman serves on the school board," she said. "I hope to do what I can to see that the taxpayer gets full value for his tax dollar. I believe that our schools are not properly built, or we would not need pots and pans in school rooms to catch water dripping from leaky roofs. I believe new schools should be built where they are needed to save cost and difficulty of transportation. I believe also that the school board has taken too much authority away from the teachers."

Her answers to the questions:

1. "This is a pretty difficult question and a controversial one. Yes, I believe I would favor it if it could be done without loss of school aid."
2. "There are many improvements needed. School repairs are essential in many places, schools should be built where they are needed and a policy given more authority to teachers and principals is necessary."
3. "No. Too much authority already has been taken from principals and teachers."
4. "Yes."
5. "Actual listed expenses."
6. "I believe this would depend upon the type of item and the money available."
7. "A fair reasonable fee. A school board member should be interested in the position for the good he can do for the school system and our children rather than the money he can make out of it."
8. "No."

ARTHUR METCALF

Arthur L. Metcalf, 2718 Cayuga street, incumbent member of the school board of Granite City School District 9, is seeking re-election in Saturday's school elections.

Metcalf, 60, has been employed at the Granite City post office for 33 years, serving as superintendent of mails for 17 years and during the past six years as assistant postmaster.

He was born in Washington county and has been a resident of Granite City 57 years.

He attended schools in Granite City, graduating from high school. He holds a certificate of accounting from Illinois University and attended night classes in business and administrative studies.

He is a member of the Dewey Avenue Methodist Church.

Metcalf is a past president of the Twilight Optimist Club, Local Chapter of Moose Lodge of the Moose, Eagles Lodge, Mexican Honorary Commission, Officers Open Mess at the Granite City Army Depot and an associate member of the Madison County Police Association.

He has been active in union activities for the past 40 years and is a member of Electrical Workers Union 915, Boilermakers of East St. Louis, Teamsters and Chauffeurs Union 61, Letter Carriers Union 1132, Postal Clerks Union 182 and presently a member of Supervisors Union 211.

He is a member of the secretary of both the carriers and clerks unions during his membership in the past four years and is secretary for Cub Pack 96.

He said his interest as a board member lies in bringing about every possible improvement in the Granite City school system wherever such improvement is needed.

His answers to the questions:

1. "I am definitely in favor of this if it proves feasible. We definitely need the full use of our school facilities."
2. "I have no specific issues in mind at the moment, but I am constantly striving to bring about improvements in the school system wherever they are needed."
3. "If I feel it is up to the school board to see that the system is run properly, but the administrative job should be left to the school administrators who are trained in that line of work."
4. "Definitely—always. Bidding is the only way to obtain the best materials, supplies and labor at the cheapest possible cost."
5. "I definitely favor a pay-as-you-go basis. I am strongly opposed to operating in debt."
6. "Definitely."
7. "I believe the board should have the final say on policy, but it should be done with the cooperation of others."

He said he is seeking election to the school board, "because I want to see our children get the best education that our money can give them. We need a junior college in the Tri-City area, also a school for the handicapped. Our driver's training program could be improved by adding another car."

Johnson was an unsuccessful candidate last year to fill a two-year unexpired term on the Venice board of education.

His answers to the questions:

1. "Yes, I think I would favor this, depending on how badly the services are needed."
2. "Not necessarily the low pay. They should work on these jobs than people actually think, especially in the treasurer's position. I believe the duties performed."
3. "Yes. As the elected representatives we certainly try to do this in Venice."
4. "I hate to go into debt. But there are times when you have to, depending on how badly the services are needed."
5. "Not necessarily the low pay. They should work on these jobs than people actually think, especially in the treasurer's position. I believe the duties performed."
6. "Yes. As the elected representatives we certainly try to do this in Venice."
7. "Not necessarily. I believe you get what you pay for and the most qualified person should do the job."
8. "Policies should be set by the board, but others concerned should be consulted and an agreement reached."

Since additional classrooms have been added, I believe improvements should now be made to the shower and locker room facilities.

Yes, No, I don't think so. These should be left to the school administrators.

Yes on all major purchases.

Fixed allowance appears to be best and stay within figures. It is too easy to run up large bills if all expenses will be paid.

School Candidate Questions

1. Do you favor year-around operation of schools with staggered quarterly vacations, without loss of state aid?
2. What improvements do you propose for the schools?
3. Do you favor the board handling administrative duties?
4. Do you favor competitive bidding on all purchases?
5. Do you favor reimbursement of actual listed expenses rather than fixed allowances?
6. Do you favor a pay-as-you-go policy rather than borrowing to meet operational or construction costs?
7. Do you favor the lowest possible secretary and treasurer pay so that the two positions do not become patronage prizes?
8. Should the school board have sole responsibility for school policies and not allow others to set them?

Venice Candidates without Opposition in School Race

A light vote is anticipated in Saturday's school election in Venice School District 3 where there is no opposition for two board memberships.

Fred Rumpf, incumbent member of the Venice school board, is seeking re-election. The other candidate is Willie C. Johnson of 500 Third street.

Both candidates therefore will be elected by default in Saturday's election.

FRED RUMPF

Fred W. Rumpf, 42, of 620 Washington avenue, Venice, is a candidate for his second three-year term of office on the Venice school board.

Initially appointed to the board in October 1965 to complete the unexpired term of a board member who left the district, Rumpf later won his first full term in the April 1966 election.

Rumpf attended the Venice grade school and was graduated from Venice high school. He also attended Southern Illinois University-Carbondale campus for one year.

A cement mason by Leo Wolf construction company. He is a member of "Cement Masons Local 90, Venice Lions Club; Venice-Madison American Legion Post 307; International Brotherhood of Carpenters and Joiners of America; Venice Crippled Children's Organization and until recently served as secretary of Venice Boy Scout Troop One."

He and his wife, Alice, are the parents of Terry, 16, a Venice high school junior, and Christine, 13, an eighth grade pupil at Venice grade school.

"At the present time, I do not believe year-around operation of schools is necessary in Venice and I am not much in favor of children going to school during the summer months."

"Recent completion of new classroom areas has provided needed space. Financial condition of the school district is strained and we are not proposing any major improvements at present."

"On occasions, when necessary. Specifically when assistance is asked by the school administrators."

"Yes. However, I do favor purchasing school items from firms in the Quad-City area if possible, rather than pay a little less and make purchases out of town."

"A fixed allowance with the understanding that board members return to the district to do this in Venice."

"I hate to go into debt. But there are times when you have to, depending on how badly the services are needed."

"Not necessarily the low pay. They should work on these jobs than people actually think, especially in the treasurer's position. I believe the duties performed."

"Yes. As the elected representatives we certainly try to do this in Venice."

Not necessarily. I believe you get what you pay for and the most qualified person should do the job.

Both Incumbents Opposed in Madison

Two incumbent members of Madison School District 12 board of education whose terms expire this year are opposed in their bids for re-election in Saturday's school election.

Seeking new terms are Board Member William Schreiber of 1913 Harris street, and Board Member William Vavra, 1807 Fifth street.

They are opposed by Sherrell L. Byrd, 545 Mercedia street, Venice, and Thomas E. Watson, 922 Reynolds street, Madison. Watson also is a candidate for city clerk of Madison in the city elections next Tuesday.

Sherrell L. Byrd sr., 44, of 545 Mercedia street, Venice, is seeking his first term on the Madison board of education. He is a welder at the A. O. Smith Corp. plant and formerly was employed by General Steel four children—Sherrell Jr., now a high school senior in Paris, Ark. He has resided in this area since 1951.

He is a member of the Bethel Methodist Church and a member of the church choir, is a past member of the Boy Scouts in which he served as a neighborhood commissioner and as an assistant district commissioner for the Cahokia Mound Council, and is a member of the Disabled American Veterans, having served during world war II.

He and his wife, Vergie, have four children—Sherrell Jr., now serving with the Army in Vietnam; a daughter, Carolyn, a student at Southern Illinois university-Southwestern campus; a son, Dennis, a Madison high school student; and another son, Stanley, a Dunbar grade school student.

As his reasons for seeking public office, Byrd said he is "very interested in serving the public as a whole, and it is my desire to work hard and do my best for the local educational system."

His answers to the questions:

1. I would have to give this considerable thought and study before I can answer it.
2. Yes. At Dunbar grade school, there is a lack of private lockers for each child. Lately there have been several cases where lockers were stolen as they are hung along the hallway walls.
- 3 to 8. I cannot answer these without giving these some study and discussing the questions with others more familiar with the questions.

William Vavra, 50, of 1807 Fifth street, is seeking his second full term on the Madison board of education.

He is a salesman for the E. A. Friedman Co. store in Madison. He is a member of Venice-Madison American Legion Post 307, Madison Amvets post 204 and the Croatian Fraternal Union Sports Club. He and his wife, Angela, have one daughter, Sharon.

As his reason for seeking the post, Vavra said, "It is every man's civic responsibility to serve his community, and I have selected the school board. Our administrators are young, talented, ambitious and aggressive. We have new programs and will have more new programs."

Divorce Granted

Virginia L. Harrison, Granite City, received a divorce from Donald Eugene Harrison, San Diego, Calif., in the Granite City division of circuit court Wednesday morning. They were married Dec. 1, 1960, at Denver, Colo., and separated last Dec. 16. Mental Cruelty was granted. Custody of two children was given to the mother, and the father was ordered to pay child support of \$65 per month for each child.

Bids April 16 on Truck, Worthen Park Building

A 5 p.m. Wednesday, April 16, bid deadline has been set by the Granite City park district on construction of a new room building at Worthen Park and provision of a half-ton pickup truck.

WILLIAM SCHREIBER

William G. Schreiber, 46, of 1913 Harris street, Madison, is seeking re-election as a member of the Madison board of education.

He is employed as a planner in makeup at McDonnell-Douglas Inc. in St. Louis. A native of Madison, he attended Madison schools, a vocational trade school and received schooling while in the military service.

He is a member of St. John United Church of Christ, Madison Amvets Post 204 and the International Association of Machinists. He has served on the Madison township board of auditors since 1961. He and his wife, Virginia, have a son, Michael.

As a reason for running, he agreed with a statement issued by Vavra: "It is every man's civic responsibility to serve his community. I have selected the school board on which to serve. Our administrators are young, talented, ambitious and aggressive. We have new programs, we will have more new programs and I think we will have one of the best districts in the country."

His answers to the questions:

1. "Yes, I think that is what it is coming to."
2. "I favor improving the vocational and business departments and areas which will benefit high school graduates who do not continue their formal education in college."
3. "No."
4. "Yes."
5. "I favor reimbursement of actual expenses."
6. "I favor a pay as you go policy."
7. "Yes."
8. "Superintendent, principals and other administrators should work with the board on matters of policy."

As his reason for seeking election, he said the district has problems, pointing to the teachers strike last fall and racial troubles the year before. "The board could do better and could be improved," he said.

His answers to the questions:

1. No.
2. I could not really say. We have quite a political tie with the city. Until an outsider can get on the board to find out what's going on, recommendations will have to wait.
3. No, but perhaps to a minor degree. The superintendent and principals should handle this.
4. Yes.
5. Yes.
6. Borrowing is all right if necessary.
7. Yes.
8. Regarding regulations in the schools, the teachers and principals are better informed than board members.

RETURN TO TEXAS BASE

Former local residents, Major and Mrs. William Love and daughters, Carrie and Cindy, returned Monday to Bryant, Tex., where he is stationed with the Army.

They had spent the holidays with their parents, Mr. and Mrs. William V. Love, 2549 Hodges avenue, and Mr. and Mrs. Floyd Hubler, 3027 Wayne avenue.

They also visited in the home of Love's sister and brother-in-law, Mr. and Mrs. Frank Pierce, Mrs. Love's sisters and brothers-in-law, Mr. and Mrs. Kenneth Carver and Mr. and Mrs. Donald Brown, and other local relatives and friends.

The Loves both attended local elementary schools and graduated from G.C.I.S. The major graduated from the Missouri School of Mines at Rolla, where he received his military commission.

TROOP MARKS HOLIDAY

A belated party and Easter egg hunt was held on the grounds of Marshall school Tuesday for member of a newly-organized Brownie troop under the leadership of Mrs. Vera Kidman and Mrs. Faye Wentz, assisted by the consultant, Mrs. Doris Stone.

Boyce Clark led the Brownies in the pledge of allegiance and Ellen King led the scout promise. The leaders accepted dues and registration fees and Mrs. Wentz conducted a game period and song festival.

The prospective scouts were reminded to learn the promise and to make "leaves of good deeds" in preparation for an investiture ceremony at the school April 24 at 7 p.m. The parents will be invited to attend. The Brownies may wear uniforms at that time.

An Easter hunt was held and prizes were awarded to Janet Nunes, Christy Ann Peach and Ellen King.

The troop planted flower seeds in a colored eggshell filled with peat moss, and several of the girls were appointed to be gardeners to supervise growth of the troop's garden.

The meeting adjourned with a disappearing tunnel and singing of "Good Night, Brownies." A decorated lamb cake, provided by Mrs. Wentz, was served to those mentioned and Peggy Sue Ervin, Debbie Handlon, Laurie Holloway, Carol Kidman, Michelle Mirebel, Kim Ragan, Karen Roberts, Sharon Werner and Lisa Heady.

The troop will meet every Tuesday from 3 to 4 p.m. in the school cafeteria.

WEBSTER PARENTS

TO ELECT NEXT WEEK

Mrs. Mae Lee, president of the Webster P.T.A., has announced that a regular meeting of the unit will be held April 14, when an election of officers will be held.

Dale Rea, assistant to the superintendent of schools, will be guest speaker and will narrate a panel discussion on the preschool program.

Refreshments will be served by fourth grade room mothers.

APRIL CLUB MEETING

Mrs. Sharon Shaffer, 516 Bend road, was hostess to a monthly gathering of members of the Once-A-Month card club in her home Tuesday.

The evening was spent playing pinocle and other card games. Prizes were won by Mrs. Elizabeth Nash and Mrs. Marlene Johnson for high scores. Consolation prizes were won by Mrs. Donna Kagy and Mrs. Joan Yetter.

The hostess served a dessert luncheon following a social hour to prize winners and Mrs. Helen Schwendemann and Mrs. Cora Coppedge. Mrs. Schwendemann, 3004 Forest avenue, will entertain the group in her home for the May 13 meeting.

RETURN FROM EAST

Mr. and Mrs. Willie M. Speirs and children, Tammy, April and Alan, 2516 Delmar avenue, returned Tuesday evening from a week's motor trip through several of the Eastern states.

They were guests in the home of Mrs. Speirs' parents, Mr. and Mrs. Charles Kerns of Mariaville, Pa., during their stay. Mrs. Speirs is a former resident of southern Pennsylvania.

They were entertained at a party during the weekend and were guests of honor at an Easter dinner in the home of Mrs. Speirs' sister and brother-in-law, Mr. and Mrs. Hugh McClelland, also of Mariaville. Mrs. Speirs' brother and sister-in-law, Mr. and Mrs. James Kerns, arrived from Connecticut for the holidays.

The couple visited other friends and relatives there and also visited in Clarion before returning home.

BREAKFAST MEETING

A men's prayer meeting and breakfast was held at St. Suburban Baptist Church Sunday morning. Final preparations were discussed for revival services which began Sunday at the church.

Holding the revival is Rev. Harold Wayne Allen of Gallatin, Tenn. Song leaders are Mr. and Mrs. Barbara Lollar of Steele, Mo., brother and sister-in-law of Suburban Church members, Mr. and Mrs. James Minyard.

Services are being held nightly at 7:30, with a nursery provided. Special music is being presented each night by the junior choir, which is holding an attendance drive by being divided into two groups.

Present for the prayer meeting were Rev. Wendell Garrison, minister of the church, John Smith, Roy Fisher, Minyard, Al Mohorn, Art Junk, Bill Terrell, George Cook, Arley McFall and Richard Schwendemann.

HOSPITALIZED FOR TESTS

Mrs. Diane Wilson entered St. Mary's Hospital, Clayton, Monday and will be undergoing a series of tests for a week. She and her husband, Gary, reside at 306 West Chain of Rocks road. Friends wishing to send cards may address them in care of the hospital, 6420 Clayton road, Room 380.

EMMANUEL MEMBERS

LEARNING PORTUGUESE
Rev. Vernon Cuyington, pastor of Emmanuel Baptist Church, has announced that the church members are being taught Portuguese lessons in connection with the "Crusade of the Americas" while their revival services are being held nightly at 7:30. Evangelist is Rev. Paul W. Stouffer of Sao Paulo, Brazil.

He is teaching Portuguese phrases, one being "Cristo, a Unica Esperanca," which means "Christ, the Only Hope," theme for the crusades program.

The church members are participating in an antislavery contest, with a prize to be awarded to those bringing the largest number of people.

On Friday evening following the worship services, Rev. Stouffer will show slides which will reflect work being done in Brazil and at the Baptist Theological Institute, where he serves as director.

Plans are being prepared for a fellowship dinner Saturday at noon to give the evangelist and the church members a better opportunity to become acquainted. Edna Stagner will be in charge of the preparations.

On Sunday evening, a baptismal service will be held to climax the revival.

WYKOSTEKS ENTERTAIN

Mr. and Mrs. Tom Wykostek entertained a youth group from Suburban Baptist Church following evening services Sunday. The group met in their home, 2833 Dogwood drive.

Refreshments were served to Diane Means, Wayne Schwendemann, Mr. and Mrs. Richard Schwendemann, Gary Kierke, Sandy Smith, Skip Lloyd, George Smith, Donna Mohorn, Debbie Dye, Betty Baker, Carolyn Homberger, Kenny Wyatt, Paul Summers, Rick Goodman, Jay Wyatt, Diane Schwendemann and the host's three sons.

ENTERS HOSPITAL

Mrs. Sharon Tucker Rojas entered St. Elizabeth Hospital Room 127 with a virus ailment Monday. She and her husband, Richard, reside at 2825 Washington avenue with their children.

Youth Cut in Attack Has Plastic Surgery

Larry Clatts, 16, of 1342 Meridian street, one of two youths who said they were attacked, cut and beaten by a gang of six other youths at Fourth street and Cambridge avenue, has undergone plastic surgery as the result of several facial cuts and will be required to undergo further surgery, his family reported yesterday.

Clatts and Millard Martin, 17, of 1501 Edwardsville road, said they were walking to their homes when a car pulled up and the gang of youths attacked them. Clatts was cut over the bridge of the nose and under the left eye by one of the attackers who knocked both boys to the ground and kicked them, Clatts' mother, Mrs. Ruby Clatts, said. The assailants took what money the two boys had and fled, according to Mrs. Clatts.

Madison police said they had no report of the incident which marked about 11:30 p.m. Saturday. Sheriff's deputies at Edwardsville also said they had received no report of the incident. Roger Clatts, brother of Larry, said his brother told him that he and Martin were taken to the Madison police station and questioned before Larry was sent to St. Elizabeth Hospital where he was admitted.

HOOVERS RECEIVE WORD OF NEW GRANDDAUGHTER

Mr. and Mrs. Frank Hoover, 2811 Buxton avenue, received word by phone Easter Sunday that their son and daughter-in-law, Staff Sgt. and Mrs. Eugene Hoover, had become the parents of a daughter earlier that day.

The infant weighed seven pounds and has been named Aimee Michelle. The Hoovers have another daughter, Renee, two and a half years old.

The Hoovers reside in Abilene, Tex., where he is stationed at Dyess Air Force Base, having just returned last week from a three-month tour of duty in Japan. Hoover has served in the Air Force eight years, following his graduation from Granite City high school in June 1960.

The maternal grandmother is Mrs. Rona Porter of Gorman, Tex. The new infant was born on the birthday of her aunt, Mrs. Marlene Hoover Painter. The birthday was celebrated later in the afternoon at the Painter home, 2525 Buenger blvd.

Easter decorations prevailed throughout the house. A dessert luncheon was served to the honoree's parents, Mr. and Mrs. Frank Hoover and children, Karen, Roger and Ricky, Jim McCart, Mike Higgins, the

honoree's husband, John, and her children, Eric, Jeff, Donna Jr., Becky. Gift opening was held prior to refreshments being served.

Mr. and Mrs. Claude Bilbrey, 638 Lincoln avenue, returned home Sunday evening after spending the Easter holiday with their son and his family, Mr. and Mrs. Claude Bilbrey and children, Jimmy, Danny, Susan and Julie of Greensburg, Ind.

VENETIANS TO HOLD ANNIVERSARY DINNER

The Venetian Tops club met Monday evening at the Venice library with its newly-elected officers taking office.

Mrs. Jeannette Woodrome, leader, called the meeting to order and the members recited the pledge to the flag and the Tops pledge.

Roll call was taken, with members answering with the week's gains and losses.

Queen for the month of March was Mrs. Rebecca Bruce. Honors were shared by Mrs. Brenda Ervin and Mrs. Emma Yanko as queens of the week.

The chapter will hold its second

and anniversary dinner at the Heritage House in St. Louis on June 23.

After the business meeting, some of the members took part in exercises.

Those present were Mesdames Bernice Komosa, Gloria Kowalski, Dolores Draper, Mary Fanter, Ellen Robinson, Carol Williams, Virginia Cochran, Annette Ahrens, Mary Ann Walsh, Birdie Fenton, Leola Carney, Ann Welch, Lora Hollis, Shirley Watkins and Albert Robertson. Miss Evie Ritz and Miss Julie Woodrome.

WOMEN'S GROUP PLANS FOR BARBECUE, PICNIC

St. Mark's Women's Society met Tuesday evening in the church basement with Mrs. Hattie Mulnik presiding.

Following the business session, Mrs. Jo Meyer of Illinois Power Co. presented a program on foreign cooking.

Following the program, the meeting was opened with prayer. Discussion was held on a

barbecue which will be held May 17 and 18, with Mr. and Mrs. James Miller as chairmen.

The school picnic will be held May 25, with Mr. and Mrs. Danny McGee and Mr. and Mrs. Robert Kalka serving as chairmen.

Election of officers will be held at the May meeting and a nominating committee was chosen to select a new slate of officers.

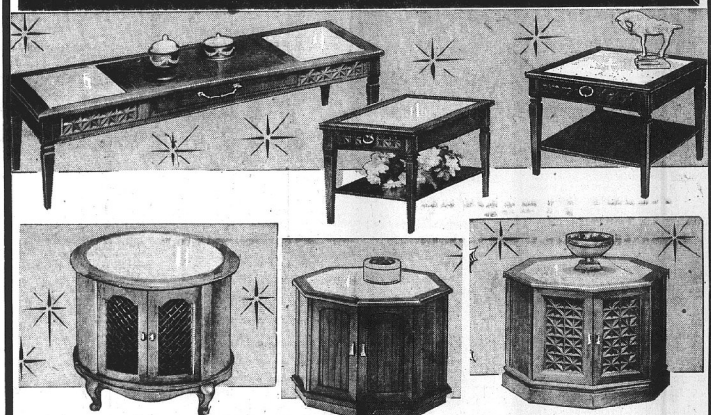

Those serving are Mesdames Eleanor Scaturro, Marcella Ashford, Thille McGarrahan, Cathy Heagy, Caroline Mahlerack and Pat Bilbrey.

Refreshments were served by the hostesses, Mrs. Joseph Schmidt, Mrs. Barbara Hadley, Mrs. Caroline Mahlerack and Mrs. Hattie Mulnik, to Mesdames Evelyn Tolliver, Grace Koelker, Stella Loftus, Clara Krause, Ann O'Shea, Marguerite Fichte, Barbara Burgerer, Rhea Buehne, Mary Svezia, Nadine Mesman and Margaret Lee and Sister Mary Bernard.

SOCIETY

Mrs. Barnhart Will Head Club

Mrs. Rita Barnhart will be installed as president of the Madison Junior Service club May 15. The annual election of officers was held at a monthly meeting of the club Tuesday evening.

Mrs. Jean Voegeli, president, presided over the business session, held at the Madison Memorial center.

Other officers elected were Mrs. June Barham, first vice-president; Mrs. Dorothy Smith, second vice-president; Mrs. Jeanette Kern, third vice-president; Mrs. Sharon Gregg, corresponding secretary; Mrs. Rita Lybarger, treasurer; and Miss Irene Hackett, recording secretary.

Board members will be Mrs. Jerri Friend, Mrs. Elvira Stagner and Mrs. Voegeli.

The installation will be held at the Stop Light restaurant. A donation was made for the Easter Seal Society fund. Reports were read and point sheets were approved.

A movie was shown on "Of Earth and Fire" by Mrs. Barnhart. It dealt with china and crystal.

Hostesses, Mrs. Adrienne Warchol, Mrs. Julia Voloski and Miss Irene Hackett, served refreshments from tables centered with daisies.

Individual daisies were at each place setting as favors.

Those seated included Mrs. Barnhart, Mrs. Barham, Mrs. Elvera Stagner, Mrs. Jackie Prizell, Mrs. Doris Paterson and a guest, Mrs. Shirley Clark, who will become a member of the club.

Sustaining members present were Mrs. Harry Thebeau, Mrs. Marcella Obranovich, Mrs. Earl Stanfill, Miss Marian Chizek, Mrs. Charles Delpe and a guest, Mrs. Wanda Kincaid. Prizes were awarded.

Job's Daughters Honor Initiates

Bethel 43, Job's Daughters, met Tuesday evening at the Masonic Temple. The meeting was opened by Mrs. Nell Baskette, Bethel Guardian, and Miss Marian Sullivan, honored queen.

Those escorted were Past Honored Queens, Debbie Toller, Marsha Love and Mrs. Eleanor Todoroff. The latter is also Director of Epochs. Plans were made at the meeting to attend the "Bonds For Braces" this evening in Belleville.

The following initiates passed the proficiency test as prescribed by the International Order of Job's Daughters: Sherri Teller, Debra Matchett, Kathy Parker, Angela Marlette, Cathy Lee, Kathy Parment, Rita Byrne, Lori Houser, proflis Benoit, Marsha Smith, Terry Crawford and Jeanne Timmons.

The librarian, Angela Epperson, presented her report, "Remember What The Lord Hath Done," and remarks were made by Mrs. Baskette, Miss Epperson, Dr. Anne Roper, promoter of fraternal relations and director of finance, and Miss Sullivan.

Birthdays were celebrated by Lynn Jacobemeyer, Shirley Brokaw and Mrs. Bonnie Sullivan. Refreshments were served by the Mothers Club and Debbie Pinegar and Bambi Signaigo used an "April Showers" theme in the table appointments.

Tea Here Sunday. For Dr. Ottwein

The Granite City Republican Women's Service League will give a silver tea Sunday from 2 to 5 p.m. in the YMCA gymnasium to honor Dr. Merrill Ottwein of Edwardsville, a candidate for state senator from the 3rd District in the April 29 special election.

Roy Lynn, Republican district chairman, will introduce the guest of honor, and Dr. Ottwein is to visit informally with the guests.

The league is inviting local residents to attend, and a number of public officials of the city, county and state have been invited.

Moose Women Hear Reports

Granite City Chapter 247, Women of the Moose, held a homemaker chapter night program last evening with Mrs. Betty Waugh in charge.

Hints on "homemaking" were given and a general discussion followed. There were also reports of the recent state convention given by Mrs. Edith Rodgers, senior regent, and Mrs. Marian Lipscomb.

Mrs. Rodgers announced the names of the nominating committee and urged members wishing to run for office to submit their names to the committee before April 28.

Committees are Formed by Club

Mrs. Vernie Von Nida conducted her first meeting as the new leader of the Whittle by Whittle club of the Take Off Pounds Sensibly National organization Monday evening at the East Side Levee and Sanitary District building.

Members recalled the Tops pledge and their joined in singing the "Tops Meeting Song." Weighing was conducted by Mrs. Jo Gipson, weight recorder. Mrs. Gladys Hutson called the roll, with members presenting pledges for the coming week. A financial report was given by Mrs. Gipson.

Honored as this week's queen was Mrs. Ruth Goad, who was presented with a jeweled tiara as the members sang "Hail to the Queen." The evening's prize was awarded to Mrs. Carmen Braddock.

Committees were formed for the coming year, with members being selected.

Serving on the contest committee will be Mrs. Jerry Skaggs, Mrs. Sharon DePew and Mrs. Sharon Rojas; auditor, Miss Mary Wetzel; membership, Mrs. Nady Bernaia; scrapbook, Mrs. Judy Greer and Mrs. Peggy Hackney; sunshine committee, Mrs. Norma Ruhl; and club newspaper, Mrs. Rosalie Brownbauer.

A discussion on revising the club bylaws was held, with some rules added or amended. The meeting closed with prayer by the chaplain, Mrs. Edith Rodgers, senior regent, and Mrs. Marian Lipscomb.

Mrs. Rodgers announced the names of the nominating committee and urged members wishing to run for office to submit their names to the committee before April 28.

MALCOLM THOMPSONS RETURN FROM MARYLAND Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge lane, returned Tuesday by plane from Silver Springs, Md., where they spent several days with their son and daughter-in-law, Mrs. Donald M. Thompson and Annette Thompson and their son, Marc Gregory.

Another son of the Thompsons, Ralph L. Thompson, spent the Easter vacation with his brother-in-law and sister, Mr. and Mrs. Stephen K. Johnson, in Cape Girardeau, Mo.

Dr. Donald M. Thompson has accepted a position for the fall at Georgetown School of Medicine in Washington, D.C., as an instructor in the pharmacology department. He will also do research on drugs and their effect on behavior. At present he is an assistant professor of psychology at the University of Maryland, College Park. His wife is an assistant professor of psychology at the American University in Washington.

HONOREE AT CRADLE SHOWER

Mrs. Shirley Goodall was guest of honor Tuesday evening at a cradle shower given at Mt. Zion General Baptist Church by Mrs. Peggy Buchanan, Mrs. Elaine Unger, and Mrs. Ruth Griffith.

Games were played and a number of prizes were awarded. Refreshments were served by the hostesses to 43 guests.

King, Linda Miles, Kathy Pfaff, Maggie Rill, Norma Ruhl, Elvira Sharp, Shirley Sobolewski, Judy Webb and Betty Young and Miss Judy Garrison. The club will meet next Monday at 7 p.m. at the levee building.

The cultural program was given by Mrs. Ashford on the "Caribbean and Central America."

Mrs. Pat Tsigaloff received the attendance prize and a vase. The next council meeting is pending at Mercer Mortuary.

Legion Unit 113 Ejects President

The American Legion Auxiliary, Unit 113, met last night with Mrs. Alma Klaus in charge. Mrs. Klaus, who was first vice-president of the Auxiliary, was elected president to fill the unexpired term of Mrs. Dorothy McCain, who is leaving the city to reside in Pana, Ill.

An initiation of new members was announced to take place at the next meeting with the Past Presidents Parley in charge. During the social hour following the meeting refreshments were served by the hostesses. Mrs. Esther Harris, who was elected, with prizes going to Mrs. Klaus, Mrs. Loretta Goeller and Mrs. Cecelia Matlock. Mrs. Melba Ward received the special award.

Mrs. Inez Niesporek, 37, Dies; Mother of 4

Mrs. Inez Niesporek, 37, of 2413 Iowa street, died of cancer about 10 a.m. today at St. Elizabeth Hospital, where she was a patient four days. She had been in ill health the past five years. A local resident for 24 years.

Mrs. Niesporek was born in Paragould, Ark. She was a member of the Apostolic Pentecostal Church, and was the church secretary.

Mrs. Niesporek is survived by her husband, Raymond; four children, Debra, Robert, Roger and Raymond III, at home; her mother, Mrs. Grace Hutchins of Granite City; three brothers, Earl Branch of Dyersburg, Tenn., Carl Branch of Troy, Ill., and Donald Branch of Granite City; and three sisters, Mrs. Opal Thompson and Mrs. Louise Payne, both of Granite City, and Mrs. Jewel Stark of Madison.

Funeral services will be held at 2 p.m. today at Mercer Mortuary.

Brink Takes Part in Ceremony at Kankakee

Nicholas R. Brink, director of manufacturing for the Smith Corp. Consumer Products Division, participated in a ceremony at Kankakee Tuesday marking the firm's manufacture of its 10 millionth water heater.

Brink was manager of the local auto-frame plant before being transferred to Kankakee. Also participating in the ceremony was Miss America, Miss Judi Ford.

The 10 millionth heater was presented to the city of Kankakee, a center offering adults basic elementary education in reading, arithmetic and basic science. During the ceremony, it was pointed out that 10 million heaters could raise the temperature of the Great Lakes to 85 degrees.

Larry V. Underwood Receives Promotion

Larry V. Underwood, 21, son of Mr. and Mrs. James A. Underwood Jr., Frederick, Md., and husband of Mrs. Frances Underwood of Granite City, was promoted to Army specialist five in St. Louis, where he is serving as a mail clerk with the U.S. Army Adjutant General's Publications Center.

Spec. Underwood entered the Army in November 1967, received basic training at Ft. Bragg, N.C., and was last stationed at Ft. Lee, Va.

Sorority Holds Officer Election

New officers for the year were elected by Alpha Xi Chapter of Epsilon Sigma Alpha sorority Tuesday evening at a meeting in the home of Mrs. Carole Poole, 2237 Lynch avenue.

The staff includes Mrs. Betty Colligan, president; Mrs. Virginia Peters, vice-president; Mrs. Carole Poole, secretary, and Mrs. Betty Arbelter, treasurer.

Mrs. Gerry Mendez, president, was in charge and four pledges were accepted. They will receive their jewel pins at the April 22 dinner meeting to be held at the Rose Bowl. In the group are Miss Carole Mooshegan, Mrs. Mary Modica, Mrs. Barbara Orris and Mrs. Carole Poole.

Plans were made for a bake sale Saturday, May 24, at Glick's Department Store in Bellemeade Village shopping center, beginning at 9 a.m. and for the next business meeting May 27 in the home of Mrs. Modica, 2341 Emert avenue.

Prior to the meeting the group met at the workshop of Mrs. Vasil Georgoff, 1347 Grand avenue, to view a ceramic exhibit. Hostesses for the evening were Mrs. Gerry Mendez and Mrs. Kathy Dohal. Others attending were Mrs. Carole Poole, Mrs. Betty Arbelter, Mrs. Barbara Orris, Mrs. Joyce Albers, Mrs. Sue Sanasarin, Mrs. Mary Firtos, Mrs. Betty Colligan, Mrs. Rosalie Buemi, Mrs. Virginia Peters and Miss Mooshegan.

Lesche Club Hears Report

The home of Mrs. R. G. Kleinschmidt, 2251a Edison avenue, was the place of meeting Tuesday afternoon for the Lesche Literary Club.

After a dessert course Mrs. John Gordon, president, called the meeting to order and welcomed sixteen members and a guest, Mrs. Kipling Pellet, a former member who has been reinstated.

Mrs. Henry George gave a talk on Civil Defense, and plans were made to attend the annual May luncheon of Church Women United May 2 at First United Presbyterian church.

Mrs. Norman Holinger presented a program on "Love Stories of the Bible," and Mrs. Floyd Henley gave the history of the Hymn of the Month, "The Old Rugged Cross."

The next meeting will be the 12:30 President's Brunch in the home of Mrs. Gordon, 3152 Colgate place, on May 13.

Mr. and Mrs. R. G. Kleinschmidt, 2251a Edison avenue, will entertain with a family dinner in their home Sunday honoring Mrs. Kleinschmidt's parents, Mr. and Mrs. Earl G. Galloway, on their 62nd wedding anniversary.

The couple was married April 13, 1907, and has spent all of their married life here. They have, besides their daughter, five grandchildren and five great-grandchildren. Two sons, Earl and Marshall Galloway, are deceased.

Until his retirement 12 years ago, Mr. Galloway was a partner in the firm of Galloway-VonGruening Plumbing and Heating Co. He was in business 50 years.

Mrs. Miner Heads Easter Bonnets Judged by Class Garden Club

Mrs. Margaret Holland entertained the Terrace Garden Club in her home, 2637 Cleveland blvd., Wednesday afternoon as the club held its April meeting.

Mrs. Charles Hickman, president called the business meeting to order and an election of officers was held. Newly-elected as officers to serve for the coming year are Mrs. Nettie Miner, president; Mrs. Thelma Ruppel, vice-president; Mrs. Billy Meier, secretary; and Mrs. Margaret Holland, treasurer.

Announcement was made that a flower show will be held May 18 in the recreation center at Wilson Park.

Plans were discussed for some of the ladies to attend a meeting April 14 at Tony's restaurant, where Dr. Felicia D. Koch will lead planning for formation of a Women's Division of the Tri-Cities Chamber of Commerce.

Mrs. Ann Reznack presented the lesson for the day on "Annual Plants."

Arrangements are being made to hold the next meeting May 14 at Stouffer's Riverfront Inn, where the new officers will be installed. The club will disband for the summer following the May meeting.

The hostess served a dessert luncheon to those named and Mesdames Linda Gonzales and Tommie Kirchoff. The luncheon table was centered with an arrangement of water lilies. Silver candlestick holders with white tapers were on each side.

Farm Column
By WARREN W. BUNDY
Madison County Extension Adviser

Meeting on Pesticides

Information about insect and plant disease problems will be given to local pesticide dealers and custom pesticide applicators at a field meeting in Madison county Wednesday, April 16.

The group will meet at the county extension office, 900 Hillsboro avenue, Edwardsville, at 1:30 p.m. and go from there to visit several fields in the area.

Farmers are provided much information and many recommendations about pest control by agri-business people. Their knowledge of pest control measures represents a valuable contribution to food production efforts of farmers and to the farm economy.

Consumers benefit from the use of agricultural pest control measures through lower food costs and abundant supplies of food free from pest damage. Many of our present food products could not be produced without the use of pest control measures.

Eighteen major changes in 1969 insecticide recommendations have been made by extension entomologists at the University of Illinois at Urbana-Champaign.

Most of those changes have to do with the use of new products which have become available, or the substitution of less hazardous insecticides in place of those previously recommended, or control of new insect problems.

Frequent Questions

In speaking to several city groups during a year's time, three questions are commonly asked by non-farm persons. They like to know about land price levels and trends, about collective bargaining in agriculture, and about whether their food is safe to eat.

The answer to the food question is "yes" it is safe to eat.

The Food and Drug Administration on March 5, 1969, released results of its fourth "total diet" study. Market-basket samples of food for the survey were collected from grocery stores. Groceries purchased by FDA inspectors are those that would be in a nutritionally adequate diet for the biggest eaters in the U. S. population — boys 16-19 years old.

FDA laboratories analyzed the samples by very sensitive methods for the presence of chlorinated hydrocarbons, organic phosphates, chlorophenols, oxy acids, bromide, arsenic, amtol, carbaryl and dithiocarbamate residues.

The conclusion from the study is "Amounts of pesticides in the American consumer's diet remain at low, safe levels. There was no significant change in the levels, frequency and types of residues found in the fourth survey from those found in the previous three years."

More details of the study are available at the county extension office. Complete results of this 1968 study were published in the March issue of the Pesticides Monitoring Journal.

A nationwide monitoring program to assess the status of pesticide residue levels in crops and soils was initiated last summer by United States Department of Agriculture.

Scope of Testing
Officials collected several soil and crop samples here in Madison county. All samples collected in this continuing program will be analyzed by scientists at USDA laboratories. Highly sensitive equipment permits pesticide residues to be detected down to the level of parts per million in soil and crops, and parts per billion in water. There are 10,000 sites representing 400 million acres throughout the country included in this monitoring program.

Accidental mis-use of a pesticide is, of course, a possibility. But farmers and custom applicators are careful to observe the recommendations and the restrictions on the use of a pesticide. Most, if not all, follow directions because they know it is the right thing to do. Maybe there are a few who observe the restrictions because they know it will be very costly to them if they get caught mis-using a product, regardless of whether the mis-use was intentional or accidental.

Man Faces Four Charges

David Harkey, 24, of 2949 (r) Warren avenue, was charged with battery in a complaint signed by his wife and with intoxication, disorderly conduct and obstructing and resisting a peace officer at 6 p.m. Wednesday.

License Plate Charge

John J. Summers, 2405 Wilson avenue, was ticketed at 2:50 p.m. Wednesday on a charge of improper display of state license plates at 2700 Madison avenue.

MRS. BARR PRESIDES AT APRIL CLUB MEETING

The Madison Ladies Democratic club met Monday evening at the Sportsman's club with Mrs. Cora Barr, president, presiding. The pledge of allegiance to the flag and the Lord's prayer were given in unison.

Mrs. Juanita Brown read a poem, "Our Daily Wish." Mrs. Ida Dant read a report of the previous meeting, with Mrs. Maxine Costoff giving a report on the installation held at the last meeting.

A discussion was held on merging of two clubs. A vote

was taken, and the two will continue on as they have in the past.

Mrs. Josephine Knezevich gave a financial report. Miss Judy Kraus and Miss Jean Marie Sikora were welcomed as new members of the club.

Mrs. Costoff read "I Know Something Good" and "Careless Words." She also spoke on the state senatorial race.

Mrs. Costoff introduced Mrs. Margaret Harrington, a Democratic committeewoman of Alton and delegate to the national convention, and Mrs. Ann Metcalf, also of Alton.

Mrs. Harrington praised Democratic ladies of Venice township for their work and for their meetings.

Hostesses, Mrs. Judy DuBray, Mrs. Marie Bailey and Mrs. Costoff, served lunch to the group. Table appointments carried out in Easter theme, and a colored Easter egg was on each plate.

Games were played with

prizes awarded to each winner.

Others taking part in the meeting were Mesdames Kera Nenoff, Marie Stawar, Vera Sikora, Nettie Gnojewski, Veronica Kula, Frances Trotts, Ann Blazek, Ida Dent, Violet Bader, Florence Spohr, Sophie Kraus, Hazel Swigert and Lenna Williams, a guest.

The next meeting will be held May 5. Mrs. Costoff thanked the group for flowers and cards she received while hospitalized.

MRS. CHRIST HOSTESS

The Peppy class of the First United Presbyterian Church met Monday evening in the home of Mrs. Helen Christ. The meeting was opened with prayer, after which Mrs. Betty Meyer, president, presided over a business session.

Mrs. Mildred Humphreys gave a Biblical reading. A social evening was enjoyed, with games played.

Those at the Christ home were Mrs. Meyer, Miss Opal McFarland, Mrs. Gladys Zentgraf, Mrs. Daisy Adams, Mrs. Elizabeth Bucher, Mrs. Dorothy Loersch, Miss Irene Hackett, Mrs. Joyce Walker and Miss Nora McCoid.

Refreshments were served by the hostess. Miss McCoid invited the members to her home 1225 Robin street, Venice, for the May meeting.

PVT. KING ON LEAVE

Pvt. Francis L. King Jr.

grandson of Mr. and Mrs. Melvin Mayes, 1721 Third street, is home on a 20-day leave. He has been stationed at Camp Pendleton, Calif., and will return to California April 23.

HONOR MRS. BRYANT

The Ship Shape Tops club met Tuesday evening at Schermer's civic center with the president, Mrs. Yvonne Passig, presiding. The Take Off Pounds pledge and pledge of allegiance to the flag were given in unison.

Weights were recorded during roll call. Mrs. Marie Bryant was crowned as queen of the week.

Plans were completed for Mrs. Hazel Trotts, Mrs. Betty Allen, Mrs. Marie Bryant and Mrs. Passig to attend Area Recognition Day in Peoria this weekend. The ladies will leave here Friday and return late Sunday.

A singalong was held and games were played, with Mrs. Nancy Walsh and Mrs. Betty Allen receiving prizes.

Others taking part were Mrs. Helen Townes, who closed the meeting with prayer, and Mesdames Jackie Gattung, Lorraine Gremaud, Trotts, Elizabeth Bucher, Patricia Lee, Olga Vizer, Pat Kingsley, Shirley Kingery, Geneva Hill, Kathy Dolnal, Betty Krohne, Johanna Collett, Pearl Kester and Dorothy Taylor.

LODGE PLANS ANNUAL HAM AND BEAN SUPPER

The Delray 786 Rebekah

lodge members met Tuesday evening at the Odd Fellows hall in Madison, with Mrs. Garrie Gresham, noble grand, presiding.

A committee was appointed for the annual ham and bean supper at the hall April 19.

Those in attendance were Mrs. Lucille Veach, Mrs. Verna Willman, Mrs. Ruth Hannebrink, Miss Margaret Brown, Mrs. Virginia Gall, Mrs. Phyllis Lanasaw, Mrs. Leo Mac Sainim, Mrs. Geraldine York, Mrs. Elsie Vance, Mrs. Thelma Stockton and Mrs. Frances Parsley.

The group will meet again in two weeks at the 100F hall.

FRANCIS GORDONS MARK SILVER ANNIVERSARY

Mr. and Mrs. Francis Gordon, 4509 Maryville road, were honored on their 25th wedding anniversary Monday evening.

Arrangements for the observance were made by Mrs. Ruth Hannebrink, Mrs. S. Gordon's mother, and his parents, Mr. and Mrs. Dennis Gordon.

The Dennis Gordon home, 2401 Robert avenue, was decorated for the event.

A decorated cake adorned the table as centerpiece and was topped with bells, hearts and silver leaves. A "25" was suspended over the cake.

Other relatives at the home were Mr. and Mrs. Al Bell and daughter and Mr. and Mrs. Richard Mowery. Gifts were presented to the couple.

BRIDGING CEREMONY FOR SCOUTS APRIL 24

Mrs. Vivian Davis, 2928 Dogwood drive, entertained Girl Scout leaders from Marshall school in her home Wednesday morning. Final arrangements were made for a mass "bridging" to be held April 24 at 7 p.m. at the school.

This special joint ceremony will include a rededication for new leaders, an investiture for new Brownies, third year Brownies flying into Junior troops and a bridging ceremony

for Juniors advancing to Cadette levels.

Mrs. Davis, organizer for Marshall school, will speak on the overall scouting program. Junior and Cadette scouts will conduct a flag ceremony and lead the pledge and a song for the parents prior to the ceremonial events.

Preceding the planning session, Mrs. Davis served a brunch to Mrs. Nadean Balogh, Mrs. Carol Cottrell, Mrs. Charlotte Fuller, Mrs. Verna Kidman, Mrs. Faye Wentz, Mrs. Betty Young and Mrs. Doris Stotz.

Leaves Curb, Collides

Pulling into the traffic lane from a parked position, an auto driven by Carol Tingley, 59 Holiday Mobile Homes Park, collided with a car driven by Steve Novasol Jr., Collinsville, at 6:40 a.m. Wednesday at 2241 Madison avenue.

Services Conducted for Mrs. French Hansel, 71

Funeral services were conducted in St. Louis Monday for Mrs. Esther A. Hansel, 71, of 515 Timberwyk, Frontenac. Interment at St. Peter's Cemetery, Kirkwood.

She is survived by her husband, Dr. French K. Hansel, a well known St. Louis allergist, formerly of Granite City and Mr. and Mrs. Carl Hansel, 2816 Yale drive, a brother-in-law and sister-in-law.

Mrs. Hansel died on Saturday, April 5, in St. Joseph Hospital, Kirkwood, following a lengthy illness.

SAVE 15% ON BENNINGTON SOLID PINE

VERMONT WINOOSKI
CRAFTED WITH THE CREDO THAT "ONLY GOOD THINGS LAST"

Here is Early American at its very best... crafted with pride of the same sturdy solid pine our New England forefathers used. The glowing antique golden burnish finish, the heavy table tops with softened "worm" edges, the massive turned legs and posts, the masterful interpretations of authentic colonial designs—all make these the kind of pieces you'll enjoy over the years. Their rich patina mellows beautifully as time goes on. Select just the pieces you need—many more in our collection are not shown—and design your own dining room with the best values your money can buy.

GOLDEN WEDDING. Mr. and Mrs. Bryan L. Compton, 2537 Edison avenue, who will observe the 50th anniversary of their marriage at an open house Sunday.

Compton's Plan Open House For Golden Anniversary

Mr. and Mrs. Bryan L. Compton, 2537 Edison avenue, will hold open house Sunday, April 13, from two until four o'clock in the afternoon in the Rathskellar of the Elk's Club in honor of their 50th wedding anniversary.

The event is being arranged by the daughters of the couple, Mrs. Edward (Kathryn) Hoff and Mrs. Lee (Elsie) Gorrell,

who are extending an invitation to all relatives and friends to attend. A request is made that gifts be omitted.

Mr. and Mrs. Compton were married April 12, 1919, in Edwardsville and have resided here since that time. Mr. Compton is still active in the restaurant business.

Beside the two daughters the couple has five grandchildren, three of them reside here. One grandson, Gregory Hoff, lives in Cincinnati, O., and another, Michael Davis, is in service, stationed at Fort Bragg, N. C.

Vocational School Survey Being Conducted by RIDC

Regional Industrial Development Corporation has hired Mrs. Shirley Harrison to conduct an extensive survey of the bi-state region's vocational-technical schools. Dr. Delyte Morris, board chairman, announced Tuesday.

The RIDC program will seek to determine how adequately the region's vocational training programs are meeting the demands of the labor market. The \$10,000 study is being jointly financed by Southern Illinois University, St. Louis City and County Junior College District, St. Louis City Board of Education, St. Louis County Special School District and the State of Missouri Department of Education.

Mrs. Harrison has served in various capacities in business and government in the area. She was formerly the executive secretary to the St. Louis County Charter Commission where she was involved with administrative and research work which resulted in the county successfully passing its charter revision last year.

"The initial phase of the survey has now been completed," Charles A. James, research director said. "We have distributed questionnaires to over 200 area schools. Mrs. Harrison has now begun a comprehensive interview program with school leaders. We urge their cooperation with her so that we can obtain accurate and detailed information which is vital to the success of this effort."

Store Window Broken

Larry Willis, manager of the Newberry Department store, 1339 Nineteenth street, reported at 8:30 p.m. Monday that while he was closing the store he

heard the sound of breaking glass. He found that the window on the north side of the building leading to the basement was broken.

needs merit, their training programs to teach the skills most in demand by industry. The results will also be given to school counselors, labor unions for guidance in their apprenticeship training programs and to employers for in-plant training programs which they may have to initiate to fill shortages that will exist until the vocational schools can develop the training programs to fill industry's needs.

Conduct Charge Filed

Joseph Bloodworth, 53, of 2545 North street, was arrested on a disorderly conduct charge at 2900 Cayuga street at 6:35 p.m. Monday.

2 Injury Claims Pending; Council Pays Dog Catcher

Two injury claims against the city—one in a \$15,000 suit—were presented to Granite City council members Monday night and referred to City Attorney Leon Schrogens.

In the \$15,000 suit on file, Grady Robert Simpson is seeking the amount for his son, Lindell, who was five years old on April 9, 1968, when his left foot was broken by a 4x6 board being used to hold large tile in the construction of sanitary sewer lines in North Granite.

The mishap occurred in front of 2569 Circle drive where the construction was being carried out by General Contracting Co. Stone water sewer construction was listed as the cause for the other claim. Mrs. Jimmy Rock, 2245 Washington, is requesting the city to pay medical bills for injuries she sustained on the morning of March 28 at Niedringhaus avenue and Iowa street where the sidewalk was removed and replaced with rock.

She said the excavation settled and she fell in stepping from the curb. A sharp rock was imbedded in her knee, she suffered other injuries and her clothing was torn, she said in a letter to the council. Mrs. Doyle said she has not yet been released by her doctor and the total amount of the bills is not known.

Authorization was given for payment of \$64 plus \$6.50 court costs to Theodore Pritchett, who worked several days as city humane officer during the regular officer's illness in January. He filed suit against the city in small claims court upon the council's refusal to pay the \$64 salary, and a hearing was held last week. The magistrate ruled against the city.

Council members discussed filing an appeal, but when the appeal cost would far exceed the \$64, the vote was 12-0 to pay the bill.

In miscellaneous action, the council agreed the Tri-Cities Independent Insurance Agents would be called upon to submit a proposal when the city again seeks insurance, and placed on file a notice from Bi-State Transit Co. of fare hikes to be started next Monday.

Two CD Meetings
Authorization was given Civil Defense Director Victor Koenig to attend a meeting of the Illinois CD Council at Springfield this spring and a meeting of the U. S. CD Council, District 4, at Duluth, Minn. His total allowance will be \$288.

Council members heard a brief report by Alderman Moerlen on his trip to Danville last week with Chamber of Commerce officials; to inspect a retail merchant with a downtown store. He said the city should make an effort to aid in such an endeavor here and also toward the development of an industrial park.

Approval was given for a plat ordinance for Lloyd Harlow, 2109 Johnson road, who replatted his property as two lots with his son-in-law and daughter can build a home at the rear of Supreme Radio & Appliances.

Brownies of Troop 981 Tour Press-Record

Brownies of Frohardt school, Troop 981 learned how facts and ideas are recorded and given to everyone, by visiting the Press-Record Monday afternoon. They were shown all the phases of newspaper work, from reporting to photo-engraving and printing.

The Brownies who visited included Debbie Boushgar, Cheryl Conway, Denise Elmore, Dawn Glass, Kathy Goodrich, Annette Setzer, Amy Spillers, Donna Smalle, Robin Watson, Lynne Wilson and Pamela Elmore.

Brownies leaders supervising the girls were: Mrs. Lari Wilson, Mrs. Betty Smalle, Mrs. Melba Elmore and Mrs. Jerry Watson.

Several small brothers accompanied the girls, they were: Gregory Wilson, Christopher Elmore, Steven Elmore and Timothy Watson.

Harold R. Fischer, chairman of the SIU-SW Liaison committee of the Tri-Cities Chamber of Commerce, presided at a luncheon meeting, Monday at the Elks club, to formulate plans for the next dinner meeting.

April 22 was set for the dinner which will be held at the Student Union at SIU-SW campus.

Joe Chu, professor at the Carbondale campus, who works as the foreign student consultant with International Student Services, will be the featured speaker.

Entertainment for the evening will be furnished by a group of six foreign students who will present a vocal program, and Miss Fernandez Chan from China, a student at the university, who will perform a native dance in costume.

Others attending the planning meeting were Leonard C. Conches, Howard W. Kaseberg, Carl Maties, Bernard Finney, Carl Ranft, Dr. William Tudor, B. J. Hunter, Fred Rupp, E. G. Schmitt, A. P. Steinhauer, C. E. Townsend and Howard Colquitt.

Trash, Weed Fire
Firemen were called at 8:40 a.m. Tuesday to the alley behind 2800 Grand avenue where burning trash spread to weeds and singed a few shingles. Firemen, at the scene 10 minutes, said there was no damage.

Kiwanis Hear Talk On Eye Problems

Dr. Austin Tashma, local optometrist, was introduced by George Grove, as the guest speaker at the Monday night dinner meeting of the Kiwanis Club at the Rose Bowl.

Dr. Tashma showed a short Walt Disney film on "You and Your Eyes," followed by a talk in which he stressed the eye "is a most vital part of a person's body." He also spoke of various diseases of the eyes including glaucoma and cataracts.

"Glaucoma," he said, "is the most dangerous of the individual eye diseases of the disease until it is in the advanced stages when severe pain is experienced."

He explained cataracts are an impairment to vision, but are operable and not considered as dangerous as they once were. The present method of removing a cataract has simplified the operation.

The doctor recommended a yearly check up for diseases of the eye and also for necessary lens corrections. On the subject of contact lenses, he stated they have helped many but are not always the answer to all people who need corrective glasses.

When asked about an entire eye transplant, he stated that in his opinion an entire transplant would be impossible until a method is found to transplant the brain since the nerves of the eye are so closely dependent upon the brain.

During a brief business meeting, a report by the advertising committee on the eighth annual Boat Race on July 27 was submitted. The race will be conducted at the Bow-Line Boat Club on the Mississippi River at the Hartford canal.

County NFO Announces Dance: Meeting Date

The National Farmer's Organization of Madison county will sponsor a public dance at 8:30 p.m. Saturday in Highland and hold its regular monthly meeting at 8 p.m. Tuesday in the Hamel Community Building, adjacent to Delbert Klenke of New Douglas, county NFO president.

The public is invited to attend Saturday evening's dance at the Lindendale Park Inn, Highland, with music to be furnished by the Straeters band.

Principal speaker at Tuesday's meeting, also open to the public, will be Warren Bundy, Madison county farm adviser, who will discuss collective bargaining and show slides. The program is part of a series presented under the auspices of the University of Illinois.

Members of the county milk bargaining committee also are to be elected at the meeting. Klenke advised.

Expand County Bonding Power, Howlett Suggests

The coming Illinois Constitutional Convention should consider loosening the present restriction on the bonding power of counties and other local governments, Michael J. Howlett, state auditor of public accounts, said Tuesday.

Addressing the Illinois Association of County Officials in convention at Springfield, Howlett said the present constitutional limitation of indebtedness of local governments to five percent of assessed valuation is a factor in the proliferation of local governments.

"To get around this limitation, new local governments are created for specific purposes, such as drainage, fire protection, parks, street lighting, libraries, public health and many other services," Howlett said.

"Illinois has 6453 local governments, more than any other state in the union. Many local governments overlap and perform somewhat similar functions."

"For instance, a county may have a forest preserve district with the same boundaries as the county government, and still have a dozen or more park districts, with separate boards of trustees, separate accounting, auditing, special taxing powers and bonding powers."

"When our present constitution was written in 1870, we were a rural people. Local government did not provide so many services. Today, more than four out of five Illinoisians live in urban or suburban communities."

"We have become an urban state," he said. "We should have a constitution and a structure of laws to meet urban problems."

Parked Car Damaged

A hit-and-run auto struck and damaged a parked car owned by Floyd Gilliam, 1731 Rhodes street, Madison, about 2:30 p.m. Monday as the car was parked in front of Gilliam's home, according to Madison police. Gilliam's car was damaged on the left side.

Special Program Set At Emmanuel Baptist

In connection with the Crusade of the Americas revival being held this week and through next Sunday evening at Emmanuel Baptist Church, 1800 Pontoon road, a special program of slides will be presented Friday evening, following the regular revival services. Rev. Vernon Covington, pastor of Emmanuel, is extending an invitation to the public on behalf of the church.

Rev. Paul W. Stouffer, who is serving as the evangelist this week, is a Southern Baptist missionary who is serving as director of the Baptist Theological Institute at Sao Paulo, Brazil, where he has served since his appointment to the Foreign Mission Board in 1960. The theological institute is located in a city of nearly 150,000 population and also serves the larger city of Sao Paulo, with a population of over six million. Students from this institute go into various Baptist churches of the area, serving in leadership capacities.

Rev. and Mrs. Stouffer, with their three children, are spending four months in this country participating in Crusade of the Americas revivals across the nation.

The Crusade is a cooperative effort of Baptist denominations to present the message of Christ throughout the Western Hemisphere. Services are being held in churches of 26 Baptist denominations throughout Southern, Middle and North America, as well as U.S. possessions. Twenty-three Southern Baptist churches in the Granite City area are participating in this effort.

The special service, which will include special music, an evangelistic message, and a visual presentation of what Baptists are doing to meet the spiritual needs of Brazil. A fellowship dinner will be held at the church Saturday at noon to afford an opportunity to get to know the evangelist better.

ACCUTRON CALENDAR "41"
Water resistant, girt applied Roman numerals on a silver dial. Shock and water strap. \$179.00

The things that make a watch tick are the things that make a watch run wrong. Like its balance wheel. And mainspring and hairspring. So those things have been left out of the Accutron's timepiece. They've been replaced by a tiny tuning fork that hums. The tuning fork splits a second into more parts than the balance wheel movement ever dreamed of. 360 parts, to be exact. (The best a ticking watch can do is 5 or 10.)

It's the tuning fork's uncanny precision that makes Accutron the most accurate timepiece you can wear. We're able to guarantee Accutron accuracy to within one minute a month. That's 2 seconds a day. And many owners say they're off only 1 second — or none at all. With accuracy like that, a watch has no business ticking when it could be humming.

Accutron timepieces start at \$110.00.

Nesbit Leaves for 2nd Duty Tour in Vietnam

Br/2 Michael Nesbit, 24, left last week for his second tour of duty with the Navy Seabees in Vietnam, attached to the MCB-62.

This will be the third Vietnam deployment for MCB-62 since its commissioning in 1966. The Battalion was formerly deployed to Hue-Pu-Bai and Da Nang.

Men of the Battalion have recently completed a four-week program of intensive military training and inspections. On an administrative military readiness inspection given by the Commander of Atlantic Fleet Seaabee Battalions, MCB-62 scored a 95, the highest score ever given to an Atlantic Fleet Seabee Battalion.

A 1962 graduate of Granite City high school, Nesbit was employed as a cement finisher for Local 90, prior to entering the service, Aug. 28, 1967.

His wife, Charlotte, and nine-month-old daughter, Michelle, make their home in Granite City, as do his parents, Mr. and Mrs. Tom Nesbit of 2807 Warren avenue.

The serviceman's new address is: Br/2 G. M. Nesbit B 530322, USN NCB62 "C" Co., FPO San Francisco, Calif. 96691.

Eastern Orthodox Holy Week Timing Related to Passover

Fr. Eugene Vansuch of the Nativity of Virgin Mary Eastern Orthodox Catholic Church, 418 Ewing avenue, Madison, today explained that the Eastern Orthodox observance of Easter occurs a week later than in other churches due to the timing of Passover.

Eastern Orthodox beliefs are that Easter always be celebrated on Sunday regardless of the day of the Jewish Passover; Easter must never be celebrated on or before the Passover because Christ was crucified during the Passover, was taken down from the cross on the eve of the Sabbath and arose on Sunday after the Sabbath; and Easter must never be observed on or before the vernal equinox, because otherwise it might be celebrated twice in one solar year.

Fr. Vansuch relates that Easter, the feast of the resurrection, is the greatest of all Christian feasts celebrated by the Eastern Orthodox Church. He notes that it is a "movable feast," the date varying from year to year.

"The Passover commemorates the time when the Angel of Death, on the command of God, was smiting the first-born of every Egyptian family and passing over the homes of the Jews, marked with the blood of a lamb.

"The date was fixed by the Sanhedrin as the first full moon after the vernal equinox—the 14th of Nisan, later changed to the 15th," Fr. Vansuch points out. "It lasted for seven days.

Delivered to Captors. "Jesus was delivered to his captors on the eve of the Passover and died on the feast day at the ninth hour at the time of the sacrifice of the Paschal lamb. On the third day after His death, which was the first day of the week, He arose and left His sepulchre. This was the great day of Christianity identified with the Jewish feast of the Passover.

"Apostles and disciples celebrated the resurrection for many years on the third day of the Passover, regardless of the day of the week, although many noted that the actual day on which He arose was a Sunday. Others felt Easter should be at a time entirely different than the Passover so that the two would not be identified together.

"This was settled by regulations arranged at the First Ecumenical Council of Nicea in 325, which ordered a uniform date for Easter; it was promulgated at the Council of Antioch in 341. Apostolic canons of the Church

also support the decisions of the First Council.

"To this date, the Eastern Orthodox follows these regulations."

Fr. Vansuch said the rule calls for celebration on the Sunday following the first full moon after the vernal equinox (arrival of spring), provided the seven Passover days have ended.

Trace Sequence of Events

In 1969, the first full moon was April 2, the next Sunday after that April 6, and the Passover April 9-11.

In order to maintain the Biblical sequence of events, the Eastern Orthodox Church marks Easter on the following Sunday, April 13.

There have been years when all the Easter observances coincide, but this is not such a year. Protestants and Catholics observed Easter April 6.

Fr. Vansuch stresses that the liturgical and dogmatical reasoning is not obsolete. "The Orthodox Church is meeting the challenges of today's society without disregarding the life and principles of the founder of Christianity and the teachings

of the Church. The first council proclaimed the Church to be One, Holy, Catholic and Apostolic."

Separate From Lent

He adds that the 40-day fast known as Lent ended Friday evening before Palm Sunday and that, in the Eastern Orthodox Church, Holy Week is not included in the 40 days but is a separate week of fasting and preparation before Easter.

The week begins on Palm Sunday evening with celebration of Bridgroom Matins, and the next three days stress the end of life and the "beginning of a new life in the Resurrected Lord." The Liturgy of the Presanctified Gifts is presented each of the three mornings, with the Palm Sunday service repeated each evening.

In some Orthodox churches, Greek, Syrian and some Russian, the Service of Holy Unction is celebrated on Wednesday evening, utilizing anointing with oil.

Condemnation of Evil. Holy Thursday finds the Liturgy of St. Basil celebrated with recognition of the Last Supper

and the betrayal by Judas. Holy Chrism is consecrated by the bishops.

On the Evening of Holy Thursday

On Holy Friday, the "awful reality and power in this world" are noted, with evil condemned. That evening, the Matins of Saturday begins as a funeral service, and there is a procession of the image of Christ around the church.

The Prophecy of Ezekiel is read, announcing that death is not the final destiny of man. Before leaving, parishioners approach the image, "Epitaphion," and venerate it.

Darkness to Light

On Holy Saturday, the Liturgy of St. Basil is celebrated in the late morning. At midnight, the faithful gather for the Resurrection Matins, when the church is dark and the priest comes forth from the altar with a lighted candle to pass the light to those present.

All leave the church in a procession around the building three times, stopping at the

Wife of St. Supt. Warfield Recovering from Surgery

Mrs. Estelle Warfield, wife of Street Supt. William Warfield, 2945 Warren avenue, is recovering at Jewish Hospital, St. Louis, from major surgery which she underwent on March 29. She will remain in the hospital for another week.

She had been under a physician's care taking tests at St. Elizabeth Hospital for ten days prior to transferring to the St. Louis hospital.

Conjunction follows, and church members then go to their homes to partake of traditional foods of meat, Paschal bread, eggs and cheese.

"Christ is risen" is used to greet each other during the next 40 days, concluding with the Feast of the Ascension, which completes the message of Easter: "Christ died for man and resurrected for man in order that man may have eternal salvation."

MISS BARBARA KERCH

Miss Kerch to be Honored Friday

Miss Barbara Kerch accompanied by Mrs. Joseph Fedora left Wednesday to attend the eighth annual convention of the American Association of Health, Physical Education and Recreation being held in Boston, Mass.

Miss Kerch, who is head of the department of physical education of School District Nine, will receive a recognition award for years of service in the physical education field, on Friday at the convention.

Recipients of the awards were nominated by the American Association of Health, Physical Education and Recreation members and selected by a standing committee, announced the president of the association, Miss Mabel Locke, from the University of Idaho.

There are 50,000 members in the association and 8000 are expected to attend.

QUAD-CITY EAGLE SCOUTS honored at a recognition dinner at SIU-SW campus Monday. Left to right, front row, are—Craig Tarpoiff, Michael Brunson, Tom Beck, Rudy Recer. Second row—Dennis Foret, Richard Myers, Richard Grofentend, Danny Kreher and John Harper.

Eagle Scouts Honored At Recognition Dinner

Twenty-four Eagle Scouts were honored at the Eagle Recognition dinner Monday at SIU-SW campus, for attaining the highest rank that a young scout can achieve—the Eagle rank.

Each Eagle scout spent the entire day with a sponsor who was of a vocation he is interested in. This represented fields of educational, business and industrial.

During the dinner, which was attended by 87 persons, each scout related his experiences of this day.

Rollin Henn, president of the Cahokia Mound Council Boy Scout Council, congratulated the young men for attaining such an achievement, and William Shindel, council commissioner, called upon the scouts "to rededicate themselves to the high ideals of being physically strong, mentally awake and morally straight."

Band Tour Itinerary Outlined for Parents

On their annual out-of-state tour early next month, Granite City high school band will visit Pensacola, Fla., Air Force Base; present a concert at Citronella, Ala., and explore Dolphin Island, according to the itinerary described at a meeting of the GCHS Band Parents Association Tuesday evening.

During the monthly session, held in the local high school band room annex, Herbert Parker, association president, praised Mrs. LeRoy Jung for her successful job as general chairman of last weekend's "Band Tag Days."

Parker also expressed appreciation to the people of the local community for their generous contributions to the annual tag days event which enables band students to make the spring tour each year.

It was announced that adult chaperones still are needed to accompany the local student musicians on the tour. Cost for chaperones will be \$65, which includes accommodations, meals and transportation charges. Parker asked parents of band students who are interested in serving as trip supervisors to contact Louis E. Meek, GCHS band director, or the association president, as soon as possible.

The band members will begin their tour on Tuesday, May 6, arriving in Mobile, Ala., the following day. On Thursday, a concert will be performed in Citronella, with a side trip planned to Dolphin Island, Ala., that afternoon. On Friday, the band will tour the Pensacola Air Force Base, remaining in Florida until Saturday when the journey home begins. They are

expected to arrive back in Granite City on Sunday morning.

After the regular business meeting Tuesday night, a social hour was enjoyed with refreshments served by Mr. and Mrs. Herbert Parker.

Enlists in Marines

Robert W. Clark, 17, son of Mr. and Mrs. Wayne Clark of 2302 East 28th street, enlisted in the U. S. Marine Corps last week and is now in basic training at San Diego, Calif.

He will undergo eight weeks of basic training and four weeks of advanced training before receiving a leave.

Red Cross Youth Club Initiates 6 Members

Six new members were initiated by the Red Cross Youth Club recently and were required to wear mismatched clothes for the ceremony held at the American Red Cross office.

The new members, who also received their pins, were Katrina Crafton, Vicki Feyen, Wanda Parks, Sandy McManus, Linda Finazzo and Liz Saputo.

All Red Cross members are planning on attending a trip to Scott Air Force Base Hospital on April 15 to visit the hospitalized servicemen and distribute cookies.

WITH A RECORD OF ACCOMPLISHMENTS THAT SPEAKS FOR ITSELF

Operating a City for the benefit of all of its Citizens is not an easy task. It's very hard and difficult because it's not our own property that we are managing so to speak. It's everyone's property that has been entrusted to our prudent judgment. This takes many, many years to learn how to do so; many years to learn all the necessary angles and the best methods in order to serve our Citizens and fellow neighbors and friends, efficiently and economically. It takes many, many years to become acquainted with important people in order to serve our own Citizens when in need, and this happens lots of times as some can attest, such as in our Nation's Capital, Washington, D.C., in our State Capital, Springfield, Illinois, and in all of local Governmental Agencies in our County and in our neighboring Cities. We have an Administration that possesses these attributes that we can justly be proud of. Let's all help retain these men of unquestionable character, unlimited know how by Education, Experience and Proof. DON'T BE HOODWINKED BY THE OPPOSITION — THE STAKES ARE TOO HIGH.

Miss Miller on Tour With College Band

Miss Mary Janice Miller, a freshman elementary education major at the David Lipscomb College in Nashville, Tenn., is a participating band member of the college band which is scheduled to play in four cities during this month on a concert tour.

She plays the bass clarinet in the 8-member band under the direction of J. Burley Bowman. He has announced the compositions for the tour program will include works of Richard Wagner, John Philip Sousa, Richard Rodgers, Carlos Gomes, Arthur Honegger and others.

Performances will be given at the Alabama Christian College, Montgomery, Ala., April 10; Call Street Church of Christ, Tallahassee, Fla., April 11; Tharrell high school, Atlanta, Ga., April 12 and the Chattanooga City high school, Chattanooga, Tenn., April 13.

Miss Miller, a graduate of Granite City high school, is the daughter of Mr. and Mrs. Robert C. Miller, 2206 Delmar avenue.

THE RISING SONS who are entered by the Granite City Junior Chamber of Commerce in the state Battle of the Bands contest Friday, Saturday and Sunday at Harvey. They are, left to right, Jim Simpson, vocalist; Jim Harper, bass guitar; Gary Holland, organist; Chris Hamilton, drums and band leader; and Gene Hudson, guitar.

Singer Style Contest Set for Girls 10-18

A one-week, all-expense-paid trip for two to London, Paris or Rome awaits the 1969 winners of the Singer Style Contest. Winners also will be in line for Singer "touch and sew" sewing machines, battery-operated phonographs and cash awards, all totaling more than \$120,000.

Any girl between 10 and 18 can be a winner by entering the contest. To enter, a girl enrolls in an eight-lesson (2½-hour each) sewing course at a Singer store. The applicant creates the fashion she enters in the contest.

Competition will be in three age groups—junior miss, sub division (10 through 12), sub division (13 through 15) and deb division (16 through 18).

Entry blanks, rules and complete information about the contest may be obtained at any Singer store. Entrants are charged a \$12 fee for the classes.

Spring Choral Concert Set April 17 at GCHS

The second in a series of two spring choral concerts presented by the vocal music department of Granite City high school will be held Thursday, April 17, at 8 p.m. in the school auditorium, directed by Warren G. Simpkins. It is open to the public without charge.

Participating will be the 85-voice advanced mixed chorus, the 75-voice cantando girls' glee club and the Madrigal Singers composed of 16 voices. Soloists will be Debbie Higower, soprano, Janet Young, Ron Matson, and Mark Freedman, pianists. Piano accompanists will be Janet Young, Ron Matson, Martha Scott and Mark Freedman.

Members of the Madrigal Singers are Mary Dooley, Joann Kukarala, Anita Gasparovic, Debbie Milton, Janet Young, Debbie Knapp, Vicki Mercer, Janice Starling, Dan Conway, Steve Anderson, Ron Matson, Nels Hediger, Al Stevens III, Dan Jackson, John Gage and Dwayne Pritchett.

The program will conclude with the advanced mixed chorus singing, "Let There Be Peace On Earth" with an echo choir. Also on the program will be the recognition of graduating singers.

Rising Sons to Compete In Ill. Battle of Bands

The Rising Sons will represent the Granite City Junior Chamber of Commerce in the Illinois Battle of the Bands contest to be held Friday, Saturday and Sunday at the high school auditorium at Harvey.

The band will compete against 20 other bands for a first-place cash prize of \$300 and individual trophies. The winning group also will receive three hours of recording time at a studio plus a four-day expense paid trip to compete in the national contest to be held in July in Raleigh, N.C.

Fans wishing to attend the event may obtain cash discount tickets from members of the band or at Formazewski's Music store.

The program will conclude with the advanced mixed chorus singing, "Let There Be Peace On Earth" with an echo choir. Also on the program will be the recognition of graduating singers.

Free Scholarships Offered by Alton School of Nursing

The school of nursing at Alton Memorial Hospital is offering free scholarships to all students in an effort to alleviate a critical shortage of nurses in the country.

William Hendricks, director of enrollment, said the nursing profession needs more than three times the number of student nurses that are currently enrolled, and the school is attempting to expand the enrollment.

The scholarship covers the cost of room in school dormitories and provides a 25% reduction of the cost of meals purchased in the hospital cafeteria. The scholarship is valued at almost \$1500 for each student for the three-year program.

Persons interested in a nursing career may contact the Director of Enrollment, Alton Memorial Hospital School of Nursing, Alton, Ill. 62002. Applications will be accepted from high school graduates with a chemistry background, male or female, single or married. The ACT test is required. Classes begin in September.

St. Peter Guild Holds Meeting

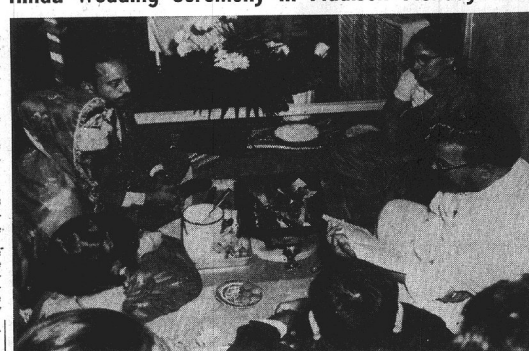

A monthly meeting of the Evening Guild of St. Peter United Church of Christ was held Monday at the church presided over by Mrs. Mildred Feihling.

Twenty-two members of the group and two guests attended. The latter were Mrs. Pauline Schnak and Mrs. Kathleen Baumann.

The theme for the meeting, "The Bible, Our Guide," was given by Miss Leona Wintermeyer and Mrs. Rosalie Buente.

Plans for the spring were made, and the members were reminded of the May Fellowship Day at First United Presbyterian Church on May 2. The meeting is sponsored annually by Church Women United.

Guild Visits Nursing Home

Preceding a regular meeting of the Evening Guild of St. John United Church of Christ Monday, the members journeyed to The Columbian where they entertained the patients and served refreshments to those taking part.

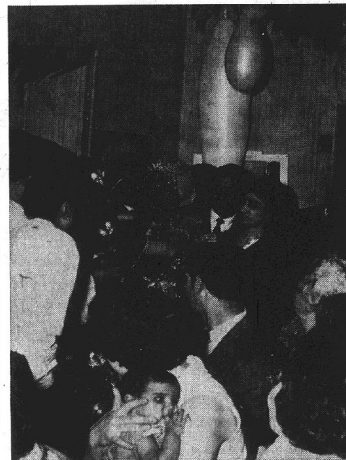

After the party, the group returned to the church for a business session conducted by Mrs. Dorothy Schuchel, president, and the worship service.

The guild made plans to send boxes to servicemen from the church now in Vietnam, and to attend workshops on Guild planning for the year. The members also were reminded of the May Fellowship meeting to be held May 2 at First United Presbyterian Church under the sponsorship of Church Women United.

The meeting closed with the Fellowship of the Least Coin service.

The fellowship committee was composed of Mrs. Patricia Schulte, Mrs. Neil Hentzel and Mrs. Doris Laboratory.

FAMILY AND FRIENDS greeting bride and groom.

One of the most unique weddings held here was the Hindu ceremony conducted Monday evening for the marriage of Miss Kay Evangelauf, a daughter of Mr. and Mrs. George Evangelauf, 1244 Madison avenue, Madison, and Rhajan Lal Rakhra, a native of New Delhi, India.

Two services were held, one with the traditional Hindu rites, and the second a civil ceremony performed by Magistrate M. G. Hiscott. Both were in the Evangelauf home.

The first, at 6 o'clock was the Hindu service conducted by Dr. Murari L. Nagar, priest, or "pundit" in the Indian language, a librarian at the University of Missouri in Columbia, and a close friend of the bridegroom. Dr. Nagar was here with his wife.

The colorful service took place with all the traditional pomp and ceremony of the Hindu religion. The bride was dressed in a bright red sari from India, and the couple sat beneath a flower-bedecked frame or "Vedi."

At the conclusion of the ceremony the bride and groom took seven steps together symbolizing the joint journey through life. This act is recognized in the Hindu law as the completion of the sacrament of marriage.

A reception was held after the ceremony with the wedding party and their families seated on the floor where Indian food was served.

The former Miss Evangelauf was graduated from Washington University with a BA degree and received elementary teaching credentials from San Francisco State College.

The bridegroom, a son of Mr. and Mrs. Jamma Dass Rakhra of India, received a degree from the School of Architecture in New Delhi and a master degree in Architecture and Urban Design from Washington University in St. Louis, where the couple met. They were graduated in 1966.

Mr. Lal Rakhra came to Madison March 30 after a trip to India to visit his parents, and enroute visited a brother in London. The couple will be leaving in a few days for San Francisco where the bride will teach and the bridegroom will resume his work as principal architect planner for a firm there. A honeymoon is planned later.

Among the out-of-town guests were Dr. and Mrs. M. Nagar and Bharat Trivedi of Columbia, Mo., were Mr. and Mrs. Steve W. Jurish and son of Ellsworth, Mo., Mr. and Mrs. Edward Sykora of Chicago, and Mr. and Mrs. Richard L. Edwards of San Francisco.

AAUW Benefit Tea Saturday

The Granite City Branch of the American Association of University Women will hold its annual Spring Tea on Saturday at 2 p.m. in Fellowship Hall of St. Peter United Church of Christ, 2101 Cleveland blvd.

Mrs. Marian O'Brien, food editor of a St. Louis newspaper, was originally scheduled to speak, but is unable to attend due to illness.

Mrs. Dolores Malaschak of Cahokia, Ill., will present a program featuring her own poems and plays. She has had several poems published and is a regular contributor to newspapers. Her column is called "Letters to a Friend," which she writes in collaboration with Mrs. Robert Zimmerman. In 1964 she was honored at the first annual Civic Achievement Awards banquet for her writings.

Mrs. Malaschak is a member of several organizations, including the National League of Penwomen and is currently attending college. She hopes to teach literature at the university level after obtaining a degree.

The musical portion of the program will consist of solos by Robert Spengler Jr., together with the "Young Life" trio which recently won a youth talent contest in Illinois State competition. Also performing will be a newly-formed group at the Assembly of God Church called the "Teen Chorale."

Various art and craft projects of the members will be on display at the tea, proceeds from which will go toward sponsoring a scholarship. The \$1 tickets will be available at the door or may be purchased from any of the members.

DINNER PARTY FOLLOWS CHRISTENING

Mrs. Jestine Walker of Buxton avenue entertained guests at a dinner party this week in honor of the christening at St. John United Church of Christ of her grandson, Michael Edward Flach, six-week-old son of Mr. and Mrs. Terry Flach, of Champaign, Ill., formerly of Granite City.

Others present were Mr. and Mrs. Adolph Flach, paternal grandparents, Peggy Flach, Mrs. Laura Flach, Miss Maybell Lee, Richard Brown, and the godparents, Carol Walker and Mike Flach, aunt and uncle of the baby.

Mr. and Mrs. Terry Flach, both graduates of the local high school have been living in Champaign where Mr. Flach attended the University of Illinois. He was graduated recently and will be leaving soon for service. Mrs. Flach and the baby will return here to live with her mother while he is away.

Garden Club Plans Pilgrimage

The Cloverview Garden Club met Tuesday afternoon at the Elk's Club with Mrs. Charles Gandorla as hostess.

A dessert course was served at 1 o'clock and a comprehensive study of the subject "Calendar for Growing" was given. Mrs. Leo Roman conducted the program on "Artistic Design" and exhibited forsythia and magnolia blossoms.

A pilgrimage to Plant Land in Missouri was planned to take place in May, and announcement was made of a District 5 Workshop April 24 in Edwardsville. The coming rummage sale of the club on May 2 also was discussed.

Others attending the meeting were Mrs. Robert McCauley, president, who was in charge, Mrs. John Jenkins, Mrs. Ray Williamson, Mrs. Richard Branding and Mrs. Kenneth Brokaw.

Council to Try Again for Joint City-Twp. Precincts

Another redistricting was recommended during Monday night's Granite City council session, but it was put off to confusion of voters having to go to different precinct polling places in city-township elections every two years.

Authorization was given for Mayor Partney to name a three-member council committee, aided by City Atty. Scroggins, to work with Township Supervisor Nelson Hagnauer and Town Atty. William Schoeller to revamp precincts of the city and township to coincide.

Alderman Whitmer, who recommended the change, stressed the deadline would be June or July this year.

Last week, with a park district election, a large number of Granite Cityans went to three widespread polling places to vote. There were 31 city precincts and 32 township precincts.

The confusion began about 11 years ago when the city jumped from seven to eight wards. Now, with several subsequent redistrictings and a failure to reach the 50,000 population mark, the city is back to seven wards, but the city-township precincts still fail to match boundaries.

Non called attention that the Fifth Ward was in proper order and he wanted no changes. "How can you do this job with a committee of three when it couldn't be done by the entire council?"

He was referring to several tries in the past to develop the same city-township precinct boundaries.

Bartosiek noted the Second Ward now has parts of nine precincts within its ward boundaries, but not a single complete township precinct.

There was unanimous agreement for another effort.

Mrs. Maude Bain, 85, Dies Monday Evening

Mrs. Maude E. Bain, 85, of 2933 Pershing avenue, died at 8 p.m. Monday at the home of her daughter, Mrs. Henry (Ortha) Aene, 2501 Grand avenue. She had recently been hospitalized in a Highland hospital for treatment of pneumonia, and death was attributed to a cardiac arrest.

A 46-year resident she was born in Beaver Creek, Ill., and was a member of the First Baptist Church.

Her husband, Samuel Bain, died in 1962.

Survivors include a daughter, Mrs. Aene, one stepson, James W. Bain of Troy, Ill.; three grandchildren, seven great-grandchildren, and 15 step-grandchildren.

Funeral arrangements are given in today's obituary column.

Prayer, Pledge Open GC Council Sessions

Rev. Kevin Sullivan, assistant pastor at Sacred Heart Church, gave the prayer to open Monday night's Granite City council session. In previous meetings, the prayers have been given by Rev. Clair Clark of Trinity Methodist Church and Rev. Dr. Robert J. Baumann of St. Peter United Church of Christ.

Following the prayer, the mayor leads the council, city officials and audience in the pledge to the flag.

Sp/4 JAMES TANNER Commendation Medal

Sp/4 Tanner Receives Commendation Medal

Army Specialist Four James L. Tanner, son of Mr. and Mrs. John T. Tanner, 6 Eastgate drive, has been awarded the Army Commendation Medal for exceptional meritorious service in Vietnam from February 1968 until he returned to the U.S. earlier this year.

The citation accompanying the Army Commendation Medal reads in part: "Specialist Four James L. Tanner, U.S. Army, distinguished himself by exceptional meritorious service in connection with military operations against a hostile force in the Republic of Vietnam. During the period February 1968 to February 1969, he actively sustained extremely adverse conditions to obtain consistently superior results."

"Through diligence and determination he invariably accomplished every task with dispatch and efficiency. His unrelenting loyalty, initiative and resourcefulness brought him wide acclaim and inspired others to strive for maximum achievement."

"Selflessly working long and arduous hours, he has contributed significantly to the success of the allied effort. His commendable performance was in keeping with the highest traditions of the military service and reflects great credit upon himself, the American Division and the U.S. Army."

During his tour in Vietnam, the serviceman was assigned to the 4th Battalion, 31st Infantry, 196th Infantry Brigade. He spent most of his overseas service time in combat patrol work in the Central Vietnamese Highlands region and in the northernmost provinces of South Vietnam.

Sp/4 Tanner, 21, was graduated in June 1966 from Granite City high school. Prior to entering the service on Aug. 18, 1967, he was employed at Southwestern Bell Telephone Co.

He underwent basic training at Fort Leonard Wood, Mo., where he was selected to receive special advance leadership training at Fort Polk, La. He departed for Vietnam from Fort Lewis, Wash.

The Granite City soldier currently is stationed at Fort Campbell, Ky. He is expected to receive his discharge from the Army in about four months.

At-Large, Roll Call Rulings Sought

Two policy procedures for the Granite City council when new aldermen and re-elected officials begin their terms on May 5 were proposed Monday night by Alderman Whitmer, who called for an opinion from City Atty. Scroggins on City Atty. Scroggins' designations for the three aldermen who will be in Wards Two and Five.

Whitmer pointed out that in Ward Two, he was elected to the aldermanic post two years ago, and Alderman Jarrett, formerly of the Seventh Ward, was redistricted into Ward Two with the reduction of the city wards to seven. Jarrett has two years remaining in his term. Along with them, Alderman Rutledge, formerly of the Fourth Ward, was elected April 1 to a four-year term.

The same situation prevails in the Fifth Ward with Beasrich re-elected to a new four-year term and Nonn with two years to go. Moerliten, with two years remaining in his term, was redistricted into the Fifth Ward.

Whitmer called upon City Atty. Scroggins to determine if the wards are to be represented by three aldermen for the next two years or if there are to be two aldermen-at-large, and he asked aldermen-at-large would be determined.

Scroggins said he would study state laws and submit a written opinion at the April 21 session. He said it could be that the aldermen redistricted into new wards would be the aldermen-at-large, or those with two years remaining in their terms could draw the lots.

In another suggestion, Whitmer recommended the council return to a former procedure for roll call votes by seniority rather than by wards. Scroggins is to determine if the procedure is covered by city law. Nonn is the senior alderman on the council.

GC Council OK's Contract For Special Project Curbs

Award of a special improvement contract to A. H. Seebold for installation of curbs and gutters on sections of four streets was approved Monday night by Granite City council members with an 11-to-4 vote.

The streets included in the \$24,426 combined project are Moro, Spring and Meridian avenues and Maple street. Dissenting votes were by Aldermen Whitmer, Rutledge, Fry and Jarrett. Nonn was gone when the vote was taken late in the meeting.

The bid was \$724 under the engineer's estimate.

Poulos called for the mayor to sign a contract with MacHair Asphalt Co. for the resurfacing of sections of 19th street, Benton street, Grand avenue and Washington avenue under an award by the council last fall—too late for the asphalt work to be done.

Partney replied that he was waiting for a financial report from the comptroller's office relative to sewer repair costs before undertaking any further special improvements. He agreed with Poulos on the need for the street resurfacing, but added that he was concerned over the city's financial condition because of seven sewer breaks.

The city was notified that its motor fuel tax allotment for March amounts to \$31,250, and the state highway department advised the council of its approval of an added allocation of \$37,000 for the completed John-

Town Board Oks \$1500 Pay Boost For Supervisor

In a rapid-fire town board meeting that preceded Granite City's Monday night council session, the council—in its capacity as the town board—passed a resolution to boost the salary of the township supervisor by \$1500 to total \$6000 a year (\$500-a-month).

The increase had been approved by town electors during the annual town meeting on Tuesday, April 1—election day when Supervisor Nelson Hagnauer was re-elected. Opposed to the increase were Aldermen Fry and Jarrett.

In other action, the month financial reports by Hagnauer were accepted and regular town fund and relief bills were approved.

The reports for March showed a March 31 balance of \$43,232 in the general assistance fund along with \$50,000 in a new time disbursement certificate.

Relief disbursements during the month amounted to \$17,352. In the town fund, the March 31 balance was \$19,978 and disbursements totaled \$4606. The retirement fund balance was \$1386, with disbursements amounting to \$523 during March.

Current bills approved were \$4790 from the town fund and \$10,241 from the relief fund.

Some Income Tax Refunds Reduced

(Internal Revenue Service)

Q—My refund came and it was lower than I expected. How can I find out why it was reduced?

A—In cases such as these, mistakes in arithmetic account for most of the adjustments. You should receive an explanation from us shortly after your refund check arrives, explaining the adjustment.

This year, many mistakes in arithmetic are being made on the tax surcharge. Taxpayers are either recording the surcharge tables incorrectly, making mistakes by not adding it to their tax, or making a mistake when they multiply by .075 to determine the amount of the surcharge.

Q—When do I have to file my estimated tax declaration?

A—Estimated declarations and first quarter payments are due April 15. Use the pre-addressed 1040-ES voucher form you received in the mail when you file. It will assure proper crediting of payments to your account.

Q—How does the \$100 limitation apply to casualty losses? We suffered damage last year.

A—The \$100 limitation applies to each separate casualty. Deduct the excess over \$100 not reimbursed by insurance for each separate casualty. See page 9 of the Form 1040 instructions for details.

Q—Is a company pension taxable?

A—Your tax liability depends on how much you contributed to the pension fund. This is explained in the instructions for Schedule B of Form 1040.

Copies of this schedule and the instructions are available at many banks and post offices as well as local offices of the IRS.

Q—Can I add the medical insurance premiums I pay for my dependent mother to my own for the purpose of tax deductions?

A—Premiums paid for medical care insurance for yourself,

your spouse and your dependent are deductible.

Total all of these premiums you paid last year and deduct half of them up to \$100 on your return. The balance of the premiums should be included with your other medical expenses, which are subject to the 3% limitation.

You must itemize your deductions to use this rule.

Q—I'm due a refund. Where should I send my return?

A—Send your return to the IRS Service Center, Kansas City, Mo. An envelope was enclosed with Form 1040 tax package. If you don't have one, look on page 9 of the instructions for the address of your Service Center.

Q—When does a person have to pay self-employment tax?

A—To be liable for self-employment tax, a person must have income from a trade or profession which he conducts as an independent contractor or in partnership. To be subject to the tax net earnings from self-employment must be at least \$400. For additional information see Schedule C-3.

Q—My wife died last year. Have we remarried. Can I still file a joint return?

A—You can file a joint return for the year of death. You may also file as a "surviving spouse" using joint return rates for the two years certain requirements. Check page 9 of the 1040 instructions for details.

Q—Do you need to keep tax records after your refund comes?

A—Yes. Records should be kept as long as they are needed to substantiate information given on federal tax returns. Generally, this is a minimum of three years from the date the return was due to be filed. Some records, like those on the purchase of a home or stock, may have to be kept indefinitely.

STATEHOUSE

Statistics With Meaning

Books loaded with statistics ordinarily do not contain too much interest for most people, but a dull-looking volume called "State and Local Finances" published recently by the federal government is anything but dull.

Here are a few random samples of items of interest. Illinois is next to the bottom of the states in the percentage of our income which goes for state and local taxes. The average citizen in Illinois spends 7.5% of his income on state and local taxes. (It should be added that because of the great inequities many citizens spend much more than that.) Illinois is one of 37 states in which state and local governments are spending more money than they receive in income.

Forty-five states have a sales tax, and in 14 of them, food is exempt. Only four other states have a sales tax as high as Illinois, and in two of those, food is exempt. Kentucky and Mississippi also have a 5 cents sales tax and include food. No state has a higher tax on food than Illinois.

Forty-one states have an income tax on corporations; Illinois has none. Thirty-one states have an income tax on individuals; Illinois has none.

Of the states which have an income tax for individuals, in only one state is it a flat rate tax. In all others there is some means of making it a slightly graduated tax.

Illinois is among the top 14 states in the nation in our per capita real estate tax.

The most unusual property tax structure is in Wisconsin where 5% to 15% of income is refunded if income falls below \$3,500 per year. This is of special benefit to citizens over 65 years of age. Approximately 60,000 Wisconsin households receive property tax refunds.

Eighteen states have cigar taxes; Illinois has none, other than the sales tax.

The Illinois cigarette tax is much less than many states, but raising the Illinois tax is complicated by the fact that two of our neighboring states, Missouri and Kentucky, have among the lowest cigarette taxes in the nation.

The federal report also suggests various means of judging the fairness of the tax structure within a state—and to large measure, Illinois fails the test.

The figures and facts in this statistical study suggest that Illinois needs substantial improvement in our approach to paying bills.

Rehearsals for the Madison Cant First Girls Pageant are progressing. The cast of 100 includes 17 principal girls, 21 baller dancers, the latter consisting of seven each representing wood nymphs, morning glories and the spirit of patriotism.

Main roles are Dame Nature, Madame Doodle, Liberty, Peace, Plenty, Butterflies, Forest Spirit, Yankee Doodle, Liberty, Peace, Plenty, Autocracy, Labor, George Washington, LaFayette, Lincoln, America, Indian Chief, Indian Princess and Victory.

To the high cost of living is now added the high cost of being born. At a meeting of doctors of the Tri-Cities, it was decided to increase the charge on this service from \$21 to \$35, effective June 1. Other items on the program were Harry Walker, Archie Boyd, Charles Kunemann, J. W. Cassidy, Judge Bandy, Mark Meyerstein, Morgan LeMasters, Lonnie Land, Rola Griffith, Bill Currie, Harry Faulkner, John Graham, John B. Harris and H. R. McCoy. Those in charge of a songfest were John Snell and Frank Nelson.

Two Board Members to Be Elected in Each
Of Three Local School Districts Saturday

Almost unnoticed in the rush of other elections—primaries, city and township voting, park races and the senatorial election—school board balloting is at hand. Board members will be chosen in the three local districts between noon and 7 p.m. Saturday, and we strongly urge that all eligible voters go to the polls.

The most competition has developed in the Madison school district, where William C. Schreiber and William Vavra are opposed by Thomas E. Watson and Sherrell L. Byrd sr.

The two on the board at present are competent members, and during their service the administrative staff has been expanded in a constructive way. Generally sound policies have been followed, although political considerations still hamper the school system in establishing and maintaining desirable personnel and spending policies.

Byrd and Watson lack comparable experience but have been active in their citizenship duties and would bring new and more independent thinking to the setting of school policies. If they were elected, the combination of the two new members and five holdovers would give direct representation to a wider cross-section of the public.

The issue facing Madison school voters is not so much a choice between good or bad candidates, but whether there should be a tight rein on the board member selection process by the city organization or room for divergent views. Because we want to see the latest idea, we suggest the election of Watson and Byrd.

On the Granite City school board, there is already a relatively broad spectrum of viewpoints and we think the performance of Monroe Worthen and Arthur "Pete" Metcalf justifies their re-election. With them participating fully in the decisions, the school system has made extensive progress and achieved a record of progress that is unblemished by most governmental agencies in this region.

There is no opposition Saturday for two positions on the Venice school board, where the candidates are Fred W. Rumpf, incumbent, and Willie C. Johnson sr.

The FORM

INCIDENT REGARDED AS
EROSION OF FREEDOM

To the Editor:

I read the unfortunate opportunity to witness a great miscarriage of justice in my home town of Madison.

I had the misfortune to see the political machine here to crush the opposition independent candidates through harassment.

The approximate date and time were April 5 at about 2:30 in the afternoon.

As we gentlemen were walking the streets of Washington avenue, handing out literature favoring the independent candidates, the Madison police car picked them up and took them to city hall.

When friends of the two gentlemen inquired as to the reasons for this outrage, they were given no answer.

The obvious question I would like to ask is "Why?" Why is this allowed to happen in America? Is this machine so frightened of opposition that they must react in this way?

After securing an attorney, the people representing the independent candidates were told that no laws, civil or criminal, had been violated. The two were released, however, but the city could demand an explanation.

In closing, I would like to suggest to the people of Madison that they make a supreme effort to guard their constitutional rights.

In countries of the world where freedom has been lost, the erosion of freedom began at the local political level.

Big Advance in Home Rule Is in Prospect, Bringing Worries As Well As Advantages

Those who have been advocating more "home rule" for Illinois communities for so many years may be about to get their wish at last. That fact has brought rejoicing but also concern among the proponents, who have been joined by realization of the big responsibility that municipalities must face.

While citing the value of local-level creativity and innovation in announcing a long list of proposals intended to "begin the freeing of our cities," Gov. Ogilvie also acknowledges the awesome potential for good or ill: "The state must insist that any increase in local government autonomy or revenue granted... be coupled with the assurance that local services will be administered more efficiently and economically than ever before."

The emphasis is on establishing a structure of state aid for general government to go with the aid presently given public schools, and on extending wide authority to agencies rather than tying them to those powers which have been specifically granted.

House Bills 1247 and 1257 would allow counties and municipalities to license, tax and regulate all businesses in their jurisdictions. The governor stresses that power would not be used only for regulatory and not for revenue purposes, and that fees would be limited to the costs "which reasonably can be shown to be generated by the specific business."

House Bill 1248 and 1253 would permit counties and cities to pass and enforce all ordinances necessary to promote or protect public health, safety, morals or general welfare. This could substantially broaden existing police power—subject, of course, to the ever-present authority of courts to validate or invalidate the procedures put into effect.

Gov. Ogilvie accurately says that real estate taxes are nearing their practical limit. He proposes to send back to local government an eighth of the projected new state income.

A new Department of Local Governmental Affairs would provide information and assistance to taxing bodies in applying for state and federal funds and in utilizing private resources of a community.

As he points out, "Perhaps most important of all, extension of the principle of home rule could lead to a revitalization of local self-government that will help pull back the increasing concentration of power in the federal government."

The result could be a productive sharing of responsibility, with potentially oppressive national policies avoided through development of services well adapted to the unique conditions in each community—home rule in the best sense of the phrase.

Community Beautification Program Launched

It would be hard to find a more fitting initial project than beautification for the beautification of the Tri-Cities Chapter of Commerce, its Women's Division.

With a number of local organizations participating, it is hoped that the beautification of Second street and Broadway, Venice, on Sixth street near Madison avenue, Madison, and along the storm drainage channel adjacent to East 13rd street.

Such activities as and others intended to brighten local residential and business areas can do much to upgrade morale, and could touch off a chain reaction of ideas to make each block of the Quad-Cities a more attractive and inspiring place to visit or view.

Each member of his family must be paid, and the remainder by 4% and the answer will be the amount of tax to be paid.

There will be no medical, charitable, interest, taxes, etc., to compute, since none of these deductions are allowed other than the remainder by 4% and the answer will be the amount of tax to be paid.

This one bright spot, however, loses some of its lustre when one realizes the amount of the majority will have to pay.

Neither does the governor mention any reciprocal agreement, and the proposed law, with Missouri, or any of the other four border states, all of whom have state tax laws in effect.

Illinois residents employed in Missouri already pay this tax and, if they are employed in St. Louis, they pay a city earnings tax of 1% on their gross salary as well.

Without a reciprocal agreement, individuals will have to pay income taxes both where they live and where they work.

Surely the amount of revenue lost by such an agreement could better be borne by the state than by the individual.

I am not objecting to, nor disagreeing with, the governor's contention that additional revenue is essential. This is also the consensus of many other state officials and others who are in a better position to know than I.

However, I strongly protest the amount of tax we shall have to pay if no deductions are allowed other than those now proposed.

Missouri, for instance, allows a wage earner a personal exemption of \$2400 for man and wife, and \$400 for each dependent.

Most deductions allowed on one's federal tax return are permitted, and others which the federal government does not. Yes, Missouri has a sales tax of only 3%.

Governor's Budget Bureau Voted

(Springfield Scene)

The Illinois House passed Senate Bill 226 to establish a Bureau of the Budget within the governor's office.

The House also has passed House Bills 62-63-64 to put the Chicago House of Correction under the Cook county sheriff.

The Senate has passed S. 112 banning sale of personal property in competition with local businesses by state college and university bookstores.

The House has passed H. 498-504 to deny applications and fees for state registration exams in various professions, trades and occupations if the applicant fails to take the examination within three years of making application.

The House approved S. 35 permitting teachers to lead classes in a daily period of silent meditation.

Sen. G. William Horsley (R-Springfield) has introduced S. 622-623 authorizing group operation of two or more banks within Illinois.

The House Insurance Committee has killed H. 402 which would have required auto owners to carry a home accident insurance policy.

President Nixon has appointed Illinois Senate President Pro Tem W. Russell Arrington to the National Advisory Commission on Intergovernmental Relations.

Final legislative action has been taken on S. 45-46 designating the first Monday in January, 1971, Lincoln's birthday, first Monday in February, Washington's birthday, third Monday in February, Memorial Day, last Monday in May; Columbus Day, second Monday in October; and Veterans' Day, fourth Monday in October.

Beware of Some Home Repair Plans

(Tri-City and Illinois Bar Associations)

There are steps homeowners should take to nip questionable home improvement deals in the bud this spring.

While the great majority of home improvement and repair contractors are completely trustworthy, the state bar association issues a warning about a scam at this time against unscrupulous operators "who appear in the spring and disappear with the dollar."

Gyp peddlers do shoddy work, use cheap materials and often leave the work undone and cannot be located.

Disappointment and lawsuits often will be avoided if homeowners will take the following precautions to be sure they are dealing with reputable contractors:

1) Ask relatives or friends to recommend contractors with whom they have had satisfactory experience.

2) Call the Better Business Bureau (Tri-Cities Chapter of Commerce) to determine whether any complaints have been made against the contractor.

3) Ask the contractor for references, including names of customers who hired him for a job similar to yours. Look at photographs of those jobs and, if possible, visit one or more of them to examine the work for yourself.

4) Check the contractor's written address to be sure he has an office and a stake in the community.

5) Make sure the contractor carries public liability insurance to cover injury to others on the work site.

6) Obtain any necessary permits from the village or municipal authorities. Generally, a permit is required to build a garage, make an addition to the house, or alter or expand plumbing or electrical work.

7) Demand a written contract that includes detailed specifications, the date the work should start, price to be paid, materials to be used and the date of completion.

8) Make a down payment, that is no larger than is necessary to "show" good faith. Generally 5% to 10% is adequate.

Additional payments should be made only as the contractor provides written lien waivers showing that he has paid labor and material costs for work already completed.

Subcontractors can legally demand payment by the property owner if they are not paid by the contractor. And they have a lien on the property until payment is made.

If the work is extensive, arrange for a bank mortgage company or other financial institution to handle payments.

Finally, don't select a contractor simply on the basis of a low bid. The low bidder may not necessarily be the best performer. Also, he may have underestimated the actual costs of doing the job correctly.

City Planning Is a Continuing Process Due to Constant Change

(Granite City Long-Range Plan)

The community planning process is a continuing process, based on a logical procedure of research, analysis and decision-making.

One planning methodology is that a community will initiate a series of studies to analyze data and determine the community's needs and resources. Based upon these needs and resources, goals and objectives are established.

In order to attain these goals, the community establishes a set of development policies. Based upon the studies, goals and policies, a plan will be formulated.

The plan verbally and graphically depicts the type of community that both the people and city leaders desire.

25 YEARS AGO

APRIL 10, 1944

Donald Bowler won 888-750 over C. W. Munson, incumbent, for a Community high school board position. Bowler is now on both the grade and high school boards.

Three local bricklayers, Arthur Knapp, Harold Henemeyer and Harry Brandt, all family men over combat age, have signed up with a construction firm to spend the next year and a half on the new refinery. They will be flown there in Army planes, and had to pass the standard Army physical examination.

Once again, Madison, Granite City, Venice, Namekoi and Mitchell have met the Red Cross campaign goal, this time over-subscribing the \$35,000 goal by \$8195 or 23%.

Compton's restaurant, operated for many years at the American Steel Foundries by Bryan-Compton, moved into new and larger quarters there.

Minor Changes In GC Vote Canvass

A canvass of the April 1 city election was conducted Monday night by Granite City council members, who noted there were no material changes in the results as announced unofficially election night.

Authorization was given for preparation of a resolution to declare the names of the winners. It is to be submitted for approval at the April 21 meeting.

The canvass showed only a two-vote change in the mayor election, with Mayor Partney receiving 6216 votes instead of the unofficial 6214 figure. Boyd's total was 5667.

There also was a change in the total for Paul Simon, write-in candidate for city treasurer, who opposed incumbent E. R. "Pat" Rich. Simon's official total was 1444, which was 227 less than the election night tally of 1671.

There were no other changes. In making the canvass late in the council session, the aldermen commented on the 894 spoiled ballots on the special vote for reducing the size of the council. Most of the spoiled ballots were unmarked ballots that were dropped in the ballot box by voters not caring to decide on the issue.

Total vote in the city election was 12,414 and the total on the special ballot was 11,993.

Honored by Jr. Achievement

Gen. Sverdrup Presented Free Enterprise Award

Junior Achievement has presented its annual Free Enterprise award to Gen. Leif J. Sverdrup, nationally known business and civic leader and a member of the board of directors of Granite City Steel Co. The presentation was made Monday afternoon in St. Louis.

Gen. Sverdrup is the fourth St. Louisian to receive the award which is given to a local business and civic leader for contribution to free enterprise. Previous recipients are former Congressman Thomas B. Curtis, James McDonnell, board chairman of McDonnell Douglas, and James P. Hickok, board chairman of the First National Bank.

Howard L. Young, president of American Zinc Co. and president of the Junior Achievement board, made the presentation to Sverdrup before an audience of 40 business and civic leaders at a luncheon. Gen. Sverdrup is chairman of the board and chief executive officer of Sverdrup & Parcel Associates, St. Louis-based engineering and architectural firm which operates throughout the world. He also heads five subsidiary firms.

GEN. LEIF SVERDRUP

Besides being active in many professional and business organizations, he has participated in a wide range of civic activities. He also has served as the Norwegian consul for the states of Missouri, Kansas and Oklahoma, and was commanding general of the Engineering Construction Corps during World War II.

\$255,596 City Bill List Includes Storm Sewer Cost

A bill list totaling \$255,596, the half-monthly payroll amounting to \$50,476 and sick leave benefits of \$1663 were approved Monday night by Granite City council members.

Of the total bill list, \$10,209 was paid to S. M. Wilson & Co. for estimate No. 6 under the storm water sewer construction program, and \$38,034 was paid to A. H. Sebold Co. for repairs to sewer breaks.

Street lighting for March cost \$3882, paid to Illinois Power Co., and the amount paid to the Illinois Municipal Retirement fund for employees during March amounted to \$4882, while social security amounted to \$396.

For arterial street maintenance planning, Research Planning & Design Associates was paid \$1278 as a preliminary engineering fee.

Fund Transfers

In other action, the council approved three resolutions for fund transfers, with \$138,700 of the sales tax reserve going to 10 city departments, \$26,000 to the working cash fund going to the sewer maintenance fund to keep up payments on sewer breaks, and a fund transfer within the street department.

Of the \$138,700 transferred from sales tax, \$30,000 is going to the fire department, \$21,300 to the street department, \$64,800 to the police department, \$2000 for street lights, \$5000 for the pumping station, \$3000 for general government, \$1000 for the city hall maintenance, \$1500 for the humane department, \$700 for election costs and \$4400 for the school crossing guards.

Dr. Hargrove to Speak At 1st Baptist Church

Plans are complete at First Baptist Church, 21st street and Delmar avenue, for the Crusade of the Americas Revival. This evangelistic endeavor of South, Central and North America will involve 100,000 churches and 20 million people.

The pastor, Rev. Edward Hamilton, reports that a week of nightly services has been planned by the church for April 13-20 at 7:30 p.m.

Dr. Billy T. Hargrove of the Southern Baptist Convention Home Mission Board will be guest evangelist. A native of Norborne, Mo., he is a graduate of William Jewell College and Southwestern Baptist Theological Seminary. He served as a liaison agent in world war II.

Before his service with the Home Mission Board, he served as Director of Surveys for the Missouri Baptist Convention and earlier as the field representative in Stewardship and Missions.

Dr. Hargrove has held pastorates at St. Joseph and Clearmont, Mo., and was a pioneer missionary in the northwestern part of Missouri. He is presently field representative in the Division of Church Loans for the Home Mission Board.

Nightly Revival Services At Temple Baptist

The Temple Baptist Church, 714 Cambridge avenue, Madison, is holding revival services nightly at 7:30 o'clock.

The revival began Sunday evening with the Rev. W. J. Richardson, as evangelist. At 1:30 p.m. Sunday, April 13, there will be a gospel sing, featuring the Country Gospel Singers, The Gospel Messengers and the Wallace Quartet. Announcement of the revival is made by the church pastor, the Rev. Jack Gouy, and the public is invited to attend.

Airman Joseph Garcia Jr. Arrives Home on Leave

Airman First Class Joseph Garcia Jr., son of Mr. and Mrs. Joseph Garcia, 2244 Miracle avenue, arrived home this week for a 30-day leave after serving 18 months duty with the Air Force in the Philippines and Vietnam.

At the conclusion of his leave he will report for duty at Pope AFB, N. C. A graduate of Granite City high school in January 1967 he enlisted in the Air Force on Feb. 14, 1967, for four years.

Robt. Gibson to Speak At Heart Conference

Robert G. Gibson of Chicago, secretary-treasurer of the Illinois State Federation of Labor, and formerly of Granite City, will be one of the guest speakers at the "Industry Has A Heart" conference at Illinois State University, Normal, today.

The conference will deal with the problems of heart and blood vessel diseases in industry and sponsored by the Illinois Heart Association, is expected to draw leading industrialists from throughout the state.

Fred A. Kummerow, Ph.D., of Urbana, president of the Illinois Heart Association, will be on hand to welcome guests attending the conference which is to begin at noon in the University Union ballroom.

Hole Shot in Windows

Alex Lapinski, 2330 Pontoon road, reported Monday that vandals shot a hole through the rear storm and inside windows of his home between 1 and 2 p.m. Saturday when he said he heard a "ping." A spent .22 caliber slug, which had hit the window at an angle, was found on the sill.

GO TO CHURCH ON SUNDAY

Higher Bus Fares To Start Monday

The new fare structure for Bi-State Transit System which raises the basic rate ten cents for local service and an additional five cents for express service starts next Monday, it was announced this week. The increases were recommended by W. C. Gilman & Co., consulting engineers for the Bi-State Agency and approved by the Bi-State commissioners at their March 31 meeting.

Effective Monday, cash fare for local service will be 40 cents for adults and 20 cents for children, with express service costing an additional five cents to each fare. The "silver" weekly pass, good in the Central Area only, which includes the Quad-Cities, will cost riders, \$5, an increase of \$1.10.

The "gold" pass, good for unlimited number of rides in the Central Fare Area, plus two suburban zones, will cost \$6 up from \$4.50. The discount pass, usable between 9 a.m. and 4 p.m. Monday through Saturday and all-day Sunday and certain holidays, will remain at the present \$2.50 rate.

A feature of the new fare structure for suburban riders will be the granting of a 2-zone ride for the basic fare of 40 cents. The present suburban basic rate of 60 cents is limited to a 2-zone ride.

A special 30 cents "inner-city" rate, good during off peak hours on all routes entering downtown St. Louis in an area generally east of Kingshighway in St. Louis and west of 26th street in East St. Louis will be in effect from 9 a.m. to 3:30 p.m. and from 6 p.m. to 6 a.m. Mondays through Saturdays and all-day on Sundays and specified holidays.

The present suburban zone charge of 10 cents and the transfer charge of 5 cents will remain unchanged. Also, student rates, in both Missouri and Illinois, will not be changed at this time in the anticipation that financial assistance will be granted to Bi-State Transit System by the two states to offset the difference between the student rates and the basic adult fare.

In addition to the changes in fares for regular service, it was also announced that an increase of about 10% will be made in charter service rates.

STEPHEN MAERAS

STEVE KAMAN

Two in Mayor Race

Stephen A. Maeras, 62, the only mayor ever to serve the city of Madison since its organization in 1942, is seeking re-election to his eighth consecutive term in next Tuesday's city election.

Mayor Maeras, who lives at 838 Alton Avenue, is a native of Bucharest, Rumania, moving to Madison with his family when he was four years old.

He attended Madison elementary schools and graduated from LaSalle Extension University and attended classes at Washington University from 1932 through 1939.

While attending college he was employed by Southwestern Bell Telephone Co., the Barber Asphalt Co. and the Madison Coal & Feed Co.

He entered politics in 1936 as a candidate for a Madison school board membership and was defeated. He was elected to the school board the following year and served until 1945. He was elected to the Madison village board of trustees in 1939 and in the same year was named resident auditor for the Chain of Rocks bridge.

He served as general accountant at General Steel Castings armor plant from 1942 until 1944 when he entered his present insurance business.

Maeras was elected mayor of Madison when it was incorporated in 1942. He is a director of the Tri-Cities Chamber of Commerce, a member of the Executive and Legislative Committees of the Southwestern Illinois Council of Mayors and a member of the Southwestern Illinois Metropolitan Area Planning Commission.

He is a past president of the Unihw District, Boy Scouts of America, a member of the Board of Directors of the YMCA, member of the Independent Order of Odd Fellows Lodge 1601, Madison, and a member of the First Methodist Church of Madison.

Mayor Maeras also is a director of the First National Bank in Madison and a member of the State of Illinois and Villages Municipal Problems Commission.

He is married and has one daughter, a son and a step-daughter.

The mayor said: "Loving my city as I do, I want to see a successful completion of our Stephen Maeras Industrial Park with its many economic benefits to all; to seek further favorable annexation laws from the state; to secure the city's future by ensuring that we have a strong and sound financial base; to expand our city and to make it a more favorable and economically sound place to live and work; to make it a more favorable place for the taxpayers in our city now."

His answers to the questions: 1. "Whatever is necessary to conduct a clean campaign in every respect, calling attention to our citizens to a record of accomplishment that is a credit to itself and can be verified in every instance."

2. "From any legitimate source, providing there are no strings attached in any way whatsoever."

3. "Having a wide acquaintance due to my long tenure in office as mayor and being one of the Democratic leaders in our area, I will be supported both politically and as well financially from these friends from everywhere in this area, including some State personnel."

4. "I have not made any commitments or appointments because I do not have any to make, being completely satisfied with the splendid personnel that we have who bend every effort to be of service to our people every day."

5. "I most certainly do, providing it is voluntary and it is given from the heart and not by virtue of any pressure. An employee must be loyal to his employer, otherwise nothing good can be accomplished."

6. "I most certainly do, and if my memory serves me right

Steve G. Kaman, 61, a 33-year resident of Madison, is seeking election April 15 as mayor of the city of Madison.

Kaman, of 1021 Washington Avenue, is a carpenter and has been engaged in general contracting for the past 20 years.

He attended the Harris elementary school and Allentown high school at Allentown, Pa. He is a member of St. Mary's Catholic Church and past president of the Chain of Rocks Bridge and Holy Name Boosters of which he still is a member.

Kaman is a member of the Horseshoe Lake Rod & Gun Club and Carpenters Local 633. He was building inspector of Madison for 16 years.

He is married and has two daughters and two sons.

He said: "My reasons for seeking public office come from my interest in Madison and its people. The city has developed in many areas since its incorporation, but it is steadily losing its population. I feel that new ideas are needed for further progress—progress that will create a city that keeps its citizens. I know that if elected I will bring a change in ideas and also progress for Madison and all the people."

His answers to the questions: 1. "The combined funds of all the independent candidates for about \$1500. We all share this amount."

2. "Private donations without obligations attached."

3. "No."

4. "No, I do not favor campaign support, financial or otherwise, by city jobholders or otherwise. They should be obliged to involve themselves in partisan politics. Their jobs are for the benefit of citizens and not for the people in office."

5. "No, I do not favor campaign support, financial or otherwise, by city jobholders or otherwise. They should be obliged to involve themselves in partisan politics. Their jobs are for the benefit of citizens and not for the people in office."

6. "Joint establishment of an incident is the best method. One community would find it difficult to build and operate such an installation independently."

7. "Madison tavern hours should be changed to make them uniform with other local cities. Most of the trouble that takes place in our city's taverns happens after 2:00 a.m."

8. "Yes, I favor an adherence to the designated council meeting time to encourage public attendance. It is for the people and it should also be for the people."

I believe that I am the first to advocate this approach to the successful termination of the bridge waste disposal in lieu of landfills as presently used."

7. "Yes, providing that no doing this will not bring about many empty buildings, thereby creating unsightly conditions and at the same time losing the taxes derived from the property and further eliminating someone's livelihood."

8. "Being an incumbent I am not at liberty to discuss the future of the Chain of Rocks bridge. It is a matter for the community one of the most independent in the area, with no complements and no one to envy of many. The arrangements with our federal government is that the bridge will either be razed or operated as a free bridge whatever course it desires. Presently, as you know, it is being operated as a free bridge, but from investments of bridge surplus funds."

9. "Yes, by all means, we would like to see attendance at all of our meetings in addition to the press. The only times we get attendance is when an election is coming up, thereby bringing only those who are aspiring to office. The result is that after election no one shows up again. Operating a city is a big business and a lot of money is spent, consequently we solicit attendance of our people in addition to our press, radio, and television. The press does it to keep the citizenry informed but we need the citizenry itself, as well, to see that it is being done with their tax money, etc."

JOHN BELLCOFF

John N. Bellcoff, 46, incumbent city clerk of the city of Madison, is a candidate for re-election on the Citizens Improvement Party ticket in the Madison city election April 15.

Bellcoff, who lives at 1017 Grand Avenue, was born in Madison and has been a lifelong resident of the community. He is employed at the First National Bank in Madison.

Prior to 1966, Bellcoff operated a grocery store in Madison, and was employed at the Granite City auto agency in 1966 and 1967. He joined the First National bank in January 1968.

He attended schools in Madison, graduating from Madison high school, and attended Washington University in St. Louis for three years. He is a member of the Holy Trinity Bulgarian Eastern Orthodox Church in Madison and is a member of the DeMolay League of Honor group.

Bellcoff is a member of Granite City Lodge 877, AF&M, Scottish Rite Bodies 32, Alton Temple Shrine, James Stuart Chapter 13, DeMolay, and the American Legion, Amvets, Elks, Lions, White Shrine Guild, and the Madison Club.

Bellcoff, who also is a member of the Madison Board of Education, was appointed to the city clerk post to succeed the late Percy Lux. He is a member and treasurer of the Tri-City Regional Port District and from 1957 through 1961 was a member of the Madison County Board of Review.

Madison served as president of the Madison school board.

He is married and has two children.

He said in regard to his candidacy: "Being a civic-minded and dedicated citizen in this community for many years, I am proud to serve the citizens in good sound government that exists in Madison today. I will continue to provide honest and efficient service to its fullest extent."

He previously was employed as sales manager of Rite Electric Co. for nine years, worked in advertising for the Madison Republican, and worked at American Car & Foundry.

Bellcoff is a Venice high school graduate. He was graduated as a private investigator at Bolan Academy, N. Y., and is a graduate of Art Institute. He designed many floats, posters and exhibits for schools, churches, veteran organizations and other groups, and served as a judge in many art contests. He has won five nationwide art contests and last year was winner of a national contest at the National Electric Sign Association.

He is affiliated with the Methodist Church and is a member of Venice-Madison American Legion Post 307, Veterans of Foreign Wars Post 1300, Moose Lodge, president of the Madison Independent Club, and a supporter of various charities and clubs.

Bellcoff served as a paratrooper with the 11th Airborne Division in the Pacific campaign during world war II. He has never held public office.

He is married and has a daughter and two sons. He said in regard to his candidacy: "As a servant of First Ward residents I would voice their objections and promote their interests; oppose large expenditures without public approval; curbed excessive spending, such as paid receipts. It is reported certain persons did not attend some functions and were paid fixed expense regardless, while others did not spend all of the funds allotted for the function."

1. "Yes, I most certainly do, as a competitive bidding on all purchases. It seems certain firms have been favored with large business much too long both in our city government and schools."

2. "Yes, I favor reimbursement of some of actual listed expenses. There should be an itemized list submitted of all expenses incurred with proof, such as paid receipts. It is reported certain persons did not attend some functions and were paid fixed expense regardless, while others did not spend all of the funds allotted for the function."

Contests for all but one of the eight offices to be filled in the Madison city election Tuesday will highlight the three Quad-City area elections.

All Madison incumbents whose terms expire this year have opposition with exception of Alderman Booker T. Walton of the First Ward who has no opponent.

Seven opposition candidates are running on a slate, although their attempt to file as a party ticket was nullified by a circuit court order after the incumbent group challenged their petition forms.

Incumbent Mayor Stephen Maeras, who has held the office during the 26 years Madison has been incorporated as a city, is opposed by Steve G. Kaman, a carpenter, construction contractor and former building inspector for the city of Madison.

City Clerk John Bellcoff, seeking re-election with the incumbent party ticket, is opposed by Thomas E. Watson, railroad agent who also is seeking election to the Madison school board in Saturday's Quad-City area school elections.

The city treasurer's post is contested by incumbent Treasurer Demos Nicholas and George S. Burdel, a coil finisher helper at Dow Chemical Co.

In the aldermanic races, Robinson D. Reeves, incumbent alderman of Ward One is opposed by Harold Ballentine, sales manager for an electric sign manufacturing firm.

Second Ward Alderman Benjamin L. Bosworth is opposed by Richard L. Kiser, employee at Dow Chemical Co. and making his first bid for elective office.

Ry Kozelek, incumbent alderman of Ward Three, is contested in his re-election bid by Sam Chomko, a crane operator at Granite City Steel Co., and Joshua T. Sanders, a mechanic at Granite City Steel Co.

Christ Costoff, incumbent of Ward Four, is opposed by Ronald M. Gusheloff, an employee of United Parcel Service. The opposition group filed no candidate in the First Ward.

Madison voters will ballot by wards in five precinct polling places, located at:

Ward One—Madison fire station, 1527 Third Street.

Ward Two—Public library, 1700 Fifth Street.

Ward Three—Madison Memorial Center, Seventh and Lee, from Fourth to Trinity Hall, 1245 Madison Avenue.

RAY KOZIELEK

Raymond F. Kozielek, 42, of 1703 Sixth Street, alderman of the Third Ward in Madison for the past eight years, is seeking re-election to his third consecutive term in the April 15 municipal elections.

Reeves, who lives at 1414 Third Street, was born in Kansas City, Kan., and has lived in Madison 32 years. He is a member of the Madison school system.

He formerly operated a news agency in Madison and formerly was employed at Granite City Steel Co. and Dow Chemical Co.

He is a high school graduate and was employed at the Presbyterian Church.

Reeves is a member of Venice-Madison American Legion Post 307, Veterans of Foreign Wars Post 1300, Moose Lodge, and the Men's Democratic Organization.

He was elected to his first term as alderman in 1961 and re-elected in 1965. He is married and has one daughter and one son.

He said: "I enjoy meeting and serving the public. I believe integrity should come first. Also, having owned and worked as a news agent for 20 years in Madison has been helpful in showing me some of the city's needs. My past experience in office has proved to me that capable, reliable and dependable administration is necessary in city affairs. I will continue to help maintain this attitude."

His answers to the questions: 1. "Yes, as covered by statutes of the state of Illinois."

2. "Yes. Facts are part of integrity in office."

3. "Yes. I favor reimbursement of some of actual listed expenses. There should be an itemized list submitted of all expenses incurred with proof, such as paid receipts. It is reported certain persons did not attend some functions and were paid fixed expense regardless, while others did not spend all of the funds allotted for the function."

Expect Tight Venice Vote; Opposition Lacking

Only One Contest To Mark Tuesday Venice Election

With exception of the lone contest for the city treasurer's office, the Venice municipal election next Tuesday is expected to attract only slight interest. There is no opposition to seven of the eight candidates running an incumbent slate under the title of City Improvement Party.

DR. JOHN E. LEE For Mayor

Dr. John E. Lee, 47, now completing his 12th year as mayor of Venice, is a candidate for re-election to a fourth term in the April 15 municipal elections.

Dr. Lee, who lives at 1320 Klein street, is a native and lifelong resident of Venice.

He is a dentist with offices at 401a Madison avenue.

Mayor Lee attended St. Mark's elementary school in Venice, St. Louis University high school, obtained his BBS degree at St. Louis University and his DDS degree at St. Louis University Dental School.

He is a member of St. Mark's Church, St. Mark's Holy Name Society and the Knights of Columbus. He also is a member of the American Legion, Venice Lions Club, Venice Crippled Children's Organization, the Venice Homecoming Association, the Illinois State, Madison County and Tri-Cities Dental Associations, the Chamber of Commerce, United Fund and the Boy Scout Council.

Dr. Lee is married and has three children.

He said he is seeking re-election so that "I can continue efforts to make our city one community in which all people strive to work and progress together toward a better community. In the foreseeable future we shall see the completion of the Broadway underpass and the institution of the Neighborhood Redevelopment program."

His answers to the questions:

1. "It would be hard to ascertain how much money will be spent in any campaign as no one ever can predict how much might arise, which would cost money. You get into any campaign to win, the cost becomes secondary."

2. "In general our campaign funds are raised by those on the ticket."
3. "At present I don't know of any support that we will get from outside but I certainly would not be adverse to any given, if it were given freely and above board."

4. "If re-elected I would intend to keep the same personnel that we now employ."
5. "I certainly do favor campaign support by those working for the city but their primary importance on their retaining their job is their work they perform for the city."

6. "A community incinerator would be advantageous to the Quad-Cities area and a joint venture would certainly be in order. If a study was conducted and an incinerator was feasible, it would be a good idea."

VENICE MAYOR QUESTIONS

1. How much money will be spent in all phases of your campaign?

HARRY BUENTE

E. H. Buente, 73, of 718 Third street, is seeking re-election to his seventh consecutive term as alderman of the First Ward at Venice. Buente is a candidate on the incumbent slate running as the "City Improvement Party."

Buente attended Venice schools and formerly served as Venice fire chief for 17 years. He is a world war I veteran, a member of the Lions Club, the Brotherhood of Railroad Clerks, the Brotherhood of Railway and Shipbuilding, and is a member of the Evangelical Church.

He said he is seeking re-election "to maintain a good city government."

His answers to the questions:

1. "Yes."
2. "Fixed expense."

HANK SVEZIA

Hank A. Svezia, 53, of 619 Broadway, Venice, incumbent alderman of the Second Ward, is seeking re-election Tuesday on an incumbent slate running as the "City Improvement Party."

Svezia is self-employed and has been in the produce business for nearly 35 years. He attended Venice schools and is a member of St. Mark's Church, the Holy Name Society and the Venice Social Club. He is married and has three children.

He said he is seeking re-election "to give the people of my ward the representation they deserve, to make this ward and the city of Venice a better place to live."

His answers to the questions:

1. "Yes."
2. "Fixed expense."

JOHN ERVIN

John Ervin, 35, incumbent alderman of Ward Three in Venice, is a candidate for re-election without opposition in the April 15 city election.

Ervin was elected Third Ward Alderman two years ago to fill a vacancy and fill out a two-year unexpired term. He now seeks election to the full four-year term.

Ervin was born in Mississippi and has lived in Venice for 20 years. He is employed on the custodial staff of the Venice school district, a post he has held 15 years.

He attended Lincoln high school at Venice. He is a member of the Quinn Mission AME Church, the North Venice Democratic Club, the Venice City Organization and is a co-commissioner of the Venice-Madison Khoury League. He is married and has a son and two daughters.

Ervin said: "I think every person should be interested in the welfare of his community. This is one of the reasons for my seeking public office. It is a privilege and a pleasure to work with people and accomplish some of the community goals. However, we don't always reach all of our goals, but we always try to give an honest effort."

His answers to the questions:

1. "Yes, on purchases over \$500 to the lowest qualified bidder."
2. "Fixed expense allowances."

HENRY BAUCUM

Henry M. Baucum, 61, operator of a Venice grocery, is a candidate for alderman of the Fourth Ward in Venice in the April 15 election. He has no opposition.

Baucum lives at 1000 Market street and is a 48-year resident of Venice. He was born in Mississippi.

He attended Lincoln high school in East St. Louis and is a member of the Bethel AME Church at Venice.

Baucum is active in Boy Scout work and is a member of the Jerico Masonic Lodge 129 and the Henry Mitchell American Legion Post 790.

He was a member of the Madison Playground and Recreation Board from 1943 to 1961 and a member of the Madison school district board of education from 1953 through 1965. He is married.

He said he seeks election "to use all the energy and influence I have to make our city a better place to live, and to try to create a better relationship between the city and the people. It is very necessary for progress of our city and my people."

His answers to the questions:

1. "Yes."

in the city without repeatedly coming to special interest groups."

His answers to the questions:

1. "I favor competitive bidding, and for large purchases I should have public hearings on them."

2. "I favor reimbursement of actual listed expenses. I don't think it should fluctuate from week to week. Fixed allowances indicate to me a padded payroll."

Ervin said he was seeking public office, "to allow no special interest group to control any part of our community life. I would propose and support an 'anti-strike breaker' ordinance. I would be for a free and open city council meeting, (no secret caucus), open press coverage, (no censorship) and more city sponsored youth programs."

His answers to the questions:

1. "Yes, I do favor fair and sealed competitive bidding."
2. "I favor reimbursement of actual legitimate expenses."

Christ Costoff, 1225a Madison avenue, incumbent alderman of Ward Four in Madison for the past eight years, is seeking re-election in Tuesday's city election to his third consecutive term. He has opposition.

Cutoff in past years was on the state payroll as a beauty shop inspector and served as chairman of the Venice Township Democratic organization. He is an operator of a tavern at 1225 Madison avenue.

He did not submit a Press-Record questionnaire and photo.

RONALD GUSHLEFF

Ronald M. Gushleff, 30, is making his first bid for public office as a candidate for alderman of Ward 4 in Madison. A lifelong resident, he and his wife, Barbara, make their home at 1235 Washington avenue.

He has never held public office before.

He attended high school and received his further schooling in the U.S. Army Service school. He is a member of the Baptist Church, is a member of Madison Lodge 877 and the Order of Eastern Star.

He also belongs to the American Legion, Operating Engineers Local 520, the Long Lake fire department and the Pontoon Beach Youth Recreation Center. He has never held public office before.

He said he is seeking the office because "I believe that the village board should consist of members representing as many points of view as possible. My election as a small independent business operator would add one more to the village board."

He is married and has three sons and a daughter.

His answers to the questions:

1. "Yes."
2. "Actual expenses."

Robert Brown, 37, of 3741 Sunny Side drive, is seeking

his first elective office as trustee of the village of Pontoon Beach in the April 15 village election.

Brown is a sheet metal worker employed at the Granite City Sheet Metal Works, and formerly was employed for ten years at the Shell Oil Co. refinery.

He was born in South Bend, Ind., and has been a resident of the Pontoon Beach area for 17 years. He attended elementary school and was graduated from high school in Indiana. He also served his four-year sheet metal apprenticeship in Indiana.

Brown is a member of the Church of Christ at Pontoon Beach, is a member of the Lake school PTA. He served in the U.S. Army in the Far East from 1942 through 1954.

He said: "The tax dollar could be spent more wisely, in my opinion, and there should be less time delay on the more urgent matters pending. My personal interest in the new village causes me to believe my services as trustee would be beneficial to all concerned."

His answers to the questions:

1. "Yes, over \$50."
2. "Reimbursement, yes."

Pontoon Beach to Elect Trustees

Five Candidates Seek Three Posts In Pontoon Beach

A five-way contest for three village trusteeships subject to election in Tuesday's municipal elections will mark the balloting in Pontoon Beach.

Three incumbents whose terms expire are seeking re-election with two opposing candidates in the field.

Pontoon Beach, unlike other municipalities in the area, does not elect a mayor and clerk this year.

Incumbent trustees Donald McNew, 3688 B street; Otto Kreher, 3949 Lake street, and Richard Jones, 4145 Highway 111, are seeking re-election.

The other two candidates bidding for two of the posts are Fred Recer, 4225 Highway 111 and Robert Brown, 3741 Sunny Side drive.

Pontoon Beach voters will ballot in only one polling place, located at the Long Lake Fire department hall on Pontoon road. The polling place will open at 6 a.m. and close at 6 p.m.

DONALD MCNEW

Donald R. McNew, 36, of 3688 B street, incumbent trustee of the Pontoon Beach village board, is seeking re-election to the office in the April 15 city and village elections.

McNew, employed as a melder at Dow Chemical Co., was born in Lawrenceville, Ill., and has lived in the Pontoon Beach area for 19 years. He served in the armed forces and formerly was employed at General Steel Industries.

He attended Princeton elementary school and is a high school graduate. He is a member of the Emmanuel Baptist Church.

He is a member of the Long Lake fire department, a committeeman of Boy Scout Troop 23 and a member of Masonic

OTTO KREHER

Lodge 877. He is married and has three children.

McNew said of his candidacy: "I am concerned with the development of Pontoon Beach and wish to see its continued growth. I have tried to represent the people fairly and will continue to do so."

His answers to the questions:

1. "Yes."

RICHARD JONES

City Steel Co. blast furnace department.

He attended Stallings school and Granite City high school. He is a member of the Pontoon Beach Church of Christ.

Kreher is a member of Chemical Workers Union Local 50, VFW Post 1300, Amvets, and is an institutional representative of Boy Scout Troop 23.

He was elected a village trustee at Pontoon Beach in a two-year term when the village was organized, serving until 1965 when he was re-elected to a full four-year term.

Kreher is married and has one daughter and one son.

He said of his candidacy: "As a lifelong resident of the Pontoon Beach area, I am interested in the welfare of the village residents and expectancies of my children. If re-elected I will put the village problems and interest first, as I have for the past six years; instead of politics."

His answers to the questions:

1. "Yes."
2. "Yes."

FRED RECER

trustee at Pontoon Beach for a two-year term when the village was organized, serving until 1965 when he was re-elected to a full four-year term.

Recer is married and has one daughter and one son.

He said of his candidacy: "As a lifelong resident of the Pontoon Beach area, I am interested in the welfare of the village residents and expectancies of my children. If re-elected I will put the village problems and interest first, as I have for the past six years; instead of politics."

His answers to the questions:

1. "Yes."

County Tavern Owners Plan Fete for May 20

The April meeting of the Madison County Tavern Owners was held Tuesday at the Rose Bowl with Charles Hester, president, as host. About 25 members attended. Hester gave a report on bills concerning tavern owners that are to be introduced in the state legislature this week.

The remainder of the meeting was spent in formulating plans for the fourth annual Tavern Month celebration to be on May 20 at the Venice-Madison American Legion Post. An orchestra will furnish the music and tickets are available at all member taverns.

GC Optimists Observe 40th Anniversary

The Granite City Optimist Club is observing its 40th anniversary this month and celebrated with the four-decade birthday celebration has achieved membership in the Optimist International's select "Century Society," an honor accorded clubs whose roster lists 100 or more members.

About 35 clubs currently hold the "Century" title. The International organization, now numbering close to 100,000 members, was organized on a national basis in June 1918.

The Granite City club was formed in April 1929 by 26 local men, including charter members Arthur D. Roseman and A. M. Wilson, who still are members.

Roseman, owner and operator of a local paint company, is active in many Optimist projects and served as chairman of the past December of a successful Christmas tree sales project. He is a past president of the men's service club and has served in most of all club offices.

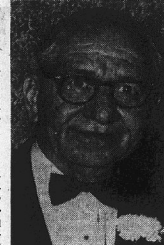

Roseman and Anthony Michel were named this week by Optimist President Fred Cunningham as winners in a recent club membership contest. The two men will receive tickets to the "Ice Capades Show" at the St. Louis Arena.

Bringing the club's membership roster to the 100th figure are new members—James W. Barton, township assessor; Emerald Dawes, Seventh Ward Alderman and barber; P. Lewis Frazer, General Steel Industries; Dr. F. Scott Hendrickson, dentist; Thomas W. Hundley, auto dealer; Frank M. Kaych, real estate dealer; Melvin O. McKay, Granite City Steel Co.; Lawrence J. Pieper, Pieper Funeral Home; Kenneth Rapp, Maryland Real Estate; Jack Schmacker, auto dealer; Thomas G. Signal, service station operator; and Robert H. Thomas of Mercer Mortuary, county coroner.

19-County CD Group To Hear Flood Plans

Local and county civil defense directors and disaster team personnel from the 19-county Southwest Mutual Aid Area will meet with U.S. Corps of Engineer officials to discuss flood preparation plans tomorrow evening at the St. Clair county CD headquarters in Swansea.

According to Col. Donovan M. Vance, Illinois CD director, serious flooding is still predicted in various parts of Illinois and if thaws occur rapidly or rainfall is high, the danger may surpass those of the record 1965 flood. Environmental Science Services Administration (ESSA) predicts crests will fall somewhere between the 1952 and 1965 flood, if Illinois' luck holds, the state director said.

GC Council Authorizes Repairs to Seventh Recent Sewer Break

—not at a riser, but at a hole knocked in the line by a householder living outside the city limits along Pine street.

City records are to be checked to determine if a permit was issued, and it was reported there have been no payments of the \$2.50 monthly sewer rental charge for the Pine street sewer.

City May File Suit

Council members instructed City Atty. Scroggins to confer with the engineer to determine responsibility for the break and to file suit against the householder for damages sought from the city and for repairs to the line.

One bill received from Kenneth Seckelhoff, 2557 Lynch avenue, seeks \$368 from the city for replacement of basement floor tile and other damages from sewage backup. The bill was referred back to Scroggins, who had recommended payment by the city. The engineer was asked to restudy the matter, because of other such bills received by the city.

The city planning to determine any illegal tap-ons through a closed-circuit television inspection of the Lynch avenue trunk sewer line.

Arrangements for a test of a plastic sealer to halt washouts at sewer joints are to be made

Engineer Study Nearing Completion

Authorization was given Monday night by Granite City council members for A. H. Seebold Co. to start repairs to the city's seventh sewer break in recent months.

A report is to be submitted at the next meeting, April 21, by the engineering firm of Research Planning & Design Associates on steps to be taken to prevent further breaks in the 10-inch sanitary sewer line along an easement in the 2500 block of Lynch avenue.

The break discovered Monday was the third along the line and occurred only 30 feet away from an earlier break. Engineer Kenneth Kleberger said it might possibly have been caused by a "homemade tap-on

survey includes conferences with the Mississippi River Fuel Transmission Corp. that a drainage pipe under the Altus & Southern Railroad tracks—about 1000 feet north of Pontoon road—is open. The city is hopeful the pipe will ease the problem with Doherty Slough.

The street department was authorized to excavate at 2624 East 28th street on city property between the sidewalk and curb to determine the cause of a sanitary sewer stoppage there. The line is about nine feet underground and city officials believe the trunk may have been installed privately for development of the area a number of years ago.

The initial sewer break in the 2500 block of Lynch avenue cost the city \$39,547, and on the bill list Monday night was a payment of \$38,034 to A. H. Seebold for repair work on breaks at the Nameoki grade school playground, at 2557 Lynch avenue, at Wayne and St. Clair avenues, at 2633 Lynch avenue and at 3100 East 23rd street.

following receipt of a recommendation by the city engineer. The plastic sealer is preceded by a TV inspection of the lines, and one firm has offered to take a section of any sewer line selected by the city to stage the test.

10 Sealer Firms

Engineer Kleberger said he has been in contact with about 10 firms that do sewer line sealing, and that his firm's study will determine definitely if the high water level undergroun and overflowing Doherty slough are direct causes of the breaks. "It could be that all of this is happening because of homemade, illegal tap-ons," the engineer told the council.

Members of the council voted to proceed with a get-tough policy on any such illegal tap-ons.

Kleberger said he has discovered underground pockets of surface water which need to be cleared because of the high water table of the area. He told council members this could possibly be solved through installation of permanent type wells with pumps that cost around \$3000 each. The city has been spending \$15,000 to \$20,000 for well points to dewater areas around the sewer breaks.

Employer Returns Now Go to Service Center

Illinois employers filing wage and excise tax returns with the Internal Revenue Service should now send them to the IRS Center in Kansas City, Mo., 64170, instead of the district office at Springfield, Ill.

Envelopes addressed to the Service Center are included in the tax-forms package mailed to employers.

Jay G. Philpott, district director for central and southern Illinois, says mailing of tax returns directly to the Service Center will save the government several million dollars a year in shipping and handling costs. Congress enacted the direct mail requirement in 1966 and IRS is introducing it in stages.

Currently, the requirement applies to employers' wage and excise returns, Forms 941 and 706, in Illinois. Railroad retirement tax returns, CT-1 and CT-2, also should be sent directly to the Service Center.

The new mailing requirement will not disturb the relationship existing between the taxpayers and local IRS offices, Philpott explains. "All the services that have been provided taxpayers in the past from the district and local offices will continue to be provided at the same locations."

"By shifting the many clerical operations to the Service Center, the local IRS office staffs are free to increase taxpayer service."

Sam Venditto, 69, Dies; Ill 2 Months

Sam R. Venditto, 69, of 2019 Harding avenue, a retired burner at General Steel Industries, died at 11:30 p.m. Tuesday at St. Elizabeth Hospital where he had been a patient for six weeks. Death was attributed to complications following a stroke suffered on Feb. 10.

A native of Petrie Royale, Italy, he had made his home here for the past 57 years.

Mr. Venditto was a member of St. Joseph Roman Catholic Church and belonged to the Bollemaekers Union.

Survivors include his wife,

Dorothy; two daughters, Mrs. Juanita Williams and Mrs. Nadine Marcus of Granite City; a son, Phillip Koehn of Los Angeles, Calif.; one sister, Mrs. Victoria Innaola, Fulton, Mo.; two grandchildren and one great-grandchild.

Funeral arrangements are given in today's obituary column.

Upwards of 100 are anticipated, with representation from a variety of local agencies and from churches, including those which participate in the Protestant Welfare service program.

A special guest will be Rt. Rev. Msgr. William F. Winter, associate editor of the Press-Record.

A boys' vocal quartet from Coolidge junior high school will present a musical program.

President Orville Ganz will preside and Roy M. Lynn, dinner chairman, will introduce the speaker.

Prayer is to be offered by Rev. Samuel Boda, pastor of the host church.

Madison Avenue Crash

Damage to the right front of an auto driven by Maria E. Blevins, 4248 Division street, resulted from an accident in front of 1223 Madison avenue at 11:30 a.m. Tuesday, Madison police reported. Officers said the Blevins auto, headed south on Madison, collided with one driven by James Brown, 217 Second street, Madison, as it was pulling out of a parking space. Brown's car was undamaged, police said.

SOMEONE in that vast multitude out there wants to buy your home. He's looking for you. And you're looking for him. Will you both waste money and time in a tiresome search? How foolish. Both of you should have a talk with the man who displays this nationally recognized brand. This seal is the certain way to identify an expert at bringing the right buyer together with the right seller. He's a Realtor®.

FREE TIPS on selling your home. Just send your name and address to the local board of Realtors for pamphlets or advice. A Realtor is a professional who subscribes to a strict Code of Ethics as a member of the local and state boards and the National Association of Realtors. Only a Realtor may display this seal, which is a nationally known brand.

We don't stick this sticker on any old car.

This used car is guaranteed 100%.

This sticker lets you know that a used car isn't all used up.

Because any car that has this sticker has our 100% guarantee that we'll repair or replace all major mechanical parts* for 30 days or 1000 miles, whichever comes first.

And you know we would not give any old car a guarantee like that.

*engine, transmission, rear axle, front suspension, brake system, electrical system.

COSTUMED FOR THEIR ROLES as courtesans in the Masquers musical comedy production — "A Funny Thing Happened on the Way to the Forum" — are Mrs. Lynn Harsh, foreground; Ehllynn Tinney and Gail Joachimsthaler, first row; Jean Butterfield, center; and Mrs. Marge Pennell, Kathy Arnold and Diane Nocheff, standing.

Masquers Comedy Play Set for Friday, Saturday

Exotic costumes against colorful background settings will typify "A Funny Thing Happened on the Way to the Forum," a musical comedy set in ancient Roman times, to be presented by the Masquers on Friday and Saturday evenings in the auditorium of Webster school, Collinsville.

Curtain-time for both performances is 8:15 p.m., with tickets available at the door. Among several Granite City-ans in the cast are Mr. and Mrs. Ronald Pennell, both of whom are making their debut with the Masquers. They are employed at Granite City high school, where Pennell teaches English, speech and drama, and his wife instructs English and art classes.

Both obtained their degrees in education from Eastern Illinois University, Charleston.

Pennell holds a master's degree in theatre from St. Louis University and has appeared in several major roles, including Domain in "R.Y.R.," Orgon in "Tartuffe," Ishmael in "Moby Dick," and Sir Thomas More in "A Man for All Seasons." His other credits include "The Detective Story," "The American Dream," "The Lesson" and "Not in the Book."

Mrs. Pennell also has been active in several areas of theatre work. She entered three one-act plays in the Catholic One-Act Play Festival, held annually in Springfield, Ill., and won first place for her production of "The Old Lady Shows Her Medals," "Happy Journey," and "The Bishop's Candlesticks."

Pennell has captured several awards in the Jaycees' "Speak-

Up" events and is active in projects sponsored by the local Jaycee organization. The Pennells are the parents of two small daughters.

Appearing in the musical production as courtesans will be Mrs. Lynn Harsh and Miss Diane Nocheff of Granite City and Miss Kathy Arnold of Collinsville.

Mrs. Harsh joined the Masquers company two years ago and has appeared as a dancer in "Brigadoon" and "Carnival." She is a graduate of Granite City high school and was formerly employed at a local bank.

Miss Nocheff, a veteran Masquer performer, won the "Masquer Award" as "Best Actress in 1966" for her portrayal of Lotus Blossom in "Teahouse of the August Moon." She is a third grade teacher at Marshall school and is working toward her master's degree at Southern Illinois University-Southwestern campus.

Miss Arnold also has appeared in several previous Masquer presentations, although only in her senior year at Collinsville high school.

Other local residents who will appear in this weekend's production are Miss Erie Mills, Stanley Coleman, Earl Parsons, William Hoelscher, Beverly Scroggins, Mark Rigby and Harry Diak. Mrs. Mill Hoelscher is directing the comedy.

Motorist Fined \$130

James Oliver, East St. Louis, was fined a total of \$130 Monday in magistrate court here after pleading guilty to charges of illegal transportation of liquor, driving without a license and improper lane usage. He was arrested Friday.

**"IT'S EASY TO HAVE
A BEAUTIFUL GREEN LAWN
LIKE THIS"**

what to do... when to do it for early Spring Greening.

EARLY SPRING is a critical season of the year. A little time spent now can make your lawn the beauty spot of your neighborhood—and can help you keep it that way with a minimum effort, clear into next winter.

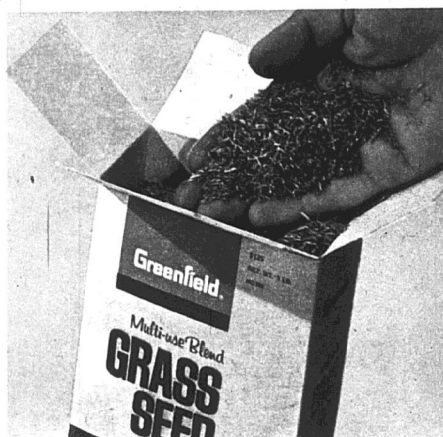

THERE'S ONLY ONE WAY to have lush and lasting greenery like this. That's with generous use of a lawn food such as Green Power®, with extra greening agents. It keeps your lawn green twice as long. Contains nitrogen, essential to fast, sturdy leaf growth . . . also phosphorous and potassium—vital for strong grass blades and a healthy root system. Fortified with Iron to give your grass a deeper, richer, longer-lasting green.

WAKE UP your lawn as early as possible. It takes a lot less time and money to prevent lawn problems than to cure them. For openers, mow the grass short. Catch or rake up your clippings.

FILL IN low spots with top soil. Don't be discouraged by the ravages of winter. If as much as half your grass is still in good condition, there's no need to tear up and start over.

SEED when necessary. Scratch bare spots with a rake and level the seedbed. Greenfield seed is a quality Kentucky bluegrass mixture blended for maximum resistance to disease and drought. 1 lb. \$1.25—5 lb. \$5.65.

SEEDING? Now spread Trebl—to handle every important spring lawn job at one time. Trebl kills crabgrass and keeps it out. Kills grubs and other insect pests. Fertilizes for lasting greenness and does not harm grass seed. Covers 2500 sq. ft. \$7.95. Covers 5000 sq. ft. \$13.95.

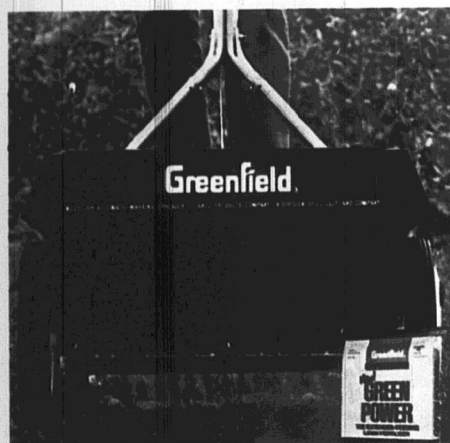

EARLY SPRING

REPAIR WINTER DAMAGE.
HEAD OFF CRABGRASS, INSECTS,
ALL OTHER INVADERS NOW!

STOP CRABGRASS. Crabicide® is the most economical way to kill the sprouting seeds of crabgrass, goosegrass and their cousins. One application keeps them out all season. **NEW SIZE** . . . Covers 5,000 sq. ft. Retail \$6.95.

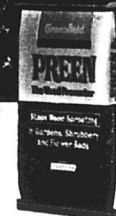

NO WEED PROBLEMS? Simply apply Green Power® to re-vitalize your lawn. Fortified with Iron for extra greening power. Long-lasting, non-burning. No watering in. 5,000 sq. ft. \$4.95. Save on 10,000 sq. ft. at \$8.95.

RELAX and let Greenfield Grass Seed give you a beautiful lawn. Greenfield seed is a sturdy mixture of Kentucky Bluegrasses and fescues. Free with Trebl or Green Power purchase (large size bag). Regular \$1.25 value.

START GARDEN EARLY with Preen®. Imagine—No need for hand weeding. One application of Preen keeps weeds out all season—from flowers, shrubs—even vegetable gardens. Preen contains exclusive Treflan®. **New Size** . . . Covers 2,500 sq. ft. \$4.95.

RIGHT NOW you can almost hear the grass growing. Maybe your dandelions and other weeds too? Every square foot of your lawn has some 60 to 70 grass plants competing for nourishment. Apply Two-Way Green Power® now to avoid soil starvation—and kill your weeds at the same time.

A LAWN LIKE THIS ONE almost certainly gets considerable attention with a rotary or agitator spreader. And a spreader is worth its value in terms of the time-saving and efficiency it gives you. An important tip: clean your spreader after each use. Fertilizers, weed killers and insecticides are blends of powerful chemicals that can be harmful to your lawn spreader.

MOW EARLY AND OFTEN. Your grass is growing fast now. Resist the temptation to put off mowing to the weekend. 2" is a healthy height. Keep mower blades sharp and never cut off more than one-third of the blade of grass.

KILL BROADLEAF WEEDS. Two-Way Green Power® gives your lawn the booster feeding needed at this time. Also kills weeds—roots, leaves and all. Now improved with Silvex to kill more kinds of weeds. 5000 sq. ft. \$5.95 Economy size, 10,000 sq. ft. \$10.90.

LATE SPRING

KEEP WEEDS FROM BLIGHTING
YOUR LAWN'S NATURAL BEAUTY

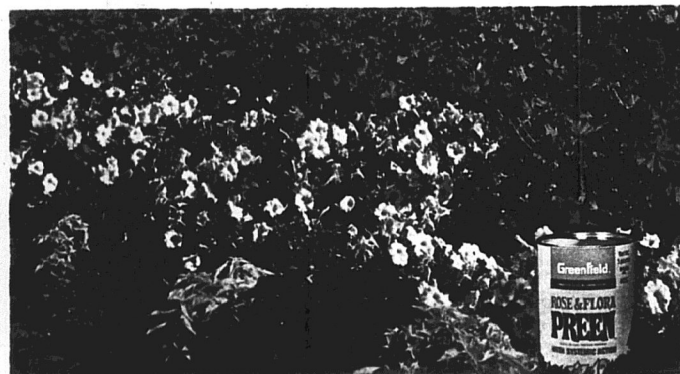

HARD TO KILL WEEDS need Dandelion & Chickweed Killer. One-two punch of 2, 4-D and Silvex kills 101 broadleaf weeds—annual morning glory to yarrow. Spray-type covers 6,300 sq. ft. \$1.69. Dry product spreads on 5,000 sq. ft. \$4.45.

GUARD THOSE ROSES. Greenfield Rose Dust (\$1.49) wards off disease, insects, and mites. Rose Preen®, an organic rose food (\$1.79) feeds roses and prevents annual weeds.

INSECT INVASION? Tri-Cide® kills insects three ways—on contact, residually and systemically. It actually goes inside the plant's system. Rain or watering can't wash it off. 8 oz. size, \$1.98—pint size, \$2.98.

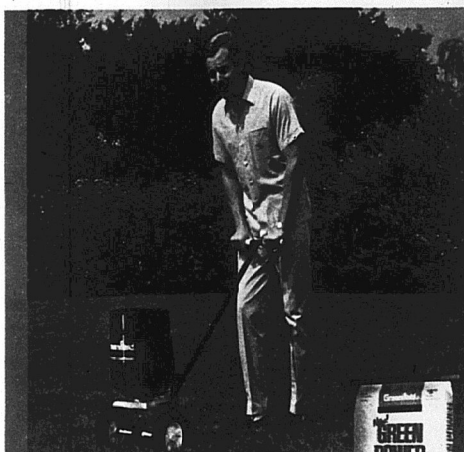

PROTECT ALL FLOWERS. New 3-way rose and flower care with systemic action. Rose and Flora Preen® prevents insect damage, kills weeds before they emerge while it feeds roses and flowers with organic plant food. Contains exclusive Treflan®. 5 lb. canister \$2.98.

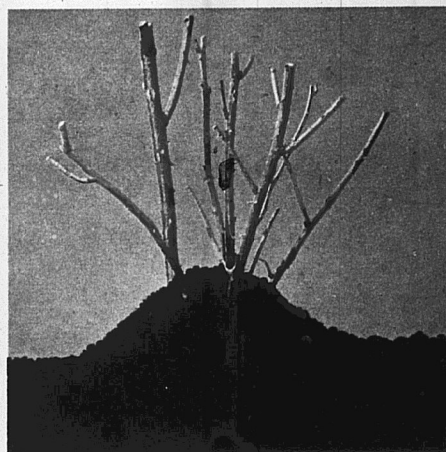

EARLY FALL

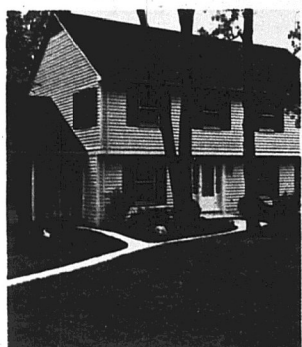

PREPARE FOR
WINTER NOW

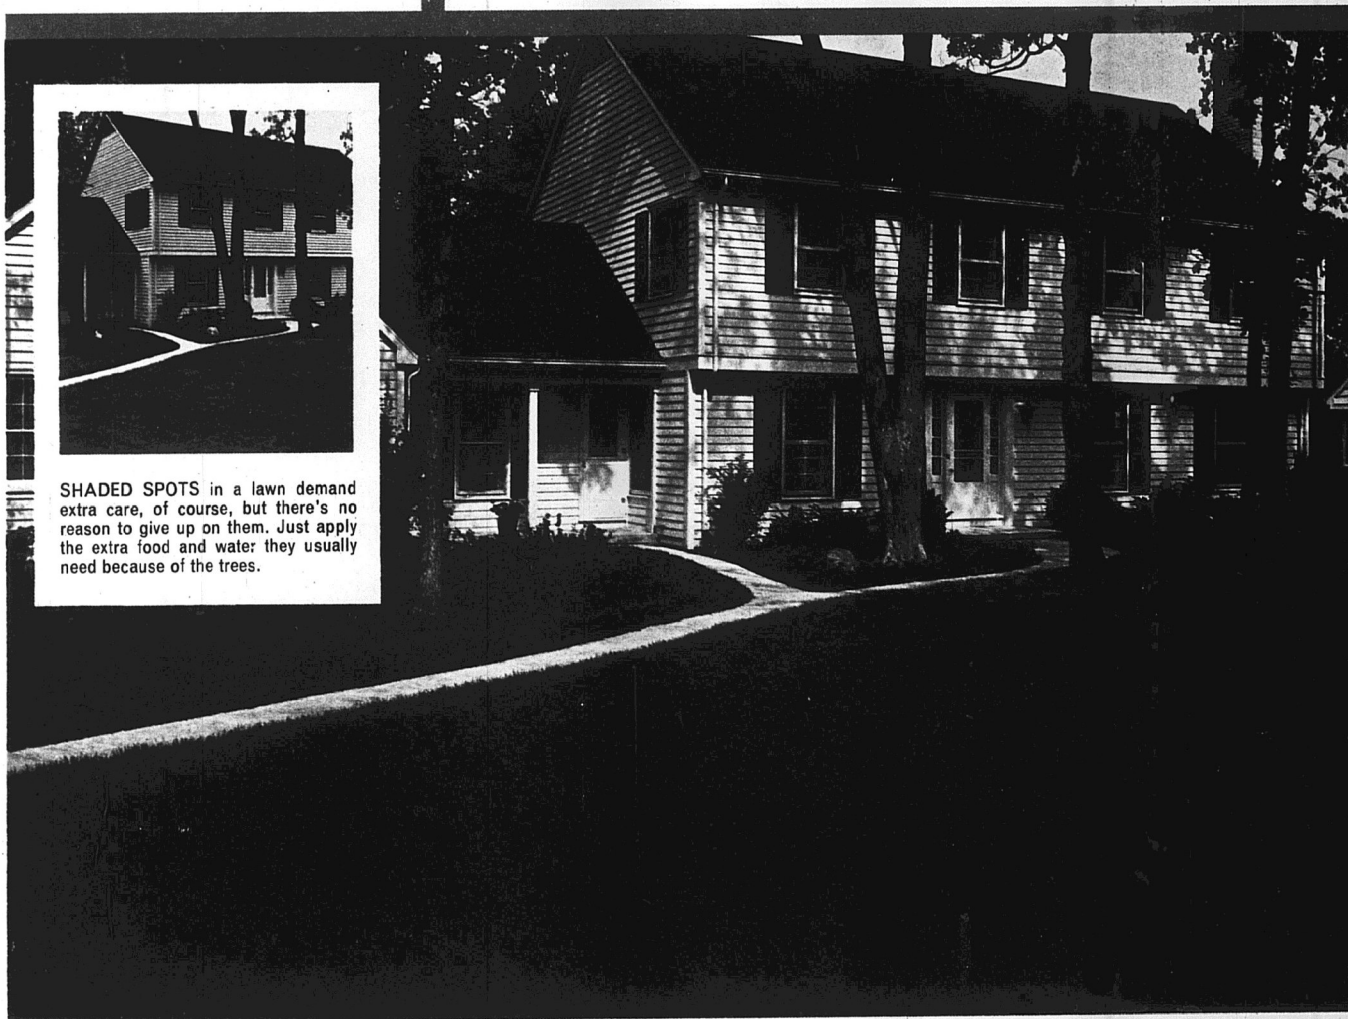

SEED AND FERTILIZE. A final feeding will help your grass develop a strong root system this winter, wake up vigorous next spring. Killing weeds now will let grass fill in. Lower the cut for last mowing. And now is the best time for reseeding.

AFTER THE FIRST FREEZE. Most flowers take care of themselves, but roses need special attention. Mound up the soil 8-10" around the plant base for cold protection. Bend tree roses and climbers to the ground, and cover with mulch and soil.

SHADED SPOTS in a lawn demand extra care, of course, but there's no reason to give up on them. Just apply the extra food and water they usually need because of the trees.

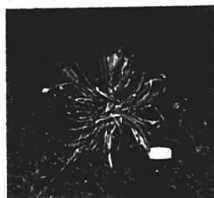

THERE'S PRACTICALLY NO PIECE OF LAND which won't support a healthy lawn. Sandy soil or heavy clay, heavy traffic areas, or you name it. Your local Greenfield dealer knows the special problems common to your area—and their answers. See him soon and grow green-green the Greenfield way!

EARLY SUMMER

SOAK WITH WATER
WEED AND FEED

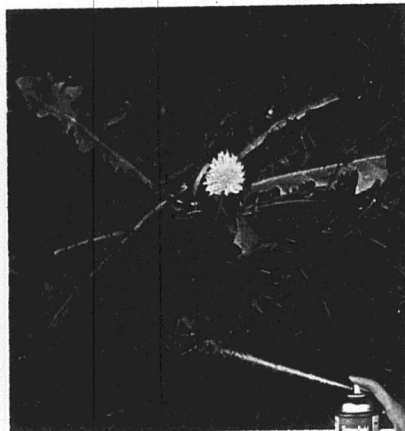

FEEDING TIME. Help your lawn "beat the heat" now. A third feeding of Green Power® now will help it withstand hot, dry spells, keep it green right through summer. Watering is vital now, too. Soak down to the roots! Mow 1/2" higher. 2 1/2" is a healthy height.

ALL KINDS OF WEEDS? If you have crabgrass, broadleaf weeds, or both, clean them out with Greenfield Broadleaf Weed and Crabgrass Killer. Contains exclusive Treflan® to prevent further sprouting of crabgrass and other annual grassy weeds. Qt. covers 2,000 sq. ft., \$2.75. 1/2 gal. covers 4,000 sq. ft., \$4.95.

ELIMINATE INSECTS—Roses, ornamentals or other flowers under attack by insects now? Tri-Cide® kills nearly all of the most damaging invaders. Fast, too, and with no foliage burn. 8 oz., \$1.98 pint, \$2.98.

PINPOINT CONTROL OF WEEDS. Non-drifting, foam aerosol for pinpoint killing of weeds. 2, 4-D and Silvex combination gets hard-to-kill weeds, even poison ivy and woody plants. New improved foaming Dandelion and Broadleaf Weed Killer—17 oz. aerosol can, \$1.39.

WEED-FREE GARDEN. Flora Preen® is a specialized fertilizer balanced for flowers and plants. And it keeps grass and weeds out of flower beds. 1,000 sq. ft., \$4.95.

LATE SUMMER

ENJOY YOUR LAWN,
KEEP AN EYE
PEELED FOR INSECTS

CONTROL INSECTS. Notice strange brown spots in your lawn? Could be insects. Tan moths flying up in front of your mower are a sure sign of sod webworms. And they can ruin a lawn. Bug Out® is the quick kill for bugs. Covers 5,000 sq. ft., \$4.45.

FINAL FEED. Water is vital now, so don't skimp. Soak at least once a week, dust and spray against insects and diseases. And fertilize for the last time with the Preen® product best for your plants.
